Kenneth Alan Lockridge

New England Town The First Hundred Years:

A New England Town Kenneth A. Lockridge, 1970 *A New England Town the First Hundred Years* Kenneth Alan Lockridge, 1970 Urban Village Population, Community and Family Structure in Germantown Pennsylvania 1683-1800 Stephanie Grauman Wolf, 1980-05-21 Most studies of eighteenth century community life in America have focused on New England and in many respects the New England town has become a model for our understanding of communities throughout the United States during this period In this study of a mid Atlantic town Stephanie Grauman Wolf describes a very different way of organizing society indicating that the New England model may prove atypical In addition her analysis suggests the origins of twentieth century social patterns in eighteenth century life Germantown Pennsylvania was chosen for study because it was a small urban center characterized by an ethnically and religiously mixed population of high mobility The author uses quantitative analysis and sample case study to examine all aspects of the community She finds that heterogeneity and mobility had a marked effect on urban development on landholding occupation life style and related areas community organization for the control of government and church affairs and the structure and demographic development of the family Her work represents an important advance not only in our understanding of eighteenth century American society but also in the ways in which we investigate it The New England Town Meeting Joseph F. Zimmerman, 1999-03-30 In this groundbreaking study Zimmerman explores the town meeting form of government in all New England states This comprehensive work relies heavily upon surveys of town officers and citizens interviews and mastery of the scattered writing on the subject Zimmerman finds that the stereotypes of the New England open town meeting advanced by its critics are a serious distortion of reality He shows that voter superintendence of town affairs has proven to be effective and there is no empirical evidence that thousands of small towns and cities with elected councils are governed better Whereas the relatively small voter attendance suggests that interest groups can control town meetings their influence has been offset effectively by the development of town advisory committees particularly the finance committee and the planning board which are effective counterbalances to pressure groups Zimmerman provides a new conception of town meeting democracy positing that the meeting is a de facto representative legislative body with two safety valves open access to all voters and the initiative to add articles to the warrant and the calling of special meetings to reconsider decisions made at the preceding town meeting And as Zimmerman points out a third safety valve the protest referendum can be adopted by a town meeting **New England Outpost** Richard I. Melvoin, 1992-02 Deerfield s first half century starting in 1670 was a struggle to survive numerous Indian attacks But more than a site of bloodshed Deerfield offers an extraordinary opportunity to study larger issues of colonial war and society **Nearby History** David E. Kyvig, Myron A. Marty, 2000 In the Second Edition of *Nearby History* the authors have updated all chapters introduced information about internet sources and uses of newer technologies as well as updated the appendices **Transgressing the Bounds** Louise A. Breen, 2001-02-22 This study offers a new interpretation of the

Puritan Antinomian controversy and a skillful analysis of its wider and long term social and cultural significance Breen argues that controversy both reflected and fostered larger questions of identity that would persist in Puritan New England during the 17th century Some issues discussed here include the existence of individualism in a society that valued conformity and the response of members of an inward looking localistic culture to those among them of a more cosmopolitan nature Central to Breen s study is the Ancient and Honorable Artillery Company of Massachusetts an elite social club that attracted a heterogeneous yet prominent membership and whose diversity contrasted with the social and religious ideals of the cultural majority

The Devil's Dominion Richard Godbeer,1992 The Devil s Dominion examines the use of folk magic by ordinary men and women in early New England The book describes in vivid detail the magical techniques used by settlers and the assumptions which underlaid them Godbeer argues that layfolk were generally far less consistent in their beliefs and actions than their ministers would have liked even church members sometimes turned to magic The Devil s Dominion reveals that the relationship between magical and religious belief was complex and ambivalent some members of the community rejected magic altogether but others did not Godbeer argues that the controversy surrounding astrological prediction in early New England paralleled clerical condemnation of magical practice and that the different perspectives on witchcraft engendered by magical tradition and Puritan doctrine often caused confusion and disagreement when New Englanders sought legal punishment of witches

