New Horizons For The Priesthood:

New Horizons for the Priesthood Andrew Greeley, 1967

Religious Life and Priesthood Maryanne Confoy, 2008

Religious Life and Priesthood reclaims the vision of Vatican II for contemporary priests religious and ecclesial ministers The book examines the historical context the key players and the implementation of Vatican II documents on the priesthood the training of priests and the religious life BOOK JACKET *Fundamental Theology of the Priesthood*, A Cardinal Ouellet, Marc, 2023 The Symposium for a Fundamental Theology of the Priesthood held at the Vatican from February 17 to 19 2022 inaugurated a new phase of theological and pastoral reflection in the context of contemporary questions regarding the ministry of priests and the priesthood of the baptized The deepening of the relationship between the two participations baptismal and ministerial in the one priesthood of Christ is fundamental for renewing the mission of the Church in the spirit of openness and dialogue of the Second Vatican Council This perspective is also pertinent for the promotion and communication of all vocations especially that of women whose charisms are yet to be fully recognized and integrated in their rightful place within the life of the Church Finally and no less important this reflection offers synodal practice a solid theological foundation for making the participation of the faithful dynamic which must not only correct the limitations and defects of the exercise of the ordained ministry but also actively and permanently exercise the gifts and charisms that the Holy Spirit has poured out on all baptized people **The Changing Face Of The Priesthood** Donald B.

Cozzens, 2017-06-15 Few today would contest that the priesthood is in a state of crisis The nature and implications of that crisis however remain the subject of considerable discussion and debate In *The Changing Face of the Priesthood* Fr Donald Cozzens offers insight into the crisis by reflecting on the issues challenges concerns and realities of the priesthood today The same year that Pope John XXIII surprised the Catholic world with his call for an ecumenical council Cozzens began his formal study of theology As a seminarian he felt the shaking of the priesthood's foundations The very face of the priesthood was evolving even as he arrived at his first parish assignment A generation later the face of the priesthood continues to reveal new contours fascinating features and sadly some tragic blemishes In *The Changing Face of the Priesthood* Cozzens takes a long honest look at the present state of the priesthood He provides this examination not merely from an empirical scientific perspective but also from a personal pastoral perspective Drawing on clinical data church documents and his nearly forty years of pastoral experience Cozzens gives shape and form to the changing face of the priesthood Through his reflections he leads readers to both concern and hope for the priesthood of the twenty first century Chapters are Discovering an Identity Guarding One's Integrity Loving as a Celibate Facing the Unconscious Becoming a Man Tending the Word Considering Orientation Betraying Our Young and *The Changing Face of the Priesthood* Donald Cozzens PhD a priest and writer is author of two award winning titles *Sacred Silence* and *The Changing Face of the Priesthood* and editor of *The Spirituality of the Diocesan Priest* all published by Liturgical Press He is writer in residence at John Carroll University where he teaches in the

religious studies department

Understanding the Religious Priesthood Christian, OSB Raab, Brian E., SJ

Daley, 2020-10-14 Most contemporary theologies of Holy Orders consider priesthood mainly in its diocesan context and most contemporary theologies of religious life do not consider how ordained ministry functions when it is internal rather than external to religious life Understanding the Religious Priesthood provides a history and theology of religious priesthood that contributes to our understanding of this vocation's identity and mission It uncovers what religious priesthood shares with diocesan priesthood and non ordained religious life and what makes it different from both those other vocations Christian Raab begins by tracing the history of religious priesthood from its origins in the early Church to the eve of the Second Vatican Council He demonstrates that religious priests often faced questions about how to reconcile their two callings but that they also provided answers in their theologies and spiritualities of priesthood and religious life Meanwhile they made key contributions to the Church's life and mission Raab then investigates the teachings of the Second Vatican Council on priesthood and religious life Observing that the Council presented priesthood according to a diocesan typology and presented religious life without sacerdotal associations he argues that the lack of imagery of religious priesthood contributed to a post conciliar vocational identity crisis among religious priests He then seeks to remedy this lacuna by appealing to the biblical images for religious priesthood Hans Urs von Balthasar offered in his theology of vocations Raab argues that Balthasar's imagery is a promising way forward for understanding the identity and mission of religious priesthood In a final part Raab provides a substantial theological articulation of religious priesthood which illuminates its liturgical signification ecclesial mediation and mission and ministerial identity Here he draws not only from Balthasar but also from Pope John Paul II Yves Congar Jean Marie Tillard Brian Daley and Guy Mansini to construct his profile Man of God Charles R. Meyer, 2002-03-13

Andrew M. Greeley Elizabeth Harrison, 1994 A needed and timely scholarly resource beneficial as a major resource for anyone studying Greeley's life and thought a masterful collation of Greeley materials **A New Identity for the Priest**

Richard H. Guerrette, 1973 The Priest's Gamble Peter Costa, 2012-07 God doesn't play dice with the universe but sometimes a member of the universe tries to play dice with God That's what the Rev Constantine Thalassa does with his addiction to gambling The priest spends all his discretionary money on the lottery His son a math prodigy is aiding and abetting the Greek Orthodox priest's addiction by writing an algorithm that greatly reduces the randomness of selecting winning lottery numbers And as if the priest doesn't have enough temptations he is being stalked by a voluptuous young widow who thinks the way to get close to God is to get close to the priest The Priest's Gamble is filled with compromising positions raucous comedy and imaginative action The writing is lively and vivid making The Priest's Gamble a fun read

Nobody Calls Me Father Anymore: Experiencing the Priesthood From Pre to Post Vatican Two Richard Gonser D. Min., 2014-07-28 A retired Catholic priest relates his experience of the changing face of the priesthood from seminary to retirement What he writes about those turbulent and challenging years from 1950 to 2010 reveals the personal and at times

the very difficult journey of a parish priest With remarkable clarity and detail Fr Gonser shares his story of more than fifty years of priesthood in the Diocese of Cleveland Young and older readers laity and priests will be fascinated or reminded about the tumult of those years An intriguing journey Rev Albert A Krupp Delegate for Senior Priests Diocese of Cleveland While nobody may call him Father anymore Richard Gonser writes movingly about the mystery of grace working in his own life and in the lives of the people he served and loved His memoir captures his quiet fidelity to Gospel values in the challenging year following the Second Vatican Council Rev Donald Cozzens author of Notes from the Underground The Spiritual Journey of a Secular Priest
