from musicology literary studies and gender studies challenges the conventional historical categories that marginalize women's experience from Austen's time Contesting the distinctions between professional and amateur musicians public and domestic sites of musical production and performers and composers of music the contributors reveal how women's widespread involvement in the Georgian musical scene allowed for self expression artistic influence and access to communities that transcended the boundaries of gender class and nationality This volume's breadth of focus advances our understanding of a period that witnessed a musical flourishing much of it animated by female hands and voices Published by Bucknell University Press Distributed worldwide by Rutgers University Press **Facets of Modernity** Dmitri

Nikulin, 2021-05-11 What does it mean to be human in modernity This book examines being human in its theoretical practical and productive aspects not in abstraction from historical social and political settings but rather as set in concrete historical and material circumstances Through the analysis and close reading of a number of texts of the modern thinkers which include those of Nietzsche Dostoevsky Tolstoy Kracauer Heidegger Benjamin Hans Jonas and Agnes Heller it demonstrates that the complexity and variety of the human experience is grounded in the modern subjectivity which establishes itself as universal rational autonomous and necessary Such a subjectivity is characterised as self legislating or establishing the universal moral law and is further defined by historicity or the interpretation of its actions as conditioned by the previous and current social and political circumstances The book then shows that the multiple facets of modernity make the experience of being human fascinating complicated and ultimately unique Lucretian Receptions in Prose George

Kazantzidis, 2024-09-02 The examination of Lucretian reception in Latin poetry has been served well by scholars Lucretius' presence in later prose writers on the other hand is a topic that warrants more investigation Susanne Gatzemeier's 2013 monograph *Ut ait Lucretius Die Lukrezrezeption in der lateinischen Prosa bis Laktanz* is an invaluable contribution to the topic but by no means exhaustive either in terms of the potential intertextualities it traces or in terms of its interpretive methods and insights At the same time recent studies implicate Lucretius' name in discussions of prose writers who were not that often thought in the past to have engaged with the *De Rerum Natura* in an active way Caesar and Livy but also Vitruvius and Tacitus are some good examples The present volume taps into this discussion and broadens further our understanding of Lucretian reception in prose writers including Cicero Celsus Seneca the Younger Quintilian Pliny the Younger Plutarch and Lactantius Building on the vast scholarship on the significance of Lucretius as a model for later poets the volume sheds new light on the *De Rerum Natura*'s afterlife by looking at its presence in philosophical prose medical writing oratory epistolary writing and Christian theology *Seneca* Lucius Annaeus Seneca, 1992 Plays and translators Octavia Kelly Cherry Hercules Oetaeus Stephen Sandy Oedipus Rachel Hadas The Phoenician Women David Slavitt Hercules Furens Dana Gioia Are there no limits to human cruelty Is there any divine justice Do the gods even matter if they do not occupy themselves with rewarding virtue and punishing wickedness Seneca's plays might be dismissed as bombastic and extravagant answers to

such questions if so much of human history were not Senecan in its absurdity melodrama and terror Here is an honest artist confronting the irrationality and cruelty of his world the Rome of Caligula Claudius and Nero and his art reflects the stress of the encounter The surprise perhaps is that Seneca s world is so like our own **The Stalwarts, Or, Who Were to Blame?** Frances Marie Norton, 1889 **John of Hapsburg. A tragedy. [Attributed in a manuscript note on the titlepage to Richard Lewis Browne.]** , 1843 **Beyond Babel** Larissa Brewer-García, 2020-08-06 In seventeenth century Spanish America black linguistic interpreters and spiritual intermediaries played key roles in the production of writings about black men and women Focusing on the African diaspora in Peru and the southern continental Caribbean Larissa Brewer García uncovers long ignored or lost archival materials describing the experiences of black Christians in the transatlantic slave trade and the colonial societies where they arrived Brewer García s analysis of these materials shows that black intermediaries bridged divisions among the populations implicated in the slave trade exerting influence over colonial Spanish American writings and emerging racial hierarchies in the Atlantic world The translated portrayals of blackness composed by these intermediaries stood in stark contrast to the pejorative stereotypes common in literary and legal texts of the period Brewer García reconstructs the context of those translations and traces the contours and consequences of their notions of blackness which were characterized by physical beauty and spiritual virtue **Journal of the Asiatic Society of Bengal** , 1898 **The Complete Works of C. H. Spurgeon, Volume 25** Spurgeon, Charles H., Volume 25 Sermons 1451 1510 Charles Spurgeon 19 June 1834 31 January 1892 is one of the church s most famous preachers and Christianity s foremost prolific writers Called the Prince of Preachers he was one of England s most notable ministers for most of the second half of the nineteenth century and he still remains highly influential among Christians of different denominations today His sermons have spread all over the world and his many printed works have been cherished classics for decades In his lifetime Spurgeon preached to more than 10 million people often up to ten times each week He was the pastor of the congregation of the New Park Street Chapel later the Metropolitan Tabernacle in London for 38 years He was an inexhaustible author of various kinds of works including sermons commentaries an autobiography as well as books on prayer devotionals magazines poetry hymns and more Spurgeon was known to produce powerful sermons of penetrating thought and divine inspiration and his oratory and writing skills held his audiences spellbound Many Christians have discovered Spurgeon s messages to be among the best in Christian literature Edward Walford wrote in *Old and New London* Volume 6 1878 quoting an article from the *Times* regarding one of Spurgeon s meetings at Surrey Fancy a congregation consisting of 10 000 souls streaming into the hall mounting the galleries humming buzzing and swarming a mighty hive of bees eager to secure at first the best places and at last any place at all After waiting more than half an hour for if you wish to have a seat you must be there at least that space of time in advance Mr Spurgeon ascended his tribune To the hum and rush and trampling of men succeeded a low concentrated thrill and murmur of devotion which seemed to run at once like an electric current through the breast of every

one present and by this magnetic chain the preacher held us fast bound for about two hours It is not my purpose to give a summary of his discourse It is enough to say of his voice that its power and volume are sufficient to reach every one in that vast assembly of his language that it is neither high flown nor homely of his style that it is at times familiar at times declamatory but always happy and often eloquent of his doctrine that neither the Calvinist nor the Baptist appears in the forefront of the battle which is waged by Mr Spurgeon with relentless animosity and with Gospel weapons against irreligion cant hypocrisy pride and those secret bosom sins which so easily beset a man in daily life and to sum up all in a word it is enough to say of the man himself that he impresses you with a perfect conviction of his sincerity More than a hundred years after his death Charles Spurgeon s legacy continues to effectively inspire the church around the world For this reason Delmarva Publications has chosen to publish the complete works of Charles Spurgeon Journal Asiatic Society (Kolkata, India),1898 The Evangelical Repository ,1857 John 3:16 - An Exposition John White,2012-07-19 John 3 16 Perhaps the best known and most quoted verse of Scripture in the world It is also universally misunderstood On the surface this verse like so many others in the Word of God appears simple However after much study and contemplation we can reveal its many deep and complex meanings Within this 34 chapter volume we attempt to thoroughly cover each and every facet of this most important of verses
