Reading-Writing Connections Mary F. Heller, 1999-04-01

Reading Writing Connections: From Theory to Practice is an extraordinary language arts methods text that enables elementary and middle school teachers to create classroom environments where all students can become lifelong readers and writers. Focusing on developmentally appropriate methods and materials, this remarkably readable book empowers a new generation of teachers to integrate reading, writing, listening, and speaking in K-8 classrooms. Heller's highly accessible writing style makes this book suitable as a primary text for undergraduate and graduate courses in language arts, reading, writing, and literacy. Special features of this second edition include a vision of how to transform cutting-edge theory and research into classroom practice that utilizes integrated language arts instruction; a unique developmental perspective with separate chapters on teaching methods and materials for kindergarten, primary 1-3, intermediate 4-6, and middle grades 7-8; instructional guidelines that offer generous, detailed suggestions for applying theory to practice; plus "For You to Try" and "For Your Journal" exercises that encourage critical thinking and reflection; and a wealth of classroom vignettes, examples of students' oral and written language, illustrations, and figures that accentuate interesting and informative theory, research, and practice. In addition, *Reading Writing Connections* offers expanded content on the impact of sociocultural theory and the whole language movement on the teaching of reading and writing; across the curriculum; greater emphasis on cultural diversity, including new multicultural children's literature; booklists that complement the general children's literature bibliographies; and current information on alternative assessment, emerging technologies, the multiage classroom, reader response to literature, and thematic teaching.

Writing and Reading Connections Zoi A. Philippakos, Steve Graham, 2022-12-21

Writing skills are essential for success in the 21st-century school and workplace, but most classrooms devote far more time to reading instruction, with writing often addressed in isolation or excluded. In this insightful professional development resource, and text leading researchers discuss why and how to integrate writing and reading instruction in grades K-12 and beyond. Contributors explore how to harness writing-reading connections to support learning in such areas as phonics and spelling, vocabulary, understanding genre and text structure, and self-regulated strategy development, as well as across content areas.

and disciplines Special considerations in teaching emergent bilingual students and struggling literacy learners are described User friendly features include guiding questions classroom examples and action questions that help teachers translate the research and concepts into practice An NCTQ Exemplary Text for Reading Instruction Resources in Education ,1998

The Oxford History of Life-Writing: Volume 1. The Middle Ages Karen A. Winstead,2018-04-05 The Oxford History of Life Writing Volume 1 The Middle Ages explores the richness and variety of life writing from late Antiquity to the threshold of the Renaissance During the Middle Ages writers from Bede to Chaucer were thinking about life and experimenting with ways to translate lives their own and others into literature Their subjects included career religious saints celebrities visionaries pilgrims princes philosophers poets and even a few ordinary people They relay life stories not only in chronological narratives but also in debates dialogues visions and letters Many medieval biographers relied on the reader's trust in their authority but some espoused standards of evidence that seem distinctly modern drawing on reliable written sources interviewing eyewitnesses and cross checking their facts wherever possible Others still professed allegiance to evidence but nonetheless freely embellished and invented not only events and dialogue but the sources to support them The first book devoted to life writing in medieval England The Oxford History of Life Writing Volume 1 The Middle Ages covers major life stories in Old and Middle English Latin and French along with such Continental classics as the letters of Abelard and Heloise and the autobiographical Vision of Christine de Pizan In addition to the life stories of historical figures it treats accounts of fictional heroes from Beowulf to King Arthur to Queen Katherine of Alexandria which show medieval authors experimenting with adapting and expanding the conventions of life writing Though Medieval life writings can be challenging to read we encounter in them the antecedents of many of our own diverse biographical forms tabloid lives literary lives brief lives revisionist lives lives of political figures memoirs fictional lives and psychologically oriented accounts that register the inner lives of their subjects
