The Australian Jewish Herald, 1928

The Sephardic Frontier Jonathan Ray, 2013-01-14 No subject looms larger over the historical landscape of medieval Spain than that of the reconquista the rapid expansion of the power of the Christian kingdoms into the Muslim

populated lands of southern Iberia which created a broad frontier zone that for two centuries remained a region of warfare and peril Drawing on a large fund of unpublished material in royal ecclesiastical and municipal archives as well as rabbinic literature Jonathan Ray reveals a fluid often volatile society that transcended religious boundaries and attracted Jewish colonists from throughout the peninsula and beyond The result was a wave of Jewish settlements marked by a high degree of openness mobility and interaction with both Christians and Muslims Ray s view challenges the traditional historiography which holds that Sephardic communities already fully developed were simply reestablished on the frontier In the early years of settlement Iberia s crusader kings actively supported Jewish economic and political activity and Jewish interaction with their Christian neighbors was extensive Only as the frontier was firmly incorporated into the political life of the peninsular states did these frontier Sephardic populations begin to forge the communal structures that resembled the older Jewish communities of the North and the interior By the end of the thirteenth century royal intervention had begun to restrict the amount of contact between Jewish and Christian communities signaling the end of the open society that had marked the frontier for most of the century

Time's Maggie Myla Goldberg, 2007-12-18 Sometimes a city can be like a bird Just as the magpie is an inveterate collector hoarding beautiful eclectic bits to line its nest so Prague retains fragments from bygone regimes and centuries past to create a city of juxtaposition that is alternately exquisite and bizarre Prague s personality is expressed as much by its obvious beauty as by its overlooked details This unforgettable place is brought to life by acclaimed author Myla Goldberg a former Prague expat whose first novel *Bee Season* captivated so many with its unique voice and exhilarating prose Myla Goldberg lived in Prague in 1993 just as the process of Westernization was getting under way the city straddling a past it wished to shed and a future it was eager to embrace In 2003 she returned to see what the pursuit of capitalism had wrought and to observe the integral ways in which Prague s character had endured In *Time's Maggie* Goldberg explores a city where centuries old buildings have become receptacles for Western values and a generation defined by the Communist regime coexists with a generation for whom Communism is a rapidly fading memory Wander through the narrow alleyways and cobblestone streets to places most tourists never see to a neighborhood eerily transformed by the devastating flood of 2002 to an anachronistic amusement park that is home to a discomfiting array of Technicolor confections and to the cabinets of curiosity in the Strahov Monastery where hidden among deceptively modest displays of butterfly specimens and ladies fans are creatures that defy the laws of taxidermy This imaginative individualistic journey will show you the odd and unique corners of a city often seeking to erase what its very stones will not allow it to forget
