Read All About It Reminiscences Of An Immigrant Newsboy:

Read All about it Joseph E. Wilder, 1978 Towards the end of the last century 19TH western Canada's great need for settlers coincided with the social and political turmoil in eastern Europe. Trainloads of immigrants arrived in Winnipeg almost daily seeking Land, freedom and free education. Joseph Wilder was one of them. In this collection of reminiscences the author depicts his early years in Romania and his experiences as a young newsboy in downtown Winnipeg in 1904-1911. It is also a story of those new Canadians and a picture of Winnipeg at that time. Twenty black and white photographs. **Catalog of the**

Gerald K. Stone Collection of Judaica Gerald K. Stone, 2021-01-05 Gerald K. Stone has collected books about Canadian Jewry since the early 1980s. This volume is a descriptive catalog of his Judaica collection comprising nearly 6,000 paper or electronic documentary resources in English, French, Yiddish and Hebrew. Logically organized, indexed and selectively annotated, the catalog is broad in scope, covering Jewish Canadian history, biography, religion, literature, the Holocaust, antisemitism, Israel and the Middle East and more. An introduction by Richard Menkis discusses the significance of the Catalog and collecting for the study of the Jewish experience in Canada. An informative bibliographical resource, this book will be of interest to scholars and students of Canadian and North American Jewish studies. *Immigrants in Prairie Cities*

Royden Loewen, Gerald Friesen, 2009-01-01 In *Immigrants in Prairie Cities* Royden Loewen and Gerald Friesen analyze the processes of cultural interaction and adaptation that unfolded in these urban centres and describe how this model of diversity has changed over time. **Dictionary of Manitoba Biography** J.M. Bumsted, 1999-12-10 Manitoba has been at the crossroads of many of the important debates and events in Canadian history. From the early fur trade to the Riel Rebellion to the Winnipeg General Strike, Manitobans have frequently played crucial roles in Canadian and sometimes world history. Until now there has been no comprehensive contemporary source for information on the many Manitobans who have left their mark on history and society. *Dictionary of Manitoba Biography* fills this gap with biographical sketches of over 1,700 Manitobans who have made an impact in politics, the arts, sports, commerce, agriculture and society. It is an invaluable resource for scholars, students and general readers interested in Canadian history. Particular emphasis has been placed on reflecting Manitoba's ethnic and social diversity and on including men and women who were notable in their own day but have now been forgotten. Many entries also refer the reader to additional references for further reading. More than a reference book, *Dictionary of Manitoba Biography* is also a fascinating work of history in its own right which presents the full and colourful scope of over 300 years of people in Manitoba history and social life, from premiers and mayors to nightclub owners and sports heroes. *Creating Societies* Dirk Hoerder, 2000-01-01 Dirk Hoerder shows us that it is not shining railroad tracks or statesmen in Ottawa that make up the story of Canada, but rather individual stories of life and labour: Caribbean women who care for children born in Canada, lonely prairie homesteaders, miners in Alberta and British Columbia, women labouring in factories, Chinese and Japanese immigrants carving out new lives in the face of hostility. Hoerder

