Northern Light Nordic Art At The Turn Of The Century:

Northern Light Kirk Varnedoe, 1982 *Beyond the Light: Identity and Place in Nineteenth-Century Danish Art* Freyda Spira, Stephanie Schrader, Thomas Lederballe, 2023-01-24 Though known as the Danish Golden Age nineteenth century Denmark was one of the most tumultuous periods in the nation's history from the disastrous siege of Copenhagen and the collapse of Denmark's monarchy to the swelling tide of nationalism that eventually engulfed all of Europe This volume places artists at the center of Denmark's dramatic cultural political and philosophical transformation by bringing together 90 drawings paintings and oil sketches by Christoffer Wilhelm Eckersberg Christen Købke Constantin Hansen Martinus Rørbye Johan Thomas Lundbye Vilhelm Hammershøi and others Five thematic essays by leading scholars in Denmark and the United States explore the way Danish artists manifested the pride traditions and anxieties of their nation the sea's ever changing role as a marker of Danish identity the evolving nature of portraiture nostalgia for the Danish landscape and folk traditions and the influence on Danish artists of their travels throughout Europe **Sculpture and the Nordic Region** Elettra Carbone, 2017-07-05 Histories of sculpture within the Nordic region are under studied and the region's influence upon and translation of influences from elsewhere in Europe remain insufficiently traced This volume brings to light individual histories of sculptural mobility from the early modern period onwards Examining the movement of sculptures sculptors practices skills styles and motifs across borders through studios and public architectures within popular and print culture and via texts the essays collected here consider the extent to which the sculptural artwork is changed by its physical movement and its transfigurations in other media How does the meaning and form of these objects performatively respond to the pressure of their relocations and rematerialisations Conversely how do sculptures impact their new contexts of display The contributing authors engage with a wide variety of objects and media in their essays Each focuses on the contextualisation of sculpture in an original and timely way exploring how mobility acts as a filter offering new perspectives on iconography memorialisation collecting iconoclasm and exhibiting From the stave churches of early Norway to the decoration of International Style monoliths of the twentieth century from Italian quarries to Baroque palaces from fountains to figurines from text to performance these wide ranging and fascinating case studies contribute to the rich history of the Nordic region's sculptural production *Nationalism and the Nordic Imagination* Michelle Facos, 1998-04-10 Taking an interdisciplinary approach Michelle Facos links the social and cultural dynamics in turn of the century Sweden to the discourses of primitivism nationalism and symbolism In the process she sheds new light on a major area of study the manifestation of modernism in Sweden These painters among them Carl Larsson Anders Zorn Bruno Liljefors and Prince Eugen sought to produce a specifically national Swedish art They focused on indigenous history legends and folk tales as well as customs values geography and ethnography anything they perceived as uniquely or typically Swedish Politically progressive and culturally conservative the National Romantic artists protested against the dangers they perceived in

capitalist industrialism and urban expansion and promoted an egalitarian ideology centered on the Swedish Nordic native culture

Nordic Modernism William C Miller, 2016-08-31 Modernism was instrumental in the development of twentieth and twenty first century Scandinavian architecture for it captured a progressive urbane character that was inextricably associated with and embraced the social programmes of the Nordic welfare states Recognized internationally for its sensitivity and responsiveness to place and locale and its thoughtful use of materials and refined detailing Nordic architecture continues to evolve and explore its modernist roots This new book covers the romantic and classical architectural foundations of Nordic modernism the development of Nordic Functionalism the maturing and expansion of Nordic modern architecture in the post war period international influences on Scandinavian modernism at the end of the twentieth century and finally the global and local currents found in contemporary Nordic architecture Superbly illustrated with 100 colour images

An International Annotated Bibliography of Strindberg Studies 1870-2005: Autobiographies, novels, poetry, letters, historical works, natural history and science, linguistics, painting and the other arts, politics, psychopathology, biography, miscellaneous, dissertations Michael Robinson, 2008 This copiously annotated bibliography documents and examines the whole range of commentary on Strindberg's works and activity in many fields besides the plays for which he is internationally best known These include his prose fiction and poetry his work as an historian and natural historian and his relationship to the other arts most notably his painting It is concerned with both lasting works of literary and dramatic criticism as well as reviews of his books and plays in the theatre and some more ephemeral material all of this in several languages Organised generically and by subject and individual work the bibliography enables the reader to trace the changing impact of Strindberg and his works in various countries and during different periods It is thus very much a study in reception as well as a bibliographical record of published material It traces the developing image of Strindberg and his writing both during his lifetime and in subsequent years and with frequent cross reference offers a comprehensive overview of a literary and existential project that has rarely been matched for its multifaceted diversity The bibliography is published in three parts Volume 1 General Studies 978 0 947623 81 4 and Volume 2 The Plays 978 0 947623 82 1 are also now available Michael Robinson is Emeritus Professor of Drama and Scandinavian Studies at the University of East Anglia Norwich

