Pearl Harbor The Verdict Of History Gordon W. Prange, 1986 *Air Force Journal of Logistics*, 2005

Information at Sea Timothy S. Wolters, 2013-11-01 This is the first book to explore information management at sea as practiced by the U S Navy from the Civil War to World War II The brain of a modern warship is its combat information center CIC Data about friendly and enemy forces pour into this nerve center contributing to command decisions about firing maneuvering and coordinating Timothy S Wolters has written the first book to investigate the history of the CIC and the many other command and control systems adopted by the U S Navy from the Civil War to World War II What institutional ethos spurred such innovation *Information at Sea* tells the fascinating stories of the naval and civilian personnel who developed an array of technologies for managing information at sea from signal flares and radio to encryption machines and radar Wolters uses previously untapped archival sources to explore how one of America s most technologically oriented institutions addressed information management before the advent of the digital computer He argues that the human machine systems used to coordinate forces were as critical to naval successes in World War II as the ships and commanders more familiar to historians

48 Liberal Lies About American History Larry Schweikart, 2008-09-04 A historian debunks four dozen PC myths about our nation s past Over the last forty years history textbooks have become more and more politically correct and distorted about our country s past argues professor Larry Schweikart The result he says is that students graduate from high school and even college with twisted beliefs about economics foreign policy war religion race relations and many other subjects As he did in his popular *A Patriot s History of the United States* Professor Schweikart corrects liberal bias by rediscovering facts that were once widely known He challenges distorted books by name and debunks forty eight common myths A sample The founders wanted to create a wall of separation between church and state Lincoln issued the Emancipation Proclamation only because he needed black soldiers Truman ordered the bombing of Hiroshima to intimidate the Soviets with atomic diplomacy Mikhail Gorbachev not Ronald Reagan was responsible for ending the Cold War America s past though not perfect is far more admirable than you were probably taught

A History of Japan K. Henshall, 2004-09-17 In a rare combination of comprehensive coverage and sustained critical focus this book examines Japanese history in its entirety to identify the factors underlying the nation s progression to superpower status Japan s achievement is explained not merely in economic terms but at a more fundamental level as a product of historical patterns of response to circumstance Japan is shown to be a nation historically impelled by a pragmatic determination to succeed The book also highlights unresolved questions and little known facts

Storm Clouds over the Pacific, 1931-1941 Peter

Harmsen,2020-01-10 An excellent primer about World War II in Asia prior to the involvement of the United States part one of a fascinating history trilogy New York Journal of Books War in the Far East is a trilogy of books offering the most complete narrative yet written about the Pacific Theater of World War II and the first truly international treatment of the epic conflict Historian Peter Harmsen weaves together a complex and revealing narrative including facets of the war that are often overlooked in historic narratives He explores the war in subarctic conditions on the Aleutians details the mass starvations in China Indochina and India and offers a range of perspectives on the war experience from the Oval Office to the blistering sands of Peleliu Storm Clouds Over the Pacific begins the story long before Pearl Harbor showing how the war can only be understood if ancient hatreds and long standing geopolitics are taken into account Harmsen demonstrates how Japan and China s ancient enmity led to increased tensions in the 1930s which in turn exploded into conflict in 1937 The battles of Shanghai and Nanjing were followed by the Battle of Taierzhuang in 1938 China s only major victory A war of attrition continued up to 1941 the year when Japan made the momentous decision to pursue all out war The infamous attack on Pearl Harbor catapulted the United States into the war as the Japanese also overran British and Dutch territories throughout the western Pacific *Cryptology and the Winds Message Controversy* Robert J. Hanyok,2008 **The Official Chronology of the U.S. Navy in World War II** Robert J Cressman,2016-10-15 Ten years after the close of World War II the U S Navy published a chronology of its operations in the war Long out of print the work focused on what were then defined as critical and decisive events It ignored a multitude of combat actions as well as the loss or damage of many types of U S ships and craft particularly auxiliaries amphibious ships and district craft and entirely omitted the U S submarine campaign against Japanese shipping This greatly expanded and updated study now available in paperback with an index goes far beyond the original work drawing on information from more than forty additional years of historical research and writing Massive but well organized it addresses operational aspects of the U S Navy s war in every theater **Decisive Campaigns of the Second World War** John Gooch,2012-11-12 Success or defeat in the Second World War turned less on winning or losing battles than on winning or losing campaigns This volume reassesses the importance of seven major campaigns for the outcome of the war The authors examine a wide range of factors which influence success or failure including strategic planning logistics combat performance command and military intelligence This book represents a novel contribution to the study of the Second World War
