K. Woodard, Blanche Greenstein, 2013-04-09 A wealth of information on pieced and appliqué crib quilts their history 156 full color photos of 19th and early 20th century creations patterns and instructions for 13 charming covers more *Quilt Culture* Cheryl B. Torsney, Judy Elsley, 1994 As a blanket a commemorative covering and a work of art the quilt is a nearly universal cultural artifact In recent years it has been recognized as one of our most compelling symbols of cultural diversity and the power of women In this collection Cheryl B. Torsney and Judy Elsley bring together eleven provocative essays on the quilt as metaphor in literature history politics and philosophy This interdisciplinary approach makes *Quilt Culture* an extraordinarily rich exploration of a cultural artifact whose meaning is far more complex than that of a simple bed covering Publishers website **Glorious American Quilts** Museum of American Folk Art, Elizabeth V. Warren, Sharon L. Eisenstat, 1996 One of America's largest collections of quilts containing almost 400 examples at the time of this publication and steadily growing belongs to the Museum of American Folk Art in New York City As it is a national not a regional institution the Museum does not restrict its collection by location nor is it restricted by time period The quilts have been made all over the country and range in date from the late eighteenth to the late twentieth century Until this publication however there has been no comprehensive guide to the Museum's quilts almost all of which have been donated by collectors in the field Highlights from the collection have been published and exhibited many times but the purpose of this book is to provide an opportunity for quiltmakers collectors scholars and others to explore the collection in depth The comprehensive discussion of the quilts has been divided into eleven chapters that are illustrated

with 141 color plates This text is then followed by a catalog of the entire collection which in turn contains forty four black and white illustrations Here then is a richly handsome and informative volume that will prove to be essential for all those fascinated by this category of American folk art

A Stitch in Time Aimee E. Newell, 2014-03-15 Drawing from 167 examples of decorative needlework primarily samplers and quilts from 114 collections across the United States made by individual women aged forty years and over between 1820 and 1860 this exquisitely illustrated book explores how women experienced social and cultural change in antebellum America The book is filled with individual examples stories and over eighty fine color photographs that illuminate the role that samplers and needlework played in the culture of the time For example in October 1852 Amy Fiske 1785 1859 of Sturbridge Massachusetts stitched a sampler But she was not a schoolgirl making a sampler to learn her letters Instead as she explained The above is what I have taken from my sampler that I wrought when I was nine years old It was w rough t on fine cloth and it tattered to pieces My age at this time is 66 years Situated at the intersection of women s history material culture study and the history of aging this book brings together objects diaries letters portraits and prescriptive literature to consider how middle class American women experienced the aging process Chapters explore the physical and mental effects of old age on antebellum women and their needlework technological developments related to needlework during the antebellum period and the tensions that arose from the increased mechanization of textile production and how gift needlework functioned among friends and family members Far from being solely decorative ornaments or functional household textiles these samplers and quilts served their own ends They offered aging women a means of coping of sharing and of expressing themselves These threads of time provide a valuable and revealing source for the lives of mature antebellum women Publication of this book was made possible in part through generous funding from the Coby Foundation Ltd and from the Quilters Guild of Dallas Helena Hibbs Endowment Fund
