Memoirs of a Breton Peasant Jean-Marie Deguignet, 2011-10-18 A fascinating document of an extraordinary life. *Memoirs of a Breton Peasant* reads with the liveliness of a novel and bristles with the vigor of an opinionated autodidact from the very lowest level of peasant society. Brittany during the nineteenth century was a place seemingly frozen in the Middle Ages, backwards by most French standards; formal education among rural society was either unavailable or dismissed as unnecessary, while the church and local myth defined most people's reasoning and motivation. Jean-Marie Deguignet is unique not only as a literate Breton peasant but in his skepticism for the church, his interest in science, astronomy, and languages, and for his keen, often caustic observations of the world and people around him. Born into rural poverty in 1834, Deguignet escapes Brittany by joining the French Army in 1854, and over the next fourteen years he fights in the Crimean War, attends Napoleon III's coronation ceremonies, supports Italy's liberation struggle, and defends the hapless French puppet emperor Maximilian in Mexico. He teaches himself Latin, French, Italian, and Spanish and reads extensively on history, philosophy, politics, and literature. He returns home to live as a farmer and tobacco seller, eventually falling back into dire poverty. Throughout the tale, Deguignet's freethinking, almost anarchic views put him ahead of his time and often sadly for him, out of step with his contemporaries. Deguignet's voluminous journals, nearly 4,000 pages in

total were discovered in a farmhouse in Brittany a century after they were written This narrative was drawn from them and became a surprise bestseller when published in France in 1998

THE KREUTZER SONATA AND OTHER STORIES

,2017-04-23 On comparing with the original Russian some English translations of Count Tolstoi s works published both in this country and in England I concluded that they were far from being accurate The majority of them were retranslations from the French and I found that the respective transitions through which they had passed tended to obliterate many of the beauties of the Russian language and of the peculiar characteristics of Russian life A satisfactory translation can be made only by one who understands the language and SPIRIT of the Russian people As Tolstoi s writings contain so many idioms it is not an easy task to render them into intelligible English and the one who successfully accomplishes this must be a native of Russia commanding the English and Russian languages with equal fluency The story of Ivan the Fool portrays Tolstoi s communistic ideas involving the abolition of military forces middlemen despotism and money Instead of these he would establish on earth a kingdom in which each and every person would become a worker and producer The author describes the various struggles through which three brothers passed beset as they were by devils large and small until they reached the ideal state of existence which he believes to be the only happy one attainable in this world On reading this little story one is surprised that the Russian censor passed it as it is devoted to a narration of ideas quite at variance with the present policy of the government of that country

The Kreutzer Sonata and Other Stories Leo Tolstoy,1985-09-26 The Kreutzer Sonata is the self lacerating confession of a man consumed by sexual jealousy and eaten up by shame and eventually driven to murder his wife The story caused a sensation when it first appeared and Tolstoy s wife was appalled that he had drawn on their own experiences together to create a scathing indictment of marriage The Devil centring on a young man torn between his passion for a peasant girl and his respectable life with his loving wife also illustrates the impossibility of pure love The Forged Coupon shows how an act of corruption can spiral out of control and After the Ball examines the abuse of power Written during a time of spiritual crisis in Tolstoy s life these late stories reflect a world of moral uncertainties

Master and Man, and Other Stories graf Leo Tolstoy,1977 Three stories from the last two decades of Tolstoy s life deal with men s discovery of the basic truths of life and with the activities of the Russian army in the Caucasus

Family Happiness and Other Stories Leo Tolstoy,2012-03-12 Rich in detail shrewdly observed and vividly narrated these 6 tales include Three Deaths The Three Hermits The Devil Father Sergius Master and Man and the title story

Cavalleria Rusticana and Other Stories

Giovanni Verga,2006-03-30 The stories of Giovanni

Verga 1840 1922 are wonderful evocations of ordinary Italian life focusing in particular on his native Sicily In an original and dynamic prose style he portrays such eternal human themes as love honour and adultery with rich and colourful language The inspiration for Mascagni s opera Cavalleria Rusticana depicts a young man s triumphal return home from the army spoilt when he learns that his beloved is engaged to another man Verga s acute awareness of the hardships and aspirations of peasant life can be seen in stories such as Nedda Picturesque Lives and Black Bread while others such as The Reverend and Don Licciu Papa show the dominance of the church and the law in the Sicilian communities he portrays so vividly

The Idiot And Other Stories Fyodor Dostoyevsky, 2020-09-28 Towards the end of November during a thaw at nine o clock one morning a train on the Warsaw and Petersburg railway was approaching the latter city at full speed The morning was so damp and misty that it was only with great difficulty that the day succeeded in breaking and it was impossible to distinguish anything more than a few yards away from the carriage windows Some of the passengers by this particular train were returning from abroad but the third class carriages were the best filled chiefly with insignificant persons of various occupations and degrees picked up at the different stations nearer town All of them seemed weary and most of them had sleepy eyes and a shivering expression while their complexions generally appeared to have taken on the colour of the fog outside When day dawned two passengers in one of the third class carriages found themselves opposite each other Both were young fellows both were rather poorly dressed both had remarkable faces and both were evidently anxious to start a conversation If they had but known why at this particular moment they were both remarkable persons they would undoubtedly have wondered at the strange chance which had set them down opposite to one another in a third class carriage of the Warsaw Railway Company One of them was a young fellow of about twenty seven not tall with black curling hair and small grey fiery eyes His nose was broad and flat and he had high cheek bones his thin lips were constantly compressed into an impudent ironical it might almost be called a malicious smile but his forehead was high and well formed and atoned for a good deal of the ugliness of the lower part of his face A special feature of this physiognomy was its death like pallor which gave to the whole man an indescribably emaciated appearance in spite of his hard look and at the same time a sort of passionate and suffering expression which did not harmonize with his impudent sarcastic smile and keen self satisfied bearing He wore a large fur or rather astrachan overcoat which had kept him warm all night while his neighbour had been obliged to bear the full severity of a Russian November night entirely unprepared His wide sleeveless mantle with a large cape to it the sort of cloak one sees upon travellers during the winter months in Switzerland or North Italy was by no means adapted to the long cold journey through Russia from Eydkuhnen to St Petersburg The wearer of this cloak was a young fellow also of about twenty six or twenty seven years of age slightly above the middle height very fair with a thin pointed and very light coloured beard his eyes were large and blue and had an intent look about them yet that heavy expression which some people affirm to be a peculiarity as well as evidence of an epileptic subject His face was decidedly a pleasant one for all