Whose American Revolution Was It? Alfred F. Young,Gregory H. Nobles,2011 The meaning of the American Revolution has always been a much contested question and asking it is particularly important today the standard easily digested narrative puts the Founding Fathers at the head of a unified movement failing to acknowledge the deep divisions in Revolutionary era society and the many different historical interpretations that have followed Whose American Revolution Was It speaks both to the ways diverse groups of Americans who lived through the Revolution might have answered that question and to the different ways historians through the decades have interpreted the Revolution for our own time As the only volume to offer an accessible and sweeping discussion of the period s historiography and its historians Whose American Revolution Was It is an essential reference for anyone studying early American history The first section by Alfred F Young begins in 1925 with historian J Franklin Jameson and takes the reader through the successive schools of interpretation up to the 1990s The second section by Gregory H Nobles focuses primarily on the ways present day historians have expanded our understanding of the broader social history of the Revolution bringing onto the stage farmers and artisans who made up the majority of white men as well as African Americans Native Americans and women of all social classes

New Light on the Old Colony Jeremy Bangs,2019-10-29 Colonial government Pilgrims the New England town Native land the background of religious toleration and the changing memory recalling the Pilgrims all are examined and stereotypical assumptions overturned in 15 essays by the foremost authority on the Pilgrims and Plymouth Colony Thorough research revises the story of colonists and of the people they displaced Bangs book is required reading for the history of New

England Plymouth Colony Massachusetts Natives the Mennonite contribution to religious toleration in Europe and New England and the history of commemoration from paintings and pageants to living history and internet memes If Pilgrims were radical so is this book

The Top Books of the Year New England Town The First Hundred Years The year 2023 has witnessed a remarkable surge in literary brilliance, with numerous compelling novels captivating the hearts of readers worldwide. Lets delve into the realm of top-selling books, exploring the engaging narratives that have captivated audiences this year. New England Town The First Hundred Years : Colleen Hoover's "It Ends with Us" This heartfelt tale of love, loss, and resilience has captivated readers with its raw and emotional exploration of domestic abuse. Hoover skillfully weaves a story of hope and healing, reminding us that even in the darkest of times, the human spirit can triumph. Uncover the Best : Taylor Jenkins Reids "The Seven Husbands of Evelyn Hugo" This captivating historical fiction novel unravels the life of Evelyn Hugo, a Hollywood icon who defies expectations and societal norms to pursue her dreams. Reids absorbing storytelling and compelling characters transport readers to a bygone era, immersing them in a world of glamour, ambition, and self-discovery. Discover the Magic : Delia Owens "Where the Crawdads Sing" This captivating coming-of-age story follows Kya Clark, a young woman who grows up alone in the marshes of North Carolina. Owens weaves a tale of resilience, survival, and the transformative power of nature, captivating readers with its evocative prose and mesmerizing setting. These top-selling novels represent just a fraction of the literary treasures that have emerged in 2023. Whether you seek tales of romance, adventure, or personal growth, the world of literature offers an abundance of captivating stories waiting to be discovered. The novel begins with Richard Papen, a bright but troubled young man, arriving at Hampden College. Richard is immediately drawn to the group of students who call themselves the Classics Club. The club is led by Henry Winter, a brilliant and charismatic young man. Henry is obsessed with Greek mythology and philosophy, and he quickly draws Richard into his world. The other members of the Classics Club are equally as fascinating. Bunny Corcoran is a wealthy and spoiled young man who is always looking for a good time. Charles Tavis is a quiet and reserved young man who is deeply in love with Henry. Camilla Macaulay is a beautiful and intelligent young woman who is drawn to the power and danger of the Classics Club. The students are all deeply in love with Morrow, and they are willing to do anything to please him. Morrow is a complex and mysterious figure, and he seems to be manipulating the students for his own purposes. As the students become more involved with Morrow, they begin to commit increasingly dangerous acts. The Secret History is a masterful and gripping novel that will keep you speculating until the very end. The novel is a warning tale about the dangers of obsession and the power of evil.
