Vancouver Sun. A perfect pocket guide that collects 50 of the most sought-worthy wines in BC from the wine expert who's tried them all. In this handy portable guide to the top 50 British Columbia wines under \$50, a bottle wine expert Luke Whittall abandons the usual language of tasting notes in favour of a more personalized, approachable style focusing on experiences, good company and where a wine might take your thoughts. As a wine industry professional, Whittall found himself inspired more by the way non-professionals talk about wine than the hints of fresh cherries, dried herbs and soup soups of eucalyptus style often favoured in traditional wine writing. Sipster's Pocket Guide describes the experiences bound up in the tasting of 50 of the most amazing wines this province has produced, including reds, whites, rosés, sparkling and dessert wines. With its emphasis on affordability and personal experience rather than vintner and vintage specifics, Whittall's guide reads less like the average wine fare and more like tips from a funny, candid friend. Before you head to the liquor store to deliberate over your next sip, take a glance through Sipster's **Parker's Wine Buyer's Guide, 7th Edition** Robert M. Indifferent to the wine's pedigree, Parker's eminent 100-point rating system allows for independent, consumer-oriented information. The latest edition of Parker's Wine Buyer's Guide includes expanded information on Spain, Portugal, Germany, Australia, Argentina and Chile, as well as new sections on Israel and Central Europe. As in his previous editions, Parker provides the reassurance of a simple number rating, predictions for future buying potential and practical overviews of regions and grapes.
