Read It Right Remember What You Read:

Knitting For Dummies Pam Allen, Shannon Okey, Tracy L. Barr, Marly Bird, 2019-10-08 An illustrated guide showing how to create beautiful timeless pieces whether you're picking up needles for the first time or a seasoned pro looking for advanced patterns. From scarves and sweaters to bags, pillows and more, you'll find lots of projects for practicing and perfecting your knitting skills in *Knitting For Dummies*, which includes an instructional online video showing you the actual knitting techniques being done step by step. Experienced and novice crafters alike can benefit from the book's step by step instructions that explain knitting in plain English. For anyone new to knitting, this hands-on friendly guide shows you how to cast on, knit, purl and bind off, the four basic skills needed to complete any knitting. Decipher pattern instructions and charts. Combine knit and purl stitches with increases and decreases for different effects. Create different kinds of cables, lace and more. Read the language and graphics in knitting patterns and charts. Increase and decrease stitches and use these techniques to shape a project and create design. It also shows you what to do if you drop a stitch or inadvertently add one. If you know the basics of knitting and want to expand your skills to include stitch patterns with more complexity, you've come to the right place. Combine stitch increases and decreases to create lacework. Get familiar with Fair Isle patterns and simple intarsia motifs which involve working in more than one color in one row. Practice with plenty of projects to perfect your advanced knitting techniques. Learn to add interest with stripes. Have fun with fulling and felting. Make sweaters from blocking and assembling your pieces to adding finishing touches like neckbands, edging and buttonholes. *Knitting For Dummies* includes ten quick projects to make for gifts and exercises to unkink your neck and shoulders should you lose yourself for hours at a time in your craft. Finally, the book ends with a couple appendixes showing you more cool effects and a list of knitting software and helpful online resources. If you're itching to start stitching, grab this book to start crafting your knitted masterpiece today.

The Reading Mind Daniel T. Willingham, 2017-04-10 A Map to the Magic of Reading. Stop for a moment and wonder what's happening in your brain right now as you read this paragraph. How much do you know about the innumerable and amazing connections that your mind is making as you in a flash make sense of this request? Why does it matter? *The Reading Mind* is a brilliant, beautifully crafted and accessible exploration of arguably life's most important skill: reading. Daniel T. Willingham, the bestselling author of *Why Don't Students Like School*, offers a perspective that is rooted in contemporary cognitive research. He deftly describes the incredibly complex and nearly instantaneous series of events that occur from the moment a child sees a single letter to the time they finish reading. *The Reading Mind* explains the fascinating journey from seeing letters, then words, sentences and so on, with the author highlighting each step along the way. This resource covers every aspect of reading, starting with two fundamental processes: reading by sight and reading by sound. It also addresses reading comprehension at all levels, from reading for understanding at early levels to inferring deeper meaning from texts and novels in high school. The author also considers the undeniable connection between reading and

writing as well as the important role of motivation as it relates to reading Finally as a cutting edge researcher Willingham tackles the intersection of our rapidly changing technology and its effects on learning to read and reading Every teacher reading specialist literacy coach and school administrator will find this book invaluable Understanding the fascinating science behind the magic of reading is essential for every educator Indeed every reader will be captivated by the dynamic but invisible workings of their own minds *Your First Novel* Ann Rittenberg, Laura Whitcomb, 2006-08-25 In *Your First Novel* novelist Laura Whitcomb and seasoned literary agent Ann Rittenberg team up to provide you with the skills you need to write your dream novel and the savvy business know how to get it published In this all in one resource you ll discover essential novel writing techniques such as How to best structure your research so that you can save time later How to card your story before you start writing What to consider when developing your cast of characters How to adapt classic story structures to fit your own ideas and insider information on what it takes to get published including What agents do at those three hour power lunches and how it affects you What makes an agent instantly reject a manuscript How to correctly translate submission guidelines What happens if you get multiple offers or no offers at all Plus learn about the publishing process from the firsthand accounts of such noted authors as Dennis Lehane Kathryn Harrison Jim Fusilli Kathleen George and others
