Redeeming The Communist Past The Regeneration Of Communist Parties In East Central Europe

Agnieszka Mrozik, Stanislav Holubec

Redeeming The Communist Past The Regeneration Of Communist Parties In East Central Europe:

Redeeming the Communist Past Anna Maria Grzymala-Busse, 2002 This major study examines one of the most surprising developments in East Central European politics after the democratic transitions of 1989 the completely unexpected regeneration of the former communist parties After the collapse of the communist regimes in 1989 these ruling communist parties seemed consigned to oblivion However confounding scholarly and popular expectations all of these parties survived Some have even returned to power This in depth comparative study systematically analyzes the trajectories of four cases the Czech Republic Slovakia Poland and Hungary with additional examination of other communist party successors Relying on extensive and unprecedented primary research this analysis employs a consistent analytical framework that combines the peculiarities of the post socialist cases with broad theoretical concerns of institutional analysis democratic transitions and consolidation and party politics

Redeeming the Communist Past Anna M. Grzymala-Busse, 2002-02-18 This major study examines the regeneration of the former communist parties in East Central Europe after 1989 Party Systems in East Central Europe Ladislav Cabada, Vít Hloušek, Petr Jurek, 2014-01-23 Party Systems in East Central Europe analyzes the formation of political parties in the nations of this region In the first part the authors concentrate on the key periods and turning points in this development connecting them with the democratization of the countries in the region in the last third of the nineteenth century This includes a look at the period before World War I between the wars and particularly in the times after the fall of the communist regimes The analysis focuses chiefly on the ideological background that gave way to the rise of political parties in the region In relation to this the authors base their writing mainly on the socio political theory of Stein Rokkan The second part of the book is a political analysis of the key aspects related to party politics First the authors examine the ties of political parties to broad social processes using the classic theories of Giovanni Sartori and Stein Rokkan Next they continue with the analysis of the operation of parties within governments with a special focus on the creation of coalition governments functioning of coalitions and coalition governance Last some defects are reflected upon as well as unfinished processes related to the fast establishment of political parties in the region e g absence of firm links with social groups high volatility instability of parties etc *The Routledge History of East Central Europe since 1700* Irina Livezeanu, Arpad von Klimó, 2017-03-16 Covering territory from Russia in the east to Germany and Austria in the west The Routledge History of East Central Europe since 1700 explores the origins and evolution of modernity in this turbulent region This book applies fresh critical approaches to major historical controversies and debates expanding the study of a region that has experienced persistent and profound change and yet has long been dominated by narrowly nationalist interpretations Written by an international team of contributors that reflects the increasing globalization and pluralism of East Central European studies chapters discuss key themes such as economic development the relationship between religion and ethnicity the intersection between culture and imperial national wartime and revolutionary political agendas migration women s and

gender history ideologies and political movements the legacy of communism and the ways in which various states in East Central Europe deployed and were formed by the politics of memory and commemoration This book uses new methodologies in order to fundamentally reshape perspectives on the development of East Central Europe over the past three centuries Transnational and comparative in approach this volume presents the latest research on the social cultural political and economic history of modern East Central Europe providing an analytical and comprehensive overview for all students of this region

Historical Memory of Central and East European Communism Agnieszka Mrozik,Stanislav

Holubec,2018-03-19 Every political movement creates its own historical memory The communist movement though originally oriented towards the future was no exception The theory of human history constitutes a substantial part of Karl Marx s and Friedrich Engels s writings and the movement inspired by them very soon developed its own strong historical identity combining the Marxist theory of history with the movement s victorious milestones such as the October Revolution and later the Great Patriotic War which served as communist legitimization myths throughout almost the entire twentieth century During the Stalinist period however the movement s history became strongly reinterpreted to suit Joseph Stalin s political goals After 1956 this reinterpretation lost most of its legitimating power and instead began to be a burden The unwanted memory of Stalinism and subsequent examples of violence the Gulag Katy the 1956 Budapest uprising and the 1968 Prague Spring contributed to the crisis of Eastern European state socialism in the late 1980s and led to attempts at reformulating or even rejecting communist self identity This book s first section analyzes the post 1989 memory of communism and state socialism and the self identity of the Eastern and Western European left The second section examines the state socialist and post socialist memorial landscapes in the former German Democratic Republic Czechoslovakia Czech Republic Poland Lithuania Ukraine and Russia The final section concentrates on the narratives the movement established when in power about its own past with the examples of the Soviet Union Poland Romania and Czechoslovakia

