Ever After High: Raven Queen's Story Shannon Hale, 2013-07-30 Raven Queen the daughter of the Evil Queen is destined to give the poisoned apple to Snow White's daughter But Raven has a spark of rebelliousness in her heart and she knows one thing for sure evil is so not her style Read all about her getting ready to return to Ever After High in this excerpt from the upcoming book *The Storybook of Legends* **That's so Raven: Queen of Hearts - #18** Jasmine Jones, 2006-11-21 Chelsea learns that Devon's father is getting remarried and moving the entire family to Seattle but Devon is too scared to tell Raven Chelsea breaks the news to her best friend who rushes to the wedding chapel but it's too late Devon tells Raven that even though it will be hard to move he wants his dad to be happy She agrees and says a sad goodbye to him Plus Raven sticks up for a foreign exchange student Tendaji when he's being picked on at school and almost ends up marrying him [Wolves and Ravens Book 2: Choice](#) Richard Spegal, 2024-08-15 The end Is coming Queen Qian is missing and presumed dead and the demon has obliterated everything in its path Despite this the new alliance between Raven's Realm and the Eastern Kingdom seems to be off to a promising start Unfortunately there are those working from within to tear it all down The seemingly sudden disappearance of the demon removes the common threat and encourages others to make their move Meanwhile Qian and Ktar must complete their mission to learn the terrible truth about the dark influence spreading throughout their world The more difficult task will be getting anyone to listen Along the way they meet a strange survivor of an unknown tragedy who displays both amazing abilities and abject terror of the world around her Gabriella wakes up after being cast down as a mortal with no knowledge of the world around her or even her own body The former Angel of Voice has been rendered mute As her thoughts settle she understands everything about the truth of the world she had always been watching but what difference does it make In the second installment of the Wolves and Ravens trilogy [Wolves and Ravens - Book 1](#) Richard Spegal, 2023-11-15 The Great War Has Ended The thousand years following the Great War and the writing of the First Law were not always peaceful but nothing could compare to the slaughter that came before The three races continued to make their way through the world in relative prosperity even after the separation of the Eastern Kingdom over five hundred years prior The horrors of the Great War faded into the annals of history except for a single problem It was all a lie Distrust of the ravens was beginning to spread from an unknown source The disappearances were growing more frequent and were joined by even darker rumors Through all this the Raven Queens continued to research the truth for centuries How do you prove a lie with no evidence How do you find evidence from a thousand years ago What really happened How did the Great War truly end Queen N'feng knows she will not live to see the answers but knows they are running out of time All she can do is prepare the way for her child prodigy of a daughter A seven year old Princess who cares more about complaining and hiding from her training than she does about the state of the world It will be up to Princess Qian's Wolf Protector to keep her on the proper path The true road to being the

[The Black Bird Oracle](#) Deborah Harkness, 2025-05-06 1 NEW YORK TIMES BESTSELLER Diana Bishop journeys to the darkest places within herself and her family history in the highly anticipated fifth novel of the beloved All Souls series, hailed as your next favorite fantasy read. Harper's Bazaar The Black Bird Oracle deftly explores the nexus of memory, history, and parenthood; the magic pain and promises mothers pass onto their children. Jodi Picoult Deborah Harkness first introduced the world to Diana Bishop, an Oxford scholar and witch and vampire geneticist, Matthew de Clermont, in *A Discovery of Witches*. Drawn to each other despite long-standing taboos, these two otherworldly beings found themselves at the center of a battle for a lost enchanted manuscript known as Ashmole 782. Since then, they have fallen in love, traveled to Elizabethan England, dissolved the Covenant between the three species, and awoken the dark powers within Diana's family line. Now Diana and Matthew receive a formal demand from the Congregation: They must test the magic of their seven-year-old twins, Pip and Rebecca. Concerned with their safety and desperate to avoid the same fate that led her parents to spellbind her, Diana decides to forge a different path for her family's future and answers a message from a great aunt she never knew existed: Gwyneth Proctor, whose invitation simply reads, "It's time you came home, Diana." On the hallowed ground of Ravenswood, the Proctor family home and under the tutelage of Gwyneth, a talented witch grounded in higher magic, a new era begins for Diana: a confrontation with her family's dark past and a reckoning for her own desire for even greater power if she can let go finally of her fear of wielding it. In this stunning new novel, grand in scope, Deborah Harkness deepens the beloved world of All Souls with powerful new magic and long hidden secrets, and the path Diana finds at Ravenswood leads to the most consequential moments yet in this cherished series.

Apocrypha of the Dark Crusade D. L. Burt, 2012-11-30 In a Gothic galaxy on the verge of oblivion, an ancient race discovers a lost device able to create souls and comes in conflict with those sent to reclaim it. Suppose you had to fight a war in a place you could not go. So you sent warriors protected in specially made armor to do the fighting for you. For thousands of years they fought and died in your name, only to be resurrected and returned again and again, ever engaged in eternal war waged by immortal warriors. Now suppose the device to grant them infinite life has been stolen by your enemy, who now has the power to exist, erase your warriors forever. A science fiction horror story set in the Sixth Millennium, the last book of the Apocrypha trilogy is told in a tense gothic style, immersed in Norse and Egyptian lore. Chronicling the quest for the lost Ark of Souls, Relics of the Realm takes you into an alien civilization on the verge of redemption and resurrection, a culture very similar to our own, and every bit as terrifying. What thing so vile? Good and Evil join forces against it.
