New Heaven, New Earth Joyce Carol Oates, 1974 Explores the ways in which such writers as Virginia Woolf Flannery O'Connor and Franz Kafka apply an innate awareness of the unifying life force permeating existence to their art for socially formative ends

The Oxford Handbook of English Literature and Theology Andrew Hass, David Jasper, Elisabeth Jay, 2007-03-15 A defining volume of essays in which leading international scholars apply an interdisciplinary approach to the long and evolving relationship between English Literature and Theology

Real Life Writings in American Literary Journalism: a Narratological Study Gurpreet Kaur, 2015-07-24 This referential collection of essays is an important guide to the emergence and development of literary journalism through the centuries The book begins with the defining of genres literature and journalism which blur the lines between them It also gives an insight into the theories of narratology Some practitioners included in this book are great American writers like John Hersey Truman Capote Norman Mailer and Don DeLillo These literary journalists bring to life both major as well trivial issues of the society New journalists coalesce all the fictional techniques with the journalistic methods to present a unique and sophisticated style which requires extensive research and even more careful reporting than done in the typical news articles The book closes with the concluding thoughts followed by list of works cited

American Lonesome Gavin Cologne-Brookes, 2018-11-14 American Lonesome The Work of Bruce Springsteen begins with a visit to the Jersey Shore and ends with a meditation on the international legacy of Springsteen's writing music and performances Gavin Cologne Brookes's innovative study of this popular musician and his position in American culture blends scholarship with personal reflection providing both an academic examination of Springsteen's work and a moving account of how it offers a way out of emotional solitude and the potential lonesomeness of modern life Cologne Brookes proposes that the American philosophical tradition of pragmatism which assesses the value of ideas and arguments based on their practical applications provides a lens for understanding the diversity of perspectives and emotions encountered in Springsteen's songs and performances Drawing on pragmatist philosophy from William James to Richard Rorty Cologne Brookes examines Springsteen's formative environment and outsider psychology arguing that the artist's confessed tendency toward a self-reliant isolation creates a tension in his work between lonesomeness and community He considers Springsteen's portrayals of solitude in relation to classic and contemporary American writers from Frederick Douglass Nathaniel Hawthorne and Emily Dickinson to Richard Wright Flannery O'Connor and Joyce Carol Oates As part of this critique he discusses the difference between escapist and pragmatic romanticism the notion of multiple selves as played out both in Springsteen's work and in our perception of him and the impact of performances both recorded and live By drawing on his own experiences seeing Springsteen perform including on tours showcasing the album *The River* in 1981 and 2016 Cologne Brookes creates a book about the intimate relationship between art and everyday life Blending research cultural knowledge and creative thinking American Lonesome dissolves any imagined barriers between the study of a

songwriter literary criticism and personal testimony **Understanding Hubert Selby, Jr** James Richard Giles,1998 Since the publication in 1964 of his novel *Last Exit to Brooklyn* which arguably achieved the status of a cult classic Hubert Selby Jr has held a place as one of the foremost exponents of American underground literature His work has yet to receive extensive critical attention in part because of its deliberately shocking subject matter and its resistance to precise classification In *Understanding Hubert Selby Jr* James R Giles examines the writer s four novels and one collection of short stories to make the case that the full complexity of his fiction has not previously been understood Giles contends that Selby s writings which are usually labelled as either naturalistic or surrealistic represent an innovative merger of both narrative modes *Vital Signs* Gregg Levoy,2015-12-29 Explores what inspires passion and what defeats it How we lose it and how we get it back And ultimately examines the endless yet endlessly fruitful tug of war between freedom and domestication the wild in us and the tame our natural selves and our conditioned selves **Routledge Library Editions: Virginia Woolf** Various Authors,2021-03-01 The volumes in this set originally published between 1963 and 1990 draw together research by leading academics on Virginia Woolf and provide a rigorous examination of related key issues The volumes include literary criticism on Virginia Woolf s novels poetry plays and essays through the lens of linguistics narrative theory psychoanalysis and textual analysis whilst also exploring the literary modernist movement This set will be of particular interest to students of literature history and linguistics respectively *Jews in China* Irene Eber,2019-10-21 Irene Eber was one of the foremost authorities on Jews in China during the twentieth and twenty first centuries a field that in contrast to the study of the Jewish diaspora in Europe and the Americas has been critically neglected This volume gathers fourteen of Eber s most salient articles and essays on the exchanges between Jewish and Chinese cultures making available to students scholars and general readers a representative sample of the range and depth of her important work in the field of Jews in China *Jews in China* delineates the centuries long reciprocal dialogue between Jews Jewish culture and China all under the overarching theme of cultural translation The first section of the book sets forth a sweeping overview of the history of Jews in China beginning in the twelfth century and concluding with a detailed assessment of the two crucial years leading up to the Second World War The second section examines the translation of Chinese classics into Hebrew and the translation of the Hebrew Bible into Chinese The third and final section turns to modern literature bringing together eight essays that underscore the cultural reciprocity that takes place through acts of translation The centuries long relationship between Judaism and China is often overlooked in the light of the extensive discourse surrounding European and American Judaism With this volume Eber reminds us that we have much to learn from the intersections between Jewish identity and Chinese culture *The Cinema of Norman Mailer* Justin Bozung,2017-09-07 *The Cinema of Norman Mailer* Film is Like Death not only examines the enfant terrible writer s thoughts on cinema but also features interviews with Norman Mailer himself *The Cinema of Norman Mailer* also explores Mailer s cinema through previously published and newly commissioned essays written by an array of film and literary

scholars enthusiasts and those with a personal philosophical connection to Mailer This volume discusses the National Book Award and Pulitzer Prize winning author and filmmaker s six films created during the years of 1947 and 1987 and contends to show how Mailer s films can be best read as cinematic delineations that visually represent many of the writer s metaphysical and ontological concerns and ideas that appear in his texts from the 1950s until his passing in 2007 By re examining Mailer s cinema through these new perspectives one may be awarded not just a deeper understanding of Mailer s desire to make films but also find a new alternative vision of Mailer himself Norman Mailer was not just a writer but more he was one of the most influential Postmodern artists of the twentieth century with deep roots in the cinema He allowed the cinema to not only influence his aesthetic approach but sanctioned it as his easiest crafted analogy for exploring sociological imagination in his writing Mailer once suggested Film is legitimately more interesting than books and with that in mind readers of Norman Mailer might begin to rethink his oeuvre through the viewfinder of the film medium as he was equally as passionate about working within cinema as he was about literature itself
