George, 2022-02-22 About the Book Any relationship which is considered important to us can either be the best or the worst part of our lives defining how our lives turn out What then about the relationship with the one who actually created us The one who gave us life the one on whom our faith and spirituality stands A Godly relationship which surpasses all the effects and longings of our worldly relationships This book deals with the inner relationship we should have with our heavenly Father where we have failed to keep our communication with Him and have removed Him from being the most important part of our lives It deals with how our lives should be having God as the head and center of our beings It brings out what happens when we map out our lives without God in it and reveals how we can overcome the obstacles which have removed us from His glorious light It shows us what the Father wants us to be and assures us that we will always be embraced in His arms About the Author A voracious reader which ultimately led her to pen down her thoughts Sophia M George is based in Delhi and is a nurse by profession Sophia s zeal for God s work and partaking in the expansion of His kingdom s glory has her working as a leader among youth Her aim is to show them the right path in which they should walk to be worthy of God s calling A committed Christian Sophia hails from a family who are working towards God s kingdom and desire to do so much more for His glory

Redefining Perfect Amy E. Jacober, 2017-12-05 Theology and disability have not always had an easy relationship The interactions have ranged from downright hostile to indifferent or unintentionally excluding over the centuries This theology book chooses instead to include those with disabilities after more than a decade of consideration and study This results in a re examination of major theological topics and the impact on the lives of those with disabilities their family and friends and the community at large The focus of the book is to move the church beyond welcome to inclusion where those with disabilities move from a guest of the community to equal and valued member of the community While the book is about the theological inclusion of those with disabilities its implications reach far beyond It sets an approach for all people to find a place where they too may live in the fullness of Christian community Stories of personal encounters are blended with explanations of doctrinal perspectives giving the reader a chance to connect knowledge with wisdom born from real life experience **The Empowerment Pivot** Douglas A. Balzer, 2020-03-30 What if I told you that God has a version of normal for your life that far exceeds your current experience What if I told you that Jesus really meant it when he said Whoever believes in me will do the works I have been doing John 14 12 What if I told you that the church was meant to

convincingly demonstrate Jesus's supernatural presence to a skeptical world This book invites you to make seven shifts towards God's eternal and infinite nature that render his manifest presence and empowerment in our lives and ministries God's version of normal Will you dare to pivot towards Jesus and his version of normal for your life Breakthrough Faith Larry Sparks, 2014-10-21 We all experience the impossibilities of life just like the four men in the Bible who sought Jesus healing touch for their paralyzed friend The question is how will you respond You have two options You can accept your circumstances as God's will and simply give up or you can break through and receive everything God has waiting for you Breakthrough Faith will help you discover You have an enemy all circumstances are not God's will God is both willing and able to miraculously move in your life You already possess breakthrough faith you just need to activate it The mind matters what you think about God determines what you experience Intimacy with the Father ushers you into a supernatural lifestyle and greater works Practical keys to activating breakthrough faith in your life Declaration Testimony and Presence The paralytic's four friends didn't give up and broke through the roof to get to Jesus and experienced the miraculous You can break through too Get ready to activate the faith God has given you and break through every impossibility that comes against your life Missional Acts Daniel McGinnis, 2022-01-14 What is Luke's main purpose in writing the book of Acts In this close study of the entire Acts narrative McGinnis analyzes Luke's story of the first Christians in light of ancient rhetorical conventions concluding that Luke presents his stories to strengthen the missional commitment and practice of his readers Missional Acts approaches a vast amount of varied mission content systematically dividing it into rhetorical instruction about missional stimuli structures strategies and suffering while using a body analogy to provide coherence Even the enigmatic ending of Acts intentionally advances Luke's rhetorical purposes Luke's teaching finds its culmination in the ministry of his archetypal missionary the apostle Paul whose missionary journeys are a Lukan masterclass in mission strategy with much to teach about ministry that transforms whole regions McGinnis rejects the traditional dichotomy that Paul is either a missionary or a prisoner and shows that throughout his work Luke depicts suffering as an integral part of the mission seeking to prepare his readers to face opposition of various kinds Missional Acts will help readers approach Acts in innovative ways by reading it through a primary missional lens **Books In Print 2004-2005** Ed Bowker Staff, Staff Bowker, Ed, 2004