National Narcissism Eric Beckett Weaver,2006 National Narcissism offers a groundbreaking anthropological and sociological approach to nationalism through an expos of the belief systems and psychology of extreme nationalists for whom nationalism is a form of religion This theoretical approach is illustrated with examples primarily taken from Hungary with a special focus in two chapters on the role of gender in nationalism The state of politics and society in Hungary is also examined in a way that steps beyond the usual simplistic flat narratives of what Hungarians are like by stressing the broad variety of viewpoints current in Hungarian society the milieu in which a small minority of extreme nationalists are able to make their voice heard out of proportion to their numbers or political support The theory offered by National Narcissism has wide ranging implications for the future study of extremist nationalism in nation states throughout the world Sociologists anthropologists nationalism studies specialists social psychologists and historians of the recent past in Hungary will find that this theoretical book richly illustrated with examples from Hungarian society challenges positive and negative stereotypes about nationalism extremism

post communism central and eastern Europe the European Union and not least about Hungarians themselves **Historical Legacies of Communism in Russia and Eastern Europe** Mark Beissinger, Stephen Kotkin, 2014-07-07 This book takes stock of arguments about the historical legacies of communism that have become common within the study of Russia and East Europe more than two decades after communism's demise and elaborates an empirical approach to the study of historical legacies revolving around relationships and mechanisms rather than correlation and outward similarities Eleven essays by a distinguished group of scholars assess whether post communist developments in specific areas continue to be shaped by the experience of communism or alternatively by fundamental divergences produced before or after communism Chapters deal with the variable impact of the communist experience on post communist societies in such areas as regime trajectories and democratic political values patterns of regional and sectoral economic development property ownership within the energy sector the functioning of the executive branch of government the police and courts the relationship of religion to the state government language policies and informal relationships and practices **Routledge Handbook of European Politics** José M. Magone, 2014-12-17 Since the Treaty of the European Union was ratified in 1993 the European Union has become an important factor in an ever increasing number of regimes of pooled sovereignty This Handbook seeks to present a valuable guide to this new and unique system in the twenty first century allowing readers to obtain a better understanding of the emerging multilevel European governance system that links national polities to Europe and the global community Adopting a pan European approach this Handbook brings together the work of leading international academics to cover a wide range of topics such as the historical and theoretical background the political systems and institutions of both the EU and its individual member nations political parties and party systems political elites civil society and social movements in European politics the political economy of Europe public administration and policy making external policies of the EU This is an invaluable and comprehensive resource for students scholars researchers and practitioners of the European Union European politics and comparative politics *Europe's Radical Left* Luke March, Daniel Keith, 2016-10-20 Although the most pernicious consequences of the crisis have apparently abated the long term political repercussions remain unclear Whereas most attention has focused on the right wing populist parties the rejuvenation of the left is an unwritten story of post crisis politics This volume addresses this story with three principal aims to examine the radical left intellectual response to the crisis i.e. how actors conceptualise the causes of crisis and its consequences to examine the radical left electoral response to the crisis i.e. how the crisis has aided or weakened the electoral success of radical left parties and movements to examine organisational responses i.e. whether the crisis has resulted in new party structures methods of organising and internal party tendencies The result is a comprehensive compendium drawing on cutting edge research from leading European experts to present the first comparative analysis of how the far left of the political spectrum has responded to the crisis It furthers our understanding both of the dynamics of European party systems and the wider consequences of the Great