examines these individual experiences in *Creating Societies* the first systematic overview of the total Canadian immigrant experience Using letters travel accounts diaries memoirs and reminiscences he brings the immigrant s experiences to life Their writings often recorded for grandchildren neighbours and sometimes a larger public show how immigrant lives were entwined with the emerging Canadian society Hoerder presents an important new picture of the emerging Canadian identity dispelling the Canadian myth of a dichotomy between national unity and ethnic diversity and emphasizing the long standing interaction between the members of a different ethnic groups *Romanians in Canada* Eleanor Bujea,2009-01-01 [The Way of the Bachelor](#) Alison R. Marshall,2011-02-17 The lives of early Japanese and Chinese settlers in British Columbia have come to define the Asian experience in Canada Yet many men travelled beyond British Columbia to settle in small Prairie towns and cities Chinese bachelors opened the region s first laundries and Chinese cafes They maintained ties to the Old World and negotiated a place in the new by fostering a vibrant homosocial culture based on friendship everyday religious practices the example of Sun Yat sen and the sharing of food This exploration of the intersection of gender and migration in rural Canada in particular offers new takes on the Chinese quest for identity in North America in general With a preface by the Honourable Inky Mark former Member of Parliament for Dauphin Swan River Marquette **Ring Around the Maple** Cynthia R. Comacchio,Neil Sutherland,2024-10-29 *Ring Around the Maple* is about the condition of children in Canada from roughly 1850 to 2000 a time during which the modern increasingly disrupted traditional ways Authors Cynthia R Comacchio and Neil Sutherland trace the lives of children over this long century with a view to synthesizing the rich interdisciplinary often multi disciplinary literature that has emerged since the 1970s Integrated into this synthesis is the authors new research into many often seemingly disparate archival and published primary sources Emphasizing how the child and childhood are sociohistoric constructs and employing age analytically and relationally they discuss the constants and the variants in their historic dimensions While childhood tangibly modernized during these years it remained a far from universal experience due to identifiers of race gender culture region and intergenerational adaptations that characterize the process of growing up This work highlights children s perspectives through close critical against the grain readings of diaries correspondence memoirs interviews oral histories and autobiographies many buried in obscure archives It is the only extant historical discussion of Canadian children that interweaves the experiences of First Nations M tis and Inuit children with those of children from a number of settler groups *Ring Around the Maple* makes use of photographs catalogues advertisements government publications musical recordings radio shows television shows material goods documentary and feature films and other such visual and aural testimony Much of this evidence has not to date been used as historical testimony to uncover the lives of ordinary children This book is generously illustrated with photographs and ephemera carefully selected to reflect children s lives conditions interests and obligations It will be of special interest to historians and social scientists interested in children and the culture of childhood but will also appeal to readers who enjoy the little stories that together make up our

collective history especially when those are told by the children who lived them

Canadian Books for Young People/Livres canadiens pour la jeunesse, 3e Irma McDonough, 1980-12-15 This third completely revised edition contains hundreds of new entries for a total of almost 2 000 children's books and magazines carefully selected and described by a team of children's librarians Entries are arranged by subject with reading levels indicated where necessary and are also listed in a separate author title index A list of prize winning Canadian children's books and a basic book list for librarians teachers and parents are included in this charmingly illustrated volume

Crying the News Vincent DiGirolamo, 2019-08-05 From Benjamin Franklin to Ragged Dick to Jack Kelly hero of the Disney musical *Newsies* newsboys have long intrigued Americans as symbols of struggle and achievement But what do we really know about the children who hawked and delivered newspapers in American cities and towns Who were they What was their life like And how important was their work to the development of a free press the survival of poor families and the shaping of their own attitudes values and beliefs *Crying the News A History of America's Newsboys* offers an epic retelling of the American experience from the perspective of its most unshushable creation It is the first book to place newsboys at the center of American history analyzing their inseparable role as economic actors and cultural symbols in the creation of print capitalism popular democracy and national character DiGirolamo's sweeping narrative traces the shifting fortunes of these little merchants over a century of war and peace prosperity and depression exploitation and reform chronicling their exploits in every region of the country as well as on the railroads that linked them While the book focuses mainly on boys in the trade it also examines the experience of girls and grown ups the elderly and disabled blacks and whites immigrants and natives Based on a wealth of primary sources *Crying the News* uncovers the existence of scores of newsboy strikes and protests The book reveals the central role of newsboys in the development of corporate welfare schemes scientific management practices and employee liability laws It argues that the newspaper industry exerted a formative yet overlooked influence on working class youth that is essential to our understanding of American childhood labor journalism and capitalism

Property Wrongs Doug Smith, 2023-04-13T00:00:00Z Until 1969 the City of Winnipeg had undertaken only two public housing projects even though the failure of the market to provide adequate housing for low income Winnipeggers had been apparent since the beginning of the century By 1919 providing housing was a significant issue in municipal politics that was embraced by civic officials professionals reformers labour leaders and social democratic politicians It also became a proxy issue for refighting the 1919 General Strike at city hall However Winnipeg's business community proved effective opponents

of public housing The struggle for public housing was also a struggle for democracy Up until the 1960s public housing required approval by a referendum in which only the city s property owners could vote This rule deprived close to half the city s voters and virtually everyone who might qualify to live in public housing of the right to vote Over decades that barrier to democracy was whittled away An NDP provincial government elected in 1969 added 11 144 units of public housing to the existing 568 units Today public housing is once more under attack Rather being treated as valued public assets they are considered embarrassing encumbrances that should be sold as part of a process of turning public housing over to the private sector The struggle to protect and expand the provision of non profit housing is undermined by the rupture in political memory of the long struggle to build public housing and the current political situation *Canadian Book Review Annual* ,1978 **Jewish Autobiographies and Biographies** David S.
