Red Virgin:

The Red Virgin Stephanie Strickland, 1993 Winner of the 1993 Brittingham Prize in Poetry selected by Lisel Mueller Paper edition unseen 9 95 Annotation copyright by Book News Inc Portland OR *Red Virgin* Louise Michel, 1981 Louise Michel was born illegitimate in 1830 and became a schoolmistress in Paris She was involved in radical activities during the twilight of France's Second Empire and during the Franco Prussian War of 1870 and the siege of Paris She was a leading member of the revolutionary groups controlling Montmartre Michel emerged as one of the leaders of the insurrection during the Paris Commune of March May 1871 and French anarchists saw her as martyr and saint The Red Virgin When the Versailles government crushed the Commune in May 1871 Michel was sentenced to exile in New Caledonia until the general amnesty of 1880 when she returned to France and great popular acclaim and support from the working people of the country Michel was arrested again during a demonstration in Paris in 1883 and sentenced to six years in prison Pardoned after three years she continued her speeches and writing although she spent the greater part of her time from 1890 until her death in 1905 in England in self imposed exile It was during her prison term from 1883 to 1886 that she compiled her Memoires now available in English These memoirs offer readers a view of the non Marxist left and give an in depth look into the development of the revolutionary spirit The early chapters treat her childhood the development of her revolutionary feelings and her training as a schoolteacher The next section describes her activities as a schoolteacher in the Haute Marne and Paris and therefore contains much of interest on education in 19th century Europe Her chapters on the siege of Paris the Commune and her first trial show those events from the point of view of a major participant Of particular interest is a chapter on women's rights which Michel saw as part of the search for the rights of all people male and female and not as a separate struggle The Red Virgin Memoirs of Louise Michel will be useful to both scholars and students of 19th century French history and women's studies Red Virgin Soil Robert A. Maguire, 2000 Red Virgin Soil is a detailed study of the eponymous journal that was the most significant Soviet literary journal of the 1920's The journal published belles lettres theory and criticism and represented the first serious attempt in Russia in nearly half a century to shape an entire generation of writers readers and critics through the energy and authority of such a forum Maguire's work is also a survey of Soviet literary culture in that critical period between the end of the Civil War and the onslaught of the Stalinist era a period when writers could still engage in public debate about literature's role in the building of a revolutionary culture Book Jacket *The Red Virgin and the Vision of Utopia* Mary M.
