New Insights Into Christian Worship Volume 1:

Simon Bailey,1995 **Foundations of the World Christian Movement: A Larger Perspective, Reader , *Second Witness: Analytical and Contextual Commentary on the Book of Mormon*** Brant A. Gardner,2007-09-01 Stop looking for the Book of Mormon in Mesoamerica and start looking for Mesoamerica in the Book of Mormon *Second Witness* a new six volume series from Greg Kofford Books takes a detailed verse by verse look at the Book of Mormon It marshals the best of modern scholarship and new insights into a consistent picture of the Book of Mormon as a historical document Taking a faithful but scholarly approach to the text and reading it through the insights of linguistics anthropology and ethnohistory the commentary approaches the text from a variety of perspectives how it was created how it relates to history and culture and what religious insights it provides The commentary accepts the best modern scholarship which focuses on a particular region of Mesoamerica as the most plausible location for the Book of Mormon s setting For the first time that location its peoples cultures and historical trends are used as the backdrop for reading the text The historical background is not presented as proof but rather as an explanatory context The commentary does not forget Mormon s purpose in writing It discusses the doctrinal and theological aspects of the text and highlights the way in which Mormon created it to meet his goal of convincing the Jew and Gentile that Jesus is the Christ the Eternal God **Exodus in the Jewish Experience** Pamela Barmash,W. David Nelson,2015-05-14 Exodus in the Jewish Experience Echoes and Reverberations investigates how the Exodus has been and continues to be a crucial source of identity for both Jews and Judaism It explores how the Exodus has functioned as the primary model from which Jews have created theological meaning and historical self understanding It probes how and why the Exodus has continued to be vital to Jews throughout the unfolding of the Jewish experience As an interdisciplinary work it incorporates contributions from a range of Jewish Studies scholars in order to explore the Exodus from a variety of vantage points It addresses such topics as the Jewish reception of the biblical text of Exodus the progressive unfolding of the Exodus in the Jewish interpretive tradition the religious expression of the Exodus as ritual in Judaism and the Exodus as an ongoing lens of self understanding for both the State of Israel and contemporary Judaism The essays are guided by a common goal to render comprehensible how the re envisioning of Exodus throughout the unfolding of the Jewish experience has enabled it to function for thousands of years as the central motif for the Jewish people **Baptismal Imagery in Early Christianity** Robin M. Jensen,2012-06 A leading scholar of early Christian art and worship shows how images language architectural space and symbolic actions convey the theological meaning of baptism **Hebrews** Debra J. Bucher,Estella Boggs Horning,2024-04-23 What constitutes a faithful life At its most basic level the New Testament book of Hebrews considers this essential question and pleads with its audience to find in faithful living the rest that Christ offers Hebrews begins with a poetic reflection on the one who lived the most faithful of lives Jesus and concludes with exhortations to go and do likewise In the 37th volume in the Believers Church Bible Commentary series scholars Debra J Bucher and

Estella Boggs Horning examine at great length one important aspect of Hebrews Jesus as the new covenant and the once for all better sacrifice who replaces the daily and yearly temple offerings in Jerusalem The authors also consider how this idea has been used to minimize other religious traditions and even to legitimize the horrors of the mid 20th century They carefully unpack the language around sacrifice and covenant based on the saving work of Jesus drawing out encouragement found in Hebrews to live as individuals and as a community led by Jesus the pioneer and high priest Bucher and Horning don't shy away from the difficult language in Hebrews Instead they draw out its historical context and help readers understand how to use the text with love within our own About the Believers Church Bible Commentary series This readable commentary series is for all who seek more fully to understand the original message of Scripture and its meaning for today Sunday school teachers members of Bible study groups students pastors and other seekers From the Series Foreword

Seeing the Lord's Glory Christopher B. Kaiser, 2014 The dilemma of early Christology Kaiser observes is found in the early Christian claims to have seen the Lord and beheld his glory expressions that in early Judaism would have pointed unequivocally to visions of Israel's God The shift of those claims onto the figure of Jesus is usually explained either as a result of the resurrection of Jesus presumed as a historical event or on the influence of pagan polytheism Kaiser examines the phenomenon of kyriocentric visions in Second Temple Judaism asking whether such traditions are sufficient to account for the shape of early claims regarding the divinity of Christ

The Collected Works of James I. Wedgwood James Ingall Wedgwood, 2007-03-31 All of the published religious works of James I Wedgwood Contains The Larger Meaning of Religion The Presence of Christ in the Holy Communion New Insights Into Christian Worship Meditation for Beginners The Facts Regarding the Episcopal Succession in the Liberal Catholic Church The Lambeth Conference and the Validity of Archbishop Mathew's Orders and The Beginnings of the Liberal Catholic Church

Portraits of the Righteous in the Psalms Daniel C. Owens, 2013-08-23 What have the Psalms to do with ethics Readers prize the Psalter for its richly theological prayers but into these prayers are woven a variety of ethical issues This book explores the ethics of the Psalter by examining the four portraits of the righteous person that punctuate Book I It begins by studying these psalms as individual compositions and then employs both the canonical approach and dialogic criticism to identify the complex relationship between the portraits vision of the righteous life and its outcome Does the righteous person enjoy security and the good life The answer may be surprising but joining the psalmist on the rocky path of the interface of faith and experience is certain to prove a formative experience
