Rawhide Texas:

Rawhide Texas Wayne Gard, 2015-07 What makes a Texan tick The answer can be found not in military and political histories but in the social history of the people of Texas the story of their long heroic battle to conquer challenging conditions as America's frontier pushed westward Pioneer settlers grappled with summer droughts and winter blizzards often fighting for their lives against Comanche Indians or wild animals Unknown diseases killed the livestock Prairie fires destroyed fields and pastures and clouds of grasshoppers devoured crops To beat these odds early settlers had to be as tough as the rawhide they braided into quirts or lariats for only the strong survived All Texans shared in the hard life of the frontier Picture if you will a circuit riding preacher swimming his horse across swollen streams to conduct a camp meeting A doctor as he rides fifty miles or more through rough country to set a broken bone or deliver a baby or a schoolteacher risking her life to protect her pupils during an Indian raid Or a newspaper editor shot in the back for telling the painful truth These and many more were the people who built Texas Wayne Gard portrays them in informal sketches of pioneer life on the Texas frontier illuminating the still emerging Texas character What makes a Texan tick You'll find part of the answer in *Rawhide Texas* **FCC Record** United States.  with rare historical photos **Duval County Tejanos** Alfredo E. Cardenas,2024-10-15 In Texas to hear the words Duval
 County evokes Archie and George Parr politics and corruption But this does not represent the full truth about this South
 Texas county and its Tejano citizens Duval County Tejanos accentuates the significance and meaning of place showcasing
 Tejanos as historical actors not bit players This cultural region comprises la familia las costumbres la fe catolica y las comidas
 And we must not leave out la politica Tejanos were engaged in community life they organized politically cultivated land and
 promoted agriculture livestock raising the local economy churches schools patriotic celebrations and social activities
 Americano newcomers sought to start and develop a trade economy but Mexicanos wanted to make sure they held on to their
 land The Civil War stunted economic and governmental development but did not prevent the population growing in numbers
 and diversity including the arrival of Americanos in more significant numbers Still old time pioneers and newcomers joined
 hands to build a faith community develop schools improve transportation and bring commerce to serve their needs In 1876
 Duval County citizens formally petitioned Nueces County for the opportunity to organize themselves When the railroad rolled
 into the county seat San Diego in 1879 their world changed forever During the last quarter of the nineteenth century the
 Duval County economy exhibited vitality and adaptability sheep and cattle raising and cotton farming anchored and sustained
 the local economy Moreover Texas land programs opened opportunities to previously landless Tejano farmers Duval County
 Tejanos continued to be alarmed as Americanos were cementing their political influence out of proportion to their numbers
 In the 1870s Tejanos pursued organized politics to attain fairness and acquire political power corresponding to their
 population In the twentieth century the political atmosphere intensified as Tejanos pushed forward their agenda of assuming
 their proper role consistent with their numbers Ultimately the Americano actors were replaced by new faces more willing to
 share in the power structure both politically and economically and Tejanos achieved political strength commensurate with
 their numbers Tales of the Old West: B. M. Bower Collection - 45 Titles in One Volume (Illustrated Edition) B. M.