Recession Transitions Juan A. Roche Cárcel, 2016-06-30 The monograph essentially seeks to compare the sociopolitical construction processes of Spain Latin America Eastern Europe and North Africa And even though the papers included in it deal above all with the differences between the different democratic developments mentioned above the central idea transmitted is that they have been marked by complexity instability and risk in short by fragility In this respect the issue offers a twofold look as it tries to analyze the transition processes towards democracy and at the same time the current state of democracy its fragility or its lack of quality both approaches being merged into one **Preying on the State** Venelin I. Ganey, 2013-07-02 Immediately after 1989 newly emerging polities in Eastern Europe had to contend with an overbearing and dominant legacy the Soviet model of the state At that time the strength of the state looked like a massive obstacle to change less than a decade later the state's dominant characteristic was no longer its overweening powerfulness but rather its utter decrepitude Consequently the role of the central state in managing economies providing social services and maintaining infrastructure came into question Focusing on his native Bulgaria Venelin I Ganey explores in fine grained detail the weakening of the central state in post Soviet Eastern Europe Ganey starts with the structural characteristics of the Soviet satellites and in particular the forms of elite agency favored in the socialist party state As state socialism collapsed Ganey demonstrates its institutional legacy presented functionaries who had become accustomed to power with a matrix of opportunities and constraints In order to maximize their advantage under such conditions these elites did not need a robust state apparatus in fact all of the incentives under postsocialism pushed them to subvert the infrastructure of governance Throughout *Preying on the State* Ganey argues that the causes of state malfunctioning go much deeper than the policy preferences of free marketeers who deliberately dismantled the state He systematically analyzes the multiple dimensions implications and significance of the institutional and social processes that transformed the organizational basis of effective governance **Routledge Handbook of Russian Politics and Society** Graeme Gill, James Young, 2013-03 There is an ever burgeoning number of books analyzing the Russian experience or aspects of it This Handbook is the first single volume which gives both a broad survey of the literature as well as highlighting the cutting edge research in the area Through both empirical data and theoretical investigation each chapter in the Routledge Handbook Russian of Politics and Society examines both the Russian experience and the existing literature points to research trends and identifies issues that remain to be resolved Offering focused studies of the key elements of Russian social and political life the book is organized into the following broad themes General introduction Political institutions Political Economy Society Foreign Policy Politically economically and socially Russia has one of the most interesting development trajectories of any major country This Handbook seeks to answer questions about democratic transition the relationship between the market and democracy stability and authoritarian politics the development of civil society the role of crime and corruption and the creation of a market economy Providing a comprehensive resource for scholars and policy makers alike this book is an important

contribution to the study of Russian Studies Eastern European studies and International Relations **The Oxford Handbook of Political Science** Robert E. Goodin, 2011-07-07 Drawing on the rich resources of the ten volume series of The Oxford Handbooks of Political Science this one volume distillation provides a comprehensive overview of all the main branches of contemporary political science political theory political institutions political behavior comparative politics international relations political economy law and politics public policy contextual political analysis and political methodology Sixty seven of the top political scientists worldwide survey recent developments in those fields and provide penetrating introductions to exciting new fields of study Following in the footsteps of the New Handbook of Political Science edited by Robert Goodin and Hans Dieter Klingemann a decade before this Oxford Handbook will become an indispensable guide to the scope and methods of political science as a whole It will serve as the reference book of record for political scientists and for those following their work for years to come **Islamists and the Politics of the Arab Uprisings** Hendrik Kraetzschmar, 2018-06-30 Demonstrates how the textual output of settler emigration shapes the nineteenth century literary and artistic imagination Lustration and Transitional Justice Roman David, 2011-09-21 How do transitional democracies deal with officials who have been tainted by complicity with prior governments Should they be excluded or should they be incorporated into the new system In Lustration and Transitional Justice Roman David examines major institutional innovations that developed in Central Europe following the collapse of communist regimes While the Czech Republic approved a lustration vetting law based on the traditional method of dismissals Hungary and Poland devised alternative models that granted their tainted officials a second chance in exchange for truth David classifies personnel systems as exclusive inclusive and reconciliatory they are based on dismissal exposure and confession respectively and they represent three major classes of transitional justice David argues that in addition to their immediate purposes personnel systems carry symbolic meanings that help explain their origin and shape their effects In their effort to purify public life personnel systems send different ideological messages that affect trust in government and the social standing of former adversaries Exclusive systems may establish trust at the expense of reconciliation while inclusive and reconciliatory systems may promote both trust and reconciliation In spite of its importance the topic of inherited personnel has received only limited attention in research on transitional justice and democratization Lustration and Transitional Justice is the first attempt to fill this gap Combining insights from cultural sociology and political psychology with the analysis of original experiments historical surveys parliamentary debates and interviews the book shows how perceptions of tainted personnel affected the origin of lustration systems and how dismissal exposure and confession affected trust in government reconciliation and collective memory **Gender, Institutions and Political Representation** Cristina Chiva, 2017-11-21 This book traces the struggles over the institutions of political representation in Central and Eastern Europe focusing on the factors that have held women back over the post communist period as well as on the growing evidence for change throughout the region Post communist

