New Europe And The United States Partners Or Rivals:

The New Europe and the United States: Partners Or Rivals Gerhard Mally, 1974 **Partners Or Rivals?** Matthew Evangelista, Vittorio Emanuele Parsi, 2005 Partners of rivals European American relations after Iraq edited by Matthew Evangelista and Vittorio Emanuele Parsi 2005 **The United States and the European Union in the 1990s** Kevin Featherstone, Roy H. Ginsberg, 2016-07-27 This text probes USA EU relations at a critical juncture in international relations It argues that as both partners engage in wholesale rethinking of common interests the marriage of convenience of the 1950s could become perilous if appropriate responses are not made to the changing world *Changes in European Relations : [proceedings of the Conference on American Foreign Policy and the New Europe, Blacksburg, Virginia, April 18-20, 1974]* James A. Kuhlman, Louis J. Mensonides, 1976-03-11 **The EU and the European Security Strategy** Sven Biscop, Jan Joel Andersson, 2007-09-12 This book offers a comprehensive vision of how the EU can achieve the ambitious objectives of the European Security Strategy and become an effective global actor as the strategy helps to forge a global Europe **Atlantic, Euratlantic, Or Europe-America?** Giles Scott-Smith, 2011 *Les deux europes* Michele Affinito, 2009 L histoire de l Europe au XXe si cle est marqu e par de nombreux dualismes dont les traces continuent caract riser l Union europ enne Pour mieux comprendre les probl mes actuels de l int gration europ enne ces dualismes sont tudi s dans une perspective historique et d clin s en quatre axes de r flexion Europe de l Est versus Europe de l Ouest Europe comme r ve versus Europe comme r alit Europe s politique s versus Europe s conomique s et Europe puissance versus Europe comme instrument de puissance Le pr sent ouvrage recueille les actes du IIIe colloque international de l association RICHIE R seau international de jeunes chercheurs en histoire de l int gration europ enne qui s est tenu Naples Italie en d cembre 2007 et qui a r uni une vingtaine de jeunes chercheurs de toute l Europe pour pr senter l tat de leurs travaux en cours travers cette perspective The history of Europe in the 20th century is marked by several dualisms traces of which continue to characterize the European Union For a better understanding of the current problems of European integration these dualisms should be studied in their historical context This book is organized around four axes Eastern Europe versus Western Europe Europe as a dream versus Europe as a reality Political Europe s versus Economic Europe s Europe as a power versus Europe as an instrument of power The present work gathers the proceedings of the 3rd international conference of the RICHIE association International Network of Young Researchers in European Integration History The conference took place in Naples Italy in December 2007 and brought together young scholars from all over Europe to present their current research on this topic **European Security after Iraq** MacQueen, Trine Flockhart, 2006-06-01 European Security after Iraq examines the impact of the second Gulf War on European politics It explores key questions about the impact of the conflict on national European and transatlantic politics such as the extent to which the war has created new cleavages between the foreign and security policies of European states or merely confirmed existing ones Its national focus is on states on both the so called old and new Europe a classification the

book in fact calls into question Important issues around the institutional architecture of European security before and after the war are also discussed The book's nine chapters deal with background issues such as the place of the war in the broader discourse of European security institutional analyses of NATO and the EU and area studies of France the Balkans eastern Europe and Turkey It will be of particular use in upper level undergraduate and taught postgraduate courses on contemporary Europe transatlantic relations and international security

European Foreign Policy During the Cold War Daniel Möckli, 2008-10-30 This is the first comprehensive study of European foreign policy in this period It is based on extensive and original interviews with Henry Kissinger among others and lots of new previously unavailable primary sources It addresses the very current issue of American European relations Europe's first attempts at a united foreign policy after 1969 were remarkably successful but by 1974 this brief moment of concord had vanished Why were the EC countries able to speak with one voice in the early 1970s what caused European Political Cooperation to plunge into crisis and what consequences still felt today did this have for Europe's role in the world and its relations with the US This ground breaking book is the first to analyse this period using previously unavailable archival material and first hand interviews European Foreign Policy during the Cold War illuminates the challenge of establishing Europe as an effective political power with brilliant clarity Filling an important gap in the history of Europe it covers an issue that is highly topical and controversial today

The Routledge Handbook of Transatlantic Security Jussi Hanhimäki, Georges-Henri Soutou, Basil Germond, 2010-07-02 This new Handbook provides readers with the tools to understand the evolution of transatlantic security from the Cold War era to the early 21st century After World War II the US retained a strong presence as the dominant member of NATO throughout the Cold War Former enemies such as Germany became close allies while even countries that often criticized the United States made no serious attempt to break with Washington This pattern of security co operation continued after the end of the Cold War with NATO expansion eastwards extending US influence Despite the Iraq war prompting a seemingly irreparable transatlantic confrontation the last years of the Bush administration witnessed a warming of US European relations expected to continue with the Obama administration The contributors address the following key questions arising from the history of transatlantic security relations What lies behind the growing and continuing European dependency on security policy on the United States and what are the political consequences of this Is this dependency likely to continue or will an independent European Common Foreign and Security Policy eventually emerge What has been the impact of out of area issues on transatlantic security cooperation The essays in this Handbook cover a broad range of historical and contemporary themes including the founding of NATO the impact of the Korean War the role of nuclear non proliferation perspectives of individual countries especially France and Germany the impact of culture identity and representation in shaping post Cold War transatlantic relations institutional issues particularly EU NATO relations the Middle East and the legacy of the Cold War notably tensions with Russia This Handbook will be of much interest to students
