New Guy:

Falling into your Smile Jenna Smith,2024-12-17 Sunshine what guy do you know has a weird fetish for sign language She s a shadow of the girl she once was haunted by the nightmare of a high school party that changed her life forever Tragedy stole her innocence and silenced her voice before she could speak the truth Branded a liar by the court she watched her attacker walk free leaving her trapped in a cage of painful memories and crushing solitude Forced to communicate through sign language she struggles to express the words she s too broken to say He s everything she s tried to avoid a boy wrapped in bad rumors and whispered lies a magnet for trouble and the embodiment of all her fears With sharp edges and a mysterious aura he s the kind of chaos she doesn t need but can t ignore When an essay unexpectedly brings them together she begins to endure his arrogance and he starts to understand her silence But as he asks the questions no one else dares to their fragile connection deepens Can she let go of the chains of her past and trust him to help her heal Or will the ghosts of her trauma drag her back into the darkness Fate has a strange way of intertwining lives but not all paths lead to happy endings In this raw and gripping tale of heartbreak resilience and unexpected love two broken souls may discover that sometimes the unlikeliest connections have the power to save us **Falling into your Smile** is a story of pain and hope silence and discovery perfect for readers who believe in the healing power of love and the courage to rebuild **Love Me Tender** Ally Blake,2015-10-12 It was love at first sight When her Papa loses his job indomitable Serafina Scott insists it s her turn to take care of him meaning landing a well paying job and fast Which is how she ends up working for the Cinderella Project a high end matchmaking business even though she s certainly no expert on affairs of the heart Until she meets Murdoch the gruff builder restoring her extravagant new work place He s inscrutable infuriating and gorgeous Convincing them was a whole other matter Murdoch finds Sera confounding and luminous But beneath her firecracker exterior she is dangerously soft hearted and the last thing she needs is a broken brute like him While Sera does her best to convince Murdoch that they are a match made in heaven Murdoch makes it his mission to prove her wrong Will it come down to who s the most convincing or who s most willing to be convinced **Bull's Eye Stage Coach** Billy Hall,2014-01-31 Marshal Dwight Stern and his posse are overseeing the loading of a shipment of gold onto a heavily armoured stage coach when they are ambushed in a surprise attack With Stern s fiancée held in the grip of one of the attackers and a double barrelled shotgun pointing at her head there s no time to play nice With his hand on his gun and a prayer for the gunman to make a mistake and move the gun from Belinda s head all he needs is a split second [The Last Ferry Home](#) LaVonne Chastain,2021-08-03 A true life story that may sound a bit familiar to the baby boomer generation Spanning the years from the 50s to the modern times of today from childhood antics to the angst and perils of teenage hood and then the highs and lows of marriage giving birth divorce Beyond those years follow an assortment of the amusing and amazing the joyful and the miraculous and the disappointment and sorrow of a not too normal life It all began in a tiny northern town in America transcending six decades

and several foreign countries A chance to start over a second marriage one worth waiting for new man new country new customs amongst castles and moors and mysticism along with quiriness oddities and whimsy A lifelong search for identity and answers needle in a haystack style A quest to find a recognizable face a name a place feeling nonexistent at times like a ghost I m here but I m not really here A discovery of human nature to belong to someone days and moments that will never be forgotten and the chance to live another day as a result of finding the truth Another whole family like figures in a wax museum suddenly and finally come to life A song with a beautiful melody and words beckoning from far across the ocean simultaneously haunting and pleasing the personal anthem that sometimes shadowed and other times led to the final destination of knowing I shouldn t have even made it Everyone else is dead Not me I was meant to live And this is my story

The Diener H. L. Riviere, 2016-12-19 The Diener by H L Riviere The embalming machine pumped fluid into her and blood flowed red from the vein Gradually the venous blood became a lighter color Her heart stopped but the machine pumped on Soon the fluid flowing from the groin incision was almost colorless like the embalming fluid He stopped the pump and disconnected it from her body She could wait in the cold room until tomorrow He fished in his pocket for the metal disk tied it to her toe with a fresh piece of string and stood over his work His heart was pounding and his breathing was rapid as if he had just run a race What power what absolute power he thought Something doesn t seem right about the cadavers at the Portland University Health Center Medical School dissection laboratory well about one cadaver Grace director and primary lecturer of the medical gross anatomy course for fifteen years knew something was amiss but she couldn t quite figure it out She would have to ask Carl the lab s mortician to get to the bottom of it But Carl knows exactly what is happening in the lab It s where he s disposing his victims *Fallen Star Series* Candy J Starr, 2017-06-15 Rock You book 1 Working for a cranky hermit in an isolated house sounds like Ruby s idea of heaven but her boss isn t what she expects Tex is a fugitive from the rock and roll world after a tragedy halted his career The two of them live together but avoid each other until Tex screws up forcing them to move into closer quarters The sanctuary they build is enough for Ruby but the outside world encroaches She thinks their fledgling love can t shine brighter than the rock dream but can Ruby bear to let Tex go Cry For You book 2 A million girls would swap places with me in a heartbeat They weep for Tex and maul each other to get closer to him The way they obsessed over him and put him on pedestal scared the hell out of me I don t want our relationship made public Every single fan would question my place beside me Hell I question it myself Tex is a star and I m nobody Even worse there s one fan scarier than all the rest She d go to any lengths to get Tex Tex promised to protect me but she watches my every move just waiting for her chance to destroy me Be With You book 3 So finally our house has been rebuilt and Tex is on track with his career But where does that leave me Tex thinks we can build a future together but I worry that I m too damaged to be with him It doesn t help that the man who almost destroyed me in the past comes back into my life How can Tex help me when he has cracks appearing in his own life He thinks he s dealt with his sister s death but he s in denial Is the love we