Europe has long raised two puzzles for scholars of women's representation in politics. First, why have women been underrepresented in politics in every country in the region since communism's collapse? Secondly, why are there relatively few cases where women's advocates have been successful in pressing for change? This comparative study of Europe's new democracies argues that these puzzles are best understood as questions about male dominance that is about the mechanisms that sustain or alternatively change long established patterns of male over representation in politics over time. The author covers six EU member states: Bulgaria, the Czech Republic, Hungary, Poland, Romania, and Slovakia during the period 1990-2016. The book will be of use to students and scholars in the fields of Comparative Politics, Democracy and Democratization, European Studies, Gender Studies, Post Communist Studies, and Central and Eastern European Studies. **The Quality of Democracy in Eastern Europe** Andrew Roberts, 2010. This book presents a positive assessment of democratic quality as it has developed in ten postcommunist countries. **Reflections on 1989 in Eastern Europe** Terry Cox, 2013-09-13. This book presents a selection of recent research on the events and developments of 1989 in Eastern Europe. It offers a mix of detailed examinations of the events of 1989 in Eastern Europe, thoughtful and considered appraisals of developments, and middle range theoretical discussions of patterns of cause and effect. The authors range in their approaches from detailed examinations of government and ruling party papers from the archives, some of it originally labelled top secret, to personal observations and oral history based on interviews with participants, to analysis of survey data and official statistics. In their chosen focus, the essays range from explorations of the emerging crisis in the communist regimes that led to the events of 1989, reflections and insights into the events and changing mood during 1989 itself, and examinations of some of the consequences and legacies of 1989. This book was published as a special issue of *Europe Asia Studies*. **Central and Southeast European Politics since 1989** Sabrina P. Ramet, 2010-02-18. The only textbook to provide a complete introduction to post 1989 Central and Southeast European politics, this dynamic volume provides a comprehensive account of the collapse of communism and the massive transformation that the region has witnessed. It brings together 23 leading specialists to trace the course of the dramatic changes accompanying democratization. The text provides country by country coverage, identifying common themes and enabling students to see which are shared throughout the area, giving them a sense of its unity and comparability whilst strengthening understanding around its many different trajectories. The dual thematic focus on democratization and Europeanization running through the text also helps to reinforce this learning process. Each chapter contains a factual overview to give the reader context concerning the region, which will be useful for specialists and newcomers to the subject alike. **IBSS: Political Science: 2002 Vol.51** Compiled by the British Library of Political and Economic Science, 2004-03-01. First published in 1952, the *International Bibliography of the Social Sciences* (anthropology, economics, political science, and sociology) is well established as a major bibliographic reference for students, researchers, and librarians in the social sciences worldwide. Redeeming The Communist Past The Regeneration Of Communist Parties In East Central Europe Introduction

