Read It Again!

Read It Again! helps children become more sensitive to the exceptional children in their classrooms. To increase awareness and acceptance of children with disabilities, there are motivating, imaginative activities for 14 children's books whose main characters are in some way exceptional. Children who are different—physically handicapped, behavior disordered, or learning disabled—are the subjects of such special stories as *Leo the Late Bloomer*, *Lisa and Her Soundless World*, *Amie and the New Kid*, and *My Sister Is Different*.

Read It Again! includes:

- introductory unit on exceptional children
- book summaries
- ideas for introducing the books
- list of key vocabulary words
- discussion questions to foster higher-level thinking skills
- reproducible activity sheets
- strategies for integrating literature across the curriculum

Read It Again! is now a series of nine volumes. **Sharon Vaughn**, a member of the editorial review boards of *Exceptional Children* and *Learning Disabilities Quarterly*, holds a Ph.D. in special education and child development from the University of Arizona.
