New Knighthood A History Of The Order Of The Temple:

The New Knighthood Malcolm Barber, 1995-09-28 Details the rise and fall of the medieval Order of the Temple and its afterlife in myth and history **The New Knighthood** Malcolm Barber, 1994 The Templars Malcolm Barber, Keith Bate, 2002-10-11 The Templars were members of a medieval monastic order later accused of denying Christ and other heresies The Order was subject to a torturous inquisition period during the 14th century and ultimately dissolved This is a unique collection of translated sources which in addition to documenting the origins of the Order and the circumstances of its suppression and dissolution examines the many and varied facets of its activities during the 12th and 13th centuries It will be of interest to anyone interested in the medieval period and is an invaluable source for those wanting to find out more about this most fascinating and enigmatic of institutions The Orders of Knighthood and the Formation of the British Honours System, 1660-1760 Antti Matikkala, 2008 Sheds considerable new light on the nature development and functions of the orders in a key phase of their history and goes a long way to explaining how such archaic institutions could flourish in a culture that is commonly thought anti traditional and especially hostile to the middle ages Professor JONATHAN BOULTON University of Notre Dame This is the first comprehensive study to set the British orders of knighthood properly into the context of the honours system by analysing their political social and cultural functions from the Restoration of the monarchy to the end of George II s reign It examines the revival of the Order of the Garter and the proposals to establish the Orders of the Royal Oak and the Esquires of the Martyred King at the Restoration the foundation 1687 and the revival 1703 4 of the Order of the Thistle as well as the foundation of the Order of the Bath 1725 It establishes just how central a part the orders played in the British high political life and its comprehensive and multidimensional approach carefully contrasts the idealistic discourse of virtue and honour to the real workings of the honours system it also makes the case for the Chivalric Enlightenment The orders over the water the Garter and the Thistle conferred by the Jacobite claimants are discussed for the first time in the context of the established British honours system Overall the comparison between the socially very restricted British and the increasingly meritocratic Continental orders highlights the isolation of the British honours system from the European tendencies **A Brief History of the Knights Templar** Helen Nicholson, 2014-03-07 Much has been written about the Knights Templar in recent years A leading specialist in the history of this legendary medieval order now writes a full account of the Knights of the Order of the Temple of Solomon to give them their full title bringing the latest findings to a general audience Putting many of the myths finally to rest Nicholson recounts a new history of these storm troopers of the papacy founded during the crusades but who got so rich and influential that they challenged the power of kings War and Religion Jeffrey M. Shaw Ph.D., Timothy J. Demy, 2017-03-27 This three volume reference provides a complete guide for readers investigating the crucial interplay between war and religion from ancient times until today enabling a deeper understanding of the role of religious wars across cultures Containing some 500 entries covering the interaction between

war and religion from ancient times the three volume War and Religion An Encyclopedia of Faith and Conflict provides students with an invaluable reference source for examining two of the most important phenomena impacting society today This all inclusive reference work will serve readers researching specific religious traditions historical eras wars battles or influential individuals across all time periods The A Z entries document ancient events and movements such as the First Crusade that began at the end of the 10th century as well as modern day developments like ISIS and Al Qaeda Subtopics throughout the encyclopedia include religious and military leaders or other key people ideas and weapons and comprehensive examinations of each of the major religious traditions views on war and violence are presented The work also includes dozens of primary source documents each introduced by a headnote that enable readers to go directly to the source of information and better grasp its historical significance The in depth content of this set benefits high school and college students as well as scholars and general readers

The Jerusalem Files Corjan Mol, Christopher Morford, 2024-02-13 A non fiction Da Vinci Code for the 21st century this thrilling treasure hunt traces the voyage of the legendary Jewish Menorah from the Jerusalem of the Knights Templar through France Portugal and North America providing mind blowing history and mystery for fans of The Curse of Oak Island The Jewish Menorah is one of the world s most sacred artefacts a man size lampstand with seven arms made from a single block of gold that is an iconic symbol for the Jewish people King Solomon placed it in the inner sanctum of the Temple of Jerusalem but by the 5th century AD all trace of it had disappeared from the official record and it was assumed lost Two historical researchers Corjan Mol and Christopher Morford now reveal the astounding secret of what happened to the Menorah Through their meticulous research as well as a jaw dropping stroke of luck Mol and Morford discovered that the Menorah was dug up from the Temple Mount in Jerusalem in the time of the Crusades by the Knights Templar and smuggled to France with the help of the French King Louis IX From there it was taken to Portugal to end up in North America after interventions by Thomas Jefferson Benjamin Franklin and George Washington The secret was hidden in plain sight in both France and North America on a scale so big that it took 800 years for it to be discovered

[The Templars and the Grail](#) Karen Ralls, 2012-12-19 Why do the powerful medieval Knights Templar the famed warriors of the Crusades still intrigue many today A secret society long shrouded in mystery the Templars were believed to conduct mystical rituals to guard the Holy Grail and to possess the priceless treasures of the Temple of Jerusalem Did they bring their treasure to North America as some legends say This definitive work about the Templars and their presumed hidden knowledge addresses many such fascinating questions with rare photos from the Rosslyn Chapel Museum Scotland included

The Templars Jochen Burgtorf, Shlomo Lotan, Enric Mallorquí-Ruscalleda, 2021-04-14 As the oldest of the military religious orders and the one with an unexpected and dramatic downfall the knighthood of the Templars continues to fascinate academics and students as well as the public at large A collection of fifteen chapters accompanied by a historical introduction The Templars The Rise Fall and Legacy of a Military Religious Order recounts and analyzes this community s

rise and establishment in both the crusader states of the eastern Mediterranean and the countries of western Europe during the twelfth and thirteenth centuries reflects on the proceedings launched against it and its subsequent fall 1307 1314 and explores its medieval and post medieval legacy including an assessment of current research pertaining to the Templars and suggestions for future explorations Showcasing a wide range of methodological approaches and primary source materials this volume unites historical art historical theological archaeological and historiographical perspectives and it features the work and voices of scholars from various academic generations who reside in eight different countries Israel France Italy Spain the United Kingdom Germany Poland and the United States of America **Monastic Archaeology** Graham Keevill, Mick Aston, Teresa Hall, 2017-01-31 The study of monasteries has come a long way since late the late 19th century The emphasis has shifted away from reconstructing the layouts of monastic buildings to a better understanding of the wider monastic environment The papers in this volume partly based on a conference held in Oxford in 1994 are written by some of today s foremost scholars and reflect the diversity of research now being carried out
