Peace Bible Words From The Great Traditions:

The Peace Bible Steven Scholl,2002-05 Interpreting Scripture with the Great Tradition Craig A. Carter,2018-04-17

The rise of modernity especially the European Enlightenment and its aftermath has negatively impacted the way we understand the nature and interpretation of Christian Scripture In this introduction to biblical interpretation Craig Carter evaluates the problems of post Enlightenment hermeneutics and offers an alternative approach exegesis in harmony with the Great Tradition Carter argues for the validity of patristic christological exegesis showing that we must recover the Nicene theological tradition as the context for contemporary exegesis and seeks to root both the nature and interpretation of Scripture firmly in trinitarian orthodoxy Nonviolence and Peace Psychology Daniel Mayton,2009-05-28 Recent trends and events worldwide have increased public interest in nonviolence pacifism and peace psychology as well as professional interest across the social sciences Nonviolence and Peace Psychology assembles multiple perspectives to create a more comprehensive and nuanced understanding of the concepts and phenomena of nonviolence than is usually seen on the subject Through this diverse literature spanning psychology political science religious studies anthropology and sociology peace psychologist Dan Mayton gives readers the opportunity to view nonviolence as a body of principles a system of pragmatics and a strategy for social change This important volume Draws critical distinctions between nonviolence pacifism and related concepts Classifies nonviolence in terms of its scope intrapersonal interpersonal societal global and pacifism according to political and situational dimensions Applies standard psychological concepts such as beliefs motives dispositions and values to define nonviolent actions and behaviors Brings sociohistorical and cross cultural context to peace psychology Analyzes a century s worth of nonviolent social action from the pathbreaking work of Gandhi and King to the Courage to Refuse movement within the Israeli armed forces Reviews methodological and measurement issues in nonviolence research and suggests areas for future study Although more attention is traditionally devoted to violence and aggression within the social sciences Nonviolence and Peace Psychology reveals a robust knowledge base and a framework for peacebuilding work granting peace psychologists activists and mediators new possibilities for the transformative power of nonviolence **The Peace Bible** Steven Scholl,1986-01-01 **Theology from the Great Tradition** Steven D. Farstad,2014-04-08 In 1975 the boldest most extensive project in modern Bible publishing history began 130 Bible scholars pastors and communicators gathered with one goal in mind to preserve the accuracy authority and beauty of the King James Version while updating the language for modern readers This book offers an insightful glance into the history of this event as only the Executive Editor Arthur L Farstad can tell If you ve ever thought that a room full of biblical scholars sorting through Hebrew and Greek was boring then think again Revealing the pain staking progress that each member of the committee made over the seven year process three distinct sections guide the reader through the purpose of the NKJV translation Part One Accuracy Part Two Beauty Part Three Completeness **The Great Tradition** Edwin Greenlaw,James Holly Hanford,1919 **Children of the Waters of Meribah** Allan Boesak,2019-10-30 In the decades since Black liberation theology burst onto the scene it has turned the world of church society and academia upside down It has changed lives and ways of thinking as well But now there is a question What lessons has Black theology not learned as times have changed In this expansion of the 2017 Yale Divinity School Beecher Lectures Allan Boesak explores this question If Black liberation theology had taken the issues discussed in these pages much more seriously struggled with them much more intensely thoroughly and honestly would it have been in a better position to help oppressed black people in Africa the United States and oppressed communities everywhere as they have faced the challenges of the last twenty five years In a critical self critical engagement with feminist and especially African feminist theologians in a trans disciplinary conversation Allan Boesak as Black liberation theologian from the Global South offers tentative but intriguing responses to the vital questions facing Black liberation theology today particularly those questions raised by the women **A Reader's Guide** Eunice Braun,1986 **Carrying on the Great Tradition** Jennifer Dunham,2012-03-15 The rich history of the church is built on the shoulders not only of men but also on countless women

most of whose stories are rarely told The lives of such women testify to the power of the gospel to shatter the barriers that divide us by gender socioeconomic status and ethnicity In *Carrying On the Great Tradition* you will meet six heroic women Their stories represent only a miniscule portion of the cloud of witnesses that surrounds us women and men who have answered God's call no matter the cost **The Publishers Weekly** ,1995 **The Ramseyer-Northern Bible Society Museum Collection Bibliography** Donald J.