In the digital age, access to information has become easier than ever before. The ability to download Redeeming The Communist Past The Regeneration Of Communist Parties In East Central Europe has revolutionized the way we consume written content. Whether you are a student looking for course material, an avid reader searching for your next favorite book, or a professional seeking research papers, the option to download Redeeming The Communist Past The Regeneration Of Communist Parties In East Central Europe has opened up a world of possibilities. Downloading Redeeming The Communist Past The Regeneration Of Communist Parties In East Central Europe provides numerous advantages over physical copies of books and documents. Firstly, it is incredibly convenient. Gone are the days of carrying around heavy textbooks or bulky folders filled with papers. With the click of a button, you can gain immediate access to valuable resources on any device. This convenience allows for efficient studying, researching, and reading on the go. Moreover, the cost-effective nature of downloading Redeeming The Communist Past The Regeneration Of Communist Parties In East Central Europe has democratized knowledge. Traditional books and academic journals can be expensive, making it difficult for individuals with limited financial resources to access information. By offering free PDF downloads, publishers and authors are enabling a wider audience to benefit from their work. This inclusivity promotes equal opportunities for learning and personal growth. There are numerous websites and platforms where individuals can download Redeeming The Communist Past The Regeneration Of Communist Parties In East Central Europe. These websites range from academic databases offering research papers and journals to online libraries with an expansive collection of books from various genres. Many authors and publishers also upload their work to specific websites, granting readers access to their content without any charge. These platforms not only provide access to existing literature but also serve as an excellent platform for undiscovered authors to share their work with the world. However, it is essential to be cautious while downloading Redeeming The Communist Past The Regeneration Of Communist Parties In East Central Europe. Some websites may offer pirated or illegally obtained copies of copyrighted material. Engaging in such activities not only violates copyright laws but also undermines the efforts of authors, publishers, and researchers. To ensure ethical downloading, it is advisable to utilize reputable websites that prioritize the legal distribution of content. When downloading Redeeming The Communist Past The Regeneration Of Communist Parties In East Central Europe, users should also consider the potential security risks associated with online platforms. Malicious actors may exploit vulnerabilities in unprotected websites to distribute malware or steal personal information. To protect themselves, individuals should ensure their devices have reliable antivirus software installed and validate the legitimacy of the websites they are downloading from. In conclusion, the ability to download Redeeming The Communist Past The Regeneration Of Communist Parties In East Central Europe has transformed the way we access information. With the convenience, cost-effectiveness, and accessibility it offers, free PDF downloads have become a popular

choice for students, researchers, and book lovers worldwide. However, it is crucial to engage in ethical downloading practices and prioritize personal security when utilizing online platforms. By doing so, individuals can make the most of the vast array of free PDF resources available and embark on a journey of continuous learning and intellectual growth.

FAQs About Redeeming The Communist Past The Regeneration Of Communist Parties In East Central Europe Books

How do I know which eBook platform is the best for me? Finding the best eBook platform depends on your reading preferences and device compatibility. Research different platforms, read user reviews, and explore their features before making a choice. Are free eBooks of good quality? Yes, many reputable platforms offer high-quality free eBooks, including classics and public domain works. However, make sure to verify the source to ensure the eBook credibility. Can I read eBooks without an eReader? Absolutely! Most eBook platforms offer webbased readers or mobile apps that allow you to read eBooks on your computer, tablet, or smartphone. How do I avoid digital eye strain while reading eBooks? To prevent digital eye strain, take regular breaks, adjust the font size and background color, and ensure proper lighting while reading eBooks. What the advantage of interactive eBooks? Interactive eBooks incorporate multimedia elements, quizzes, and activities, enhancing the reader engagement and providing a more immersive learning experience. Redeeming The Communist Past The Regeneration Of Communist Parties In East Central Europe is one of the best book in our library for free trial. We provide copy of Redeeming The Communist Past The Regeneration Of Communist Parties In East Central Europe in digital format, so the resources that you find are reliable. There are also many Ebooks of related with Redeeming The Communist Past The Regeneration Of Communist Parties In East Central Europe. Where to download Redeeming The Communist Past The Regeneration Of Communist Parties In East Central Europe online for free? Are you looking for Redeeming The Communist Past The Regeneration Of Communist Parties In East Central Europe PDF? This is definitely going to save you time and cash in something you should think about. If you trying to find then search around for online. Without a doubt there are numerous these available and many of them have the freedom. However without doubt you receive whatever you purchase. An alternate way to get ideas is always to check another Redeeming The Communist Past The Regeneration Of Communist Parties In East Central Europe. This method for see exactly what may be included and adopt these ideas to your book. This site will almost certainly help you save time and effort, money and stress. If you are looking for free books then you really should consider finding to assist you try this. Several of Redeeming The Communist Past The Regeneration Of Communist Parties In East Central Europe are for sale to free while some are payable. If you arent sure if the books you would like to download works with for usage along with your computer, it is possible to download free trials. The free guides

make it easy for someone to free access online library for download books to your device. You can get free download on free trial for lots of books categories.
