When You Grow Up and Get... Single? Stephanie Huffman, 2010-10-15

From the time we re young we hear the words When you grow up and get married But for some of use that scenario hasn t quite played out as planned Author Stephanie Huffman takes a whimsical honest and sometimes zany look at the life of the single girl in her new book When You Grow Up Get Married Surviving Thriving as a Party of One in a Table for Two Sized World Hear stories of Stephanie and her friends as they learn to navigate together the solo waters of life Stephanie was amazed to learn that a lot of married folks assume that the single set have chosen the solo path That perhaps gals have turned men down left and right and in fact prefer single status over married But that could not be farther from the truth Most if not all of the gals Stephanie will introduce you to in the book have NEVER even been the recipient of a proposal Meet the very first Chix Chat Club members and hear about how you can create one of your own as well Join the fun Download today