Nature-based Tourism in Peripheral Areas Colin Michael Hall, Stephen W. Boyd, 2005-01-01 Nature based Tourism in Peripheral Areas provides a comprehensive examination of this form of tourism development as it occurs within alpine forest sub polar island coastal and marine environments This book goes beyond much of the debate surrounding ecotourism and the impacts of tourism in vulnerable environments to place nature based tourism in a wider regional context particularly when for many peripheral regions tourism remains one of the key opportunities for economic development Therefore a central theme that is present throughout many of the chapters is the role that nature based tourism can play as the catalyst for larger regional development of regions The book will serve as essential reading to senior undergraduate and

postgraduate students taking courses in tourism and related degrees where the major focus is on tourism that occurs within peripheral regions It will also serve as a key reference to researchers and professionals interested in the role of tourism as a regional development tool *The Baltic and the North Seas* Merja-Liisa Hinkkanen, David Kirby, 2013-06-17 Exploring the themes of the human relationship with the marine environment and the ways in which the peoples of Northern Europe have experienced and exploited their seas this book reveals how human perception of the northern seas has changed over time Drawing on a wide variety of sources from Denmark and Britain to Norway Finland and Germany *The Baltic and the North Seas* is an insightful and colourful history of the politics economy and culture of this intriguing region Knut Hamsun Monika Žagar, 2011-07-01 Awarded the Nobel Prize for Literature in 1920 Knut Hamsun 1859 1952 was a towering figure of Norwegian letters He was also a Nazi sympathizer and supporter of the German occupation of Norway during the Second World War In 1943 Hamsun sent his Nobel medal to Third Reich propaganda minister Joseph Goebbels as a token of his admiration and authored a reverential obituary for Hitler in May 1945 For decades scholars have wrestled with the dichotomy between Hamsun's merits as a writer and his infamous ties to Nazism In her incisive study of Hamsun Monika Žagar refuses to separate his political and cultural ideas from an analysis of his highly regarded writing Her analysis reveals the ways in which messages of racism and sexism appear in plays fiction and none too subtle nonfiction produced by a prolific author over the course of his long career In the process Žagar illuminates Norway's changing social relations and long history of interaction with other peoples Focusing on selected masterpieces as well as writings hitherto largely ignored Žagar demonstrates that Hamsun did not arrive at his notions of race and gender late in life Rather his ideas were rooted in a mindset that idealized Norwegian rural life embraced racial hierarchy and tightly defined the acceptable notion of women in society Making the case that Hamsun's support of Nazi political ideals was a natural outgrowth of his reactionary aversion to modernity Knut Hamsun serves as a corrective to scholarship treating Hamsun's Nazi ties as unpleasant but peripheral details in a life of literary achievement *Dagny* Mary Kay Norseng, 2018-03-23 A love goddess who was imprisoned and betrayed by love a wife who returned again and again to her childhood home a mother who left her children a writer who preferred silence Dagny Juel Przybyszewska existed in a borderland between myth and reality Born into an upper class Norwegian family in 1867 she died at the age of thirty three estranged from everyone and everything she had known shot by a neurotic young man in a hotel room in Tiflis near the Black Sea He wrote She was not of this world she was far too ethereal for anyone to understand her true nature Dagny Juel was one of four beautiful and talented daughters of a prominent doctor who was attendant physician to the king of Sweden In 1893 she went to Berlin to study piano and soon she became the central figure in an avant garde group of writers painters and patrons of the arts known as *Zum schwarzen Ferkel* The Black Piglet She was painted by Edvard Munch and was the model for the destructive woman of many of Strindberg's writings In the Berlin circle she met and married the brilliant mercurial Polish writer Stanislaw Przybyszewski But Dagny was more than

the mysterious and provocative muse of two of the major European cultural centers Berlin and Krakow She herself wrote revolutionary plays and poetry and acted as cultural agent for Scandinavian artists on the Continent During her lifetime her plays and poems were published in Norwegian Polish and Czech and a collection of her plays came out in Norway as recently as 1978 At once an engrossing elegantly narrated biography and a work of meticulous scholarship Mary Kay Norseng's book is the first full length study in English to examine Dagny's writings and to explore her relationships Attempting to sort fact from the sensationalized fiction that has grown up around this remarkable woman Norseng has consulted all available letters and memoirs of Dagny her husband her family and her acquaintances as well as Dagny's own writings and the wealth of material written about her The book resulting from this intensive study will change the way the world has viewed Dagny Przybyszewska while it provides new insights into the literary and artistic environment of fin de siècle Europe
