The Dialectic of Self and Story Robert Durante, 2014-01-14 Informed by selected postmodern theories and cultural criticism this study argues that while American fiction of the 1980s and 1990s bears the outward signs of a return to realism it also evidences recurring themes of postmodernism such as alienation social disintegration personal despair historical dislocation and authorial self reflexivity

The Carver Chronotope G. P. Lainsbury, 2004 First Published in 2004 Routledge is an imprint of Taylor Francis an informa company

Pedagogical Stylistics Michael Burke, Szilvia Csabi, Lara Week, Judit Zerkowitz, 2012-03-29 An exploration of cutting edge international trends in the pedagogy of stylistics illustrating current theory and teaching methods with both empirical data and practical examples

American Culture in the 1970s Will Kaufman, 2009-02-19 The 1970s was one of the most culturally vibrant periods in American history This book discusses the dominant cultural forms of the 1970s fiction and poetry television and drama film and visual culture popular music and style public space and spectacle and the decade's most influential practitioners and texts from Toni Morrison to All in the Family from Diane Arbus to Bruce Springsteen from M A S H to Taxi Driver and from disco divas to Vietnam protesters In response to those who consider the seventies the time of disco polyester and narcissism this book rewrites the critical engagement with one of America's most misunderstood decades

Key Features Focused case studies featuring key texts and influential writers artists directors and musicians Chronology of 1970s American Culture Bibliographies for each chapter and a general bibliography on 1970s Culture 14 black and white illustrations

Carver Across the Curriculum Katherine Ashley, Paul Benedict Grant, 2020-05-15 Raymond Carver's canonical status is secure his short stories appear regularly in all of the major literary anthologies and his fiction and poetry are taught at universities around the world Despite this there are few instructional aids to teaching Carver's work at university level and none that take into account the interdisciplinary nature of many modern university courses Carver Across the Curriculum addresses these needs Drawing on the experiences and expertise of a group of international scholars it presents a variety of innovative interdisciplinary approaches to teaching Carver's work at the undergraduate and postgraduate levels The chapters cover a wide range of disciplines including music creative writing translation humor studies food studies the medical humanities and the visual and performing arts As such the collection serves as a guide and a source of inspiration to instructors and offers readers new insights into Carver's fiction and poetry

Raymond Carver Adam Meyer,1995 An acknowledged master of the short story Raymond Carver 1938 88 excelled at portraying the hardscrabble existence of blue collar workers frustrated and disillusioned by the false promises of the American dream This terrain was well known to Carver who long worked at blue collar jobs to support his family and

personally struggled with the transiency alcoholism economic privation and despair he depicts so poignantly in his fiction At the same time he overcame these obstacles aided by among others the writer John Gardner the editor Gordon Lish and the poet Tess Gallagher to become a major figure in the resurgence of the short story and the revival of realistic writing For collections like *Will You Please Be Quiet Please* *What We Talk About When We Talk about Love* and the magnificent *Cathedral* Carver won honor after honor including nominations for the National Book Award the National Book Critics Circle Award and the Pulitzer Prize And with the 1993 release of Robert Altman's film *Short Cuts* Carver long known to readers of serious fiction attained widespread public recognition Tracing these themes and more is Adam Meyer's *Raymond Carver* which considers more of the writer's fiction and poetry than has any previous book length study Writing with luminous clarity Meyer delves into the biographical elements shaping the writer's career and probes Carver's style and subject matter he then examines the majority of the fictional works organizing his material according to distinct phases in the writer's canon while devoting a separate chapter to Carver's poetry Of special appeal are Meyer's insightful comparison of stories published in multiple versions and his informed discussion of minimalism a term often applied to Carver's writings but Meyer argues only partly if at all with accuracy
