

A photograph of a dirt path leading through a forest. The path is light brown and leads towards a bright light at the end of the path, creating a strong perspective. The trees on either side are tall and thin, with some showing autumn foliage in shades of orange and yellow. The overall scene is somewhat dark and moody, with the path acting as a central focus.

What is to be gained if we are so  
intent in reaching out to the  
unchurched that we then  
unchurch the reached?

**Rick Warren**

## **Reaching Out To The Unchurched:**

**Reaching Out to the Unchurched** Douglas W. Johnson, 1983      *Do They Run When They See You Coming?* Jonathan McKee, 2004 This book educates youth workers and student leaders about teens that aren't making it to church for some reason or another and examines what they think of God of the church and of Christians. It goes further to explore the needs of these individuals, the subgroups they fit into, and the ministry methods they actually respond to.      **The Courage to Be Protestant** David F. Wells, 2008-04 It takes no courage to sign up as a Protestant. These words begin this bold new work, the culmination of David Wells's long-standing critique of the evangelical landscape. But to live as a true Protestant well that's another matter. This book is a jeremiad against new versions of evangelicalism, marketers and emergents, and a summons to return to the historic faith defined by the Reformation: *solas* grace, faith, and Scripture alone, and by a high regard for doctrine. Wells argues that historic classical evangelicalism is marked by doctrinal seriousness, as opposed to the new movements of the marketing church and the emergent church. He energetically confronts the marketing communities and their tendency to try to win parishioners as consumers rather than worshipers, advertising the most palatable environment rather than trusting the truth to be attractive. He takes particular issue with the most popular evangelical movement in recent years, the emergent church. Emergents, he says, are postmodern and postconservative and postfoundational, embracing a less absolute understanding of the authority of Scripture than traditionally held. *The Courage to Be Protestant* is a forceful argument for the courage to be faithful to what Christianity in its biblical forms has always stood for, thereby securing hope for the church's future.      *Sunday School That Really Excels* Steve Parr, 2013-06-13 Adult Sunday school can effectively increase the health of a church and foster community and spiritual formation among its participants. *Sunday School That Really Excels* is a revealing look at actual churches with adult fellowships that not only survive but thrive. No matter the setting or challenges facing your church, this book is highly encouraging and practical. Various authors contribute chapters that blend an illustration of an excellent existing Sunday school ministry with scriptural support and leadership principles to enhance your own church's ministry. Chapters are devoted to particular situations faced by many churches, such as Sunday school in a rural setting, on the heels of a crisis in a multicultural community, among transition to small groups, revitalizing a long-established ministry, and many others. Sunday school expert Steve Parr brings together lessons from the best of the best so that all Sunday school ministries can excel.      **Sunday School That Really Works** Steven R. Parr, 2013-12-10 For those who declare it doesn't work here is a book that can stimulate, encourage, and hopefully correct the problem that many churches and pastors have declared to be the problem. Many have prophesied the demise of Sunday school; however, in this resource, Steve Parr encourages the church to utilize a tool it has used for over a hundred years to be intentionally evangelistic. Fully inundated with proof that Sunday school can bring vitality to your church, *Sunday School that Works* aptly charges the church with reengaging its Great Commission using the tools that it has effectively.      **Reaching a Generation for Christ** Richard

R. Dunn, Mark H. Senter III, 1997-03-05 Things have changed The Truth has not The 1950 s are gone forever The days of the Sunday school attendance award and the much loved Sunday school picnic have faded into oblivion Yet some youth ministries still operate as if today s kids are living in a vacuum unaffected by the changing morals of today s society How can we reach these kids with the truth of the gospel More than fifty of America s youth experts give advice and encouragement to those who long to see this generation know the love of Christ They help readers think through their philosophies of youth ministry break down barriers that impede progress and maximize their own gifts and the gifts of those who work with them They answer tough questions such as How can leaders build a relational youth ministry How can we find and support volunteers What are the issues women face in youth ministry How do we minister in ethnic communities How should we respond to popular culture How can we help hurting adolescents You can have a vibrant youth ministry even in these uncertain times You can reach this generation for Christ     *The Tentmaking Pastor* Dennis W. Bickers, 2000-05-01 Real world guide to the challenges rewards and advantages of bivocational ministry Excellent for individuals and churches exploring pastoring options     **Reaching Out Through Christian Education** Steve Clapp, Jerry O. **The Purpose Driven Church** Rick Warren, 2007-09-04 The issue is church health not church growth if your church is healthy growth will occur naturally So how do we make healthy churches driven by purpose In order for any church to thrive it must be built around the five New Testament purposes given to the church by Jesus Christ In this classic of Christian church stability pastor and bestselling author of The Purpose Driven Life Rick Warren unpacks this proven five part strategy that will enable your church to grow Warmer through fellowship Deeper through discipleship Stronger through worship Broader through ministry Larger through evangelism Every church is driven by something Tradition finances programs personalities events seekers and even buildings can each be the controlling force in a church But Warren will show you how to concentrate on building people and let God build the church In other words healthy consistent growth is the result of balancing the five biblical purposes of the church And The Purpose Driven Church will show you how to do that The Purpose Driven Church has brought focus and direction to more pastors and church leaders than you can count What a gift John Ortberg bestselling author

*Understanding the Principles of Church Growth* Professor Isaac O. Ojutalayo, 2019-04-06 The author of this work Isaac Ojutalayo has done his research on the subject of leadership and church growth The contents of this book are the written evidence The eleven chapters embrace some of the most important and necessary things that leaders should learn and practise whether they are ordained ministers or lay workers in the church The principles he has written about can also be applied in circular organisation This book reveals Dr Isaac Ojutalayo's academic achievement and experimental development He has divided each chapter into readable sections that can be easily discussed and studied The book is suitable for individuals and groups who are called by God to lead His people Dr Isaac Ojutalayo is passionate that leaders be men and women of excellence whether the congregation they lead is large or small He stresses communication generosity honesty and continuing education with the highest level of trust all essential elements of church growth He points out repeatedly that the

church and the world community are suffering from a crisis of leadership that bold and honest leaders are needed in the church and in the marketplace as well as in the home In my analysis he has called for transformational leaders to rise up and effect change It is very clear that he is saying that many leaders work within situations Transformational leaders change what can be talked about whereas many other leaders talk about pay offs Transformational leaders talk about goals Many leaders bargain whereas transformational leaders appeal to a common vision Dr Isaac Ojutalayo argues that desperately needed Christians and transformational leadership will not emerge until we have a model of a transforming leader I believe that Jesus Christ was and is the most effective leader the world has ever known It is with unreserved joy that I recommend this publication to those who are interested in church leadership Professor Clinton L Ryan ThD
