

Northern Light

John William Donaldson

Northern Light:

The Northern Light A. Brekke, A. Egeland, 2012-12-06 In Nordic literature a remarkable discussion of the northern light appears in Kongespeilet The King's Mirror a thirteenth century Norwegian chronicle It is described in vivid detail as the following translated excerpts demonstrate These northern lights have this peculiar nature that the darker the night is the brighter they seem and they always appear at night but never by day most frequently in the densest darkness and rarely by moonlight In appearance they resemble a vast flame of fire viewed from a great distance It also looks as if sharp points were shot from this flame up into the sky these are of uneven height and in constant motion now one now another darting highest and the light appears to blaze like a living flame Three different theories for the origin of the northern light were suggested in this book Numerous naturally occurring heavenly phenomena have been observed and enjoyed as long as the Earth has been inhabited but hardly any of them has stirred man's imagination curiosity and fear as much as the northern light The northern light is certainly one of the most spectacular of nature's phenomena *Northern Light* Roy MacGregor, 2011-09-06 NATIONAL BESTSELLER FINALIST FOR THE OTTAWA BOOK AWARD FOR NON FICTION Roy MacGregor's lifelong fascination with Tom Thomson first led him to write *Canoe Lake* a novel inspired by a distant relative's affair with one of Canada's greatest painters Now MacGregor breaks new ground re-examining the mysteries of Thomson's life loves and violent death in the definitive non-fiction account Why does a man who died almost a century ago and painted relatively little still have such a grip on our imagination The eccentric spinster Winnie Trainor was a fixture of Roy MacGregor's childhood in Huntsville Ontario She was considered too odd to be a truly romantic figure in the eyes of the town but the locals knew that Canada's most famous painter had once been in love with her and that she had never gotten over his untimely death She kept some paintings he gave her in a six quart basket she'd leave with the neighbours on her rare trips out of town and in the summers she'd make the trip from her family cottage where Thomson used to stay on foot to the graveyard up the hill where fans of the artist occasionally left bouquets There she would clear away the flowers After all as far as anyone knew he wasn't there she had arranged at his family's request for him to be exhumed and moved to a cemetery near Owen Sound As Roy MacGregor's richly detailed *Northern Light* reveals not much is as it seems when it comes to Tom Thomson the most iconic of Canadian painters Philandering deadbeat or visionary artist and gentleman victim of accidental drowning or deliberate murder the man's myth has grown to obscure the real view and the answers to the mysteries are finally revealed in these pages **Northern Light** Chris Goldie, Darcy White, 2018-04-15 These essays confirm the continued relevance of north as a site of cultural practice and artistic endeavour If northern regions are tangible realities the place of varied topography light climate and biogeography the location of distinct peoples and culture typically they have been depicted through the traditions of northern landscape representation and the cultural narratives of an era These discussions focusing on Scotland Northern England Northern Europe Siberia the Arctic and Nordic lands by photographic practitioners as well as theorists

explore and question this tradition considering landscape as experience reinterpreting notions of wilderness emptiness and the sublime

Northern Light The Cistercian Nuns of Tautra Mariakloster, 2020-09-15 For at least eight centuries the Norwegian island of Tautra in the Trondheim fjord has been known for its spiritual waves and special light In the Middle Ages Cistercian monks established the northernmost monastery of the Order living God centered lives and developing skills such as land use and animal husbandry until the Reformation In 1999 Cistercian nuns reestablished Tautra Mariakloster the monastery of Our Lady of the Safe Island Visitors to the modern monastery distinguished by its glass roofed church quickly sense the silence peace and light of the place Four of the women who live at Tautra have contributed to this volume of monastic wisdom from the north They write of their experiences as monastics living close to the land sky and water on this island following the liturgical year of the monastery with its enduring rhythm while experiencing the changing seasons and landscape that help to shape their life of faith and light Includes color photos The nuns of Tautra Mariakloster are a group of women from eight countries who have been called to monastic life at Tautra in central Norway

[Northern Lights](#) Jason Byassee, 2020-11-04 You may have heard that churches in Europe are vanishing Yet church growth in London has been steady for decades fueled by such innovations as Alpha and Fresh Expressions What about outside the capital Some both inside and outside the church say churches cannot grow But here they are growing churches in the north of England of all places This is not only a story about England It is about growing churches wherever you've heard they can't grow God is always up to something precisely where we think God shouldn't be
