New Creation:

Creation and New Creation Sean M McDonough, 2016-04-01 In keeping with the Scriptural witness and the theological heritage this remarkable book examines the doctrine of creation alongside new creation The connection between the two creation and new creation has drawn renewed attention in the last several decades but the burden of Sean McDonough's argument is that this emphasis on creation and new creation has been a feature of the doctrine since the beginning whether in the eschatological reading of Genesis 1 that predominated at least until early modern times or the intertwining of the narratives of creation and redemption in thinkers from Irenaeus to Barth Whilst covering the traditional elements of the doctrine McDonough treats the important subject with a special emphasis on how these unfold in the story of what Gunton has called God's creation project **Publication**, 1991 The Church Living Stream Ministry, 1993 **New Creation Realities** E. W. Kenyon, 2025-07-15 Christianity has revealed the secret that psychologists have long sought the inward soul the re-created spirit the focus of God's great redemptive work on earth The four Gospels give us a wonderful picture of the lonely man of Galilee the humble Messiah who ends His earthly walk on Calvary But Paul's Epistles give us the risen triumphant One the conqueror of death sin and Satan He provides the revelation of what happened on the cross and in the tomb and how that affects who and what we are in Christ today Legendary Bible teacher E W Kenyon delves deeply into Paul's teaching to give us a living picture of the entire substitutionary work of Christ which made possible the new creation a new race of men and women who can stand in God's presence without a sense of guilt condemnation or inferiority
