Barnard, 1990 *Come for Arbutus*, Sara Louisa Oberholtzer, 1882 *So Close* Hélène Cixous, 2009 In *So Close* the internationally renowned writer Hélène Cixous recounts a return to her native Algeria after a more than thirty year absence Before she can decide to go she must sift through large parts of her past in a land where she never felt at home and from a young age knew she must leave Above all she must confront the depths of her mother s rejection of the country that had rejected her despite years of devotion to the poor women of Algiers As she is struggling with this decision she receives a message from Zohra Drif with whom she has had no contact since their school days which was just before Zohra joined the Algerian FLN and become a heroine in the uprising against French rule in her homeland They meet in Paris for the first time in more than fifty years and soon afterward the narrator departs for Algiers The latter part of the narrative brings a rush of sensations impressions memories and new encounters as the narrator revisits sites from her past in Algiers and especially in Oran the city of her birth the city of the family s happiness before her father s death when she was a young girl The quest to find his grave again in the overgrown Jewish cemetery of Algiers leads to a startlingly moving scene that closes the voyage and the book *Between Israel and God* Jacob Neusner, 2000 The Halakhah embodies the complete Jewish Law and contains commandments and guidelines for day to day living The original commandments given by God to the Jewish people were enhanced by rabbis to offer a detailed framework to guide the lives of all Jews In this complete all encompassing encyclopaedia of the Halakhah the various laws are classified in such a way that a systematic and coherent structure is obtained Each entry of the Halakhah is presented in a logical fashion Where applicable the original biblical wording is given extended with literal abstracts from the Torah Next problems and questions that may arise from that law are stated and any

additional information given Finally each entry gives comprehensive explanations and recommendations as to how these laws are to be observed in daily life where to be and where not to be what to do and what not to do what to say and what not to say The Halakhah or standard Jewish Law combines the Mishnah about 200 CE the Tosefta about 300 CE and the two Talmuds about 400 600 CE for the Land of Israel and Babylon respectively Volumes I and II contain entries pertaining to the Jewish people in relationship to God Volume III explains how the Jewish people can restore and maintain their society in accordance with the Torah as it is explained by the rabbis In Volumes IV and V of this study we take up the life of the Jewish household in their encounter with God The Encyclopaedic account therefore moves from regulating relationships between Israel and God to establishing stable and equitable relationships among Israelites and finally to actually living the Halakhah
