Wesleyan University This sensitive study is a historical cultural and musical exploration of Christian religious music among the Logooli of Western Kenya It describes how new musical styles developed through contact with popular radio and other media from abroad and became markers of the Logooli identity and culture Jean Ngoya Kidula narrates this history of a community through music and religious expression in local national and global settings The book is generously enhanced by audiovisual material on the Ethnomusicology Multimedia website The archival and ethnographic research is outstanding the accounts of mission history and then the musical explanations of a variety of forms of change that have accompanied mission intervention the incursion of forms of modernity and globalization at large are compelling and unparalleled Carol Muller University of Pennsylvania Explores contemporary African music through the prism of ethnographies through the people's engagement of Christianity as a unifying ideology in the context of history modernity nationalisms and globalisation Journal of Modern African Studies The meticulous and sometimes highly sophisticated musical analyses transcriptions and the rich historical and ethnographic perspectives illuminate not only ongoing discourses and contestations of syncretism and related analytical notions they also represent a plausible model of a balanced approach to ethnomusicology International Journal of African Historical Studies An essential text for thinking about world Christianities because it approaches a particular African Christianity from both insider and outsider perspectives Global Forum on Arts and Christian Faith Songs of Messiah Michael Adi Nachman, 2012-10 Every single true prophet in the Bible came to sing in the name of one true God the Father of Yahushua the Messiah whose name is Yahuah Yahuah God of Abraham the God of Yitzhak the God of Yaaqob is his name From Noah with whom Yahuah made a covenant to Jesus Yahushua whom Yahuah made into a covenant they all came in that name If you can not read Hebrew but wonder what the Bible says in Hebrew this book is for you There are literally hundreds of passages in Hebrew and Greek written out in letters of the English alphabet If you then take those scriptures and make a melody and sing them to Yahuah you will learn the word as the Holy Spirit actually had it written You will access the ten commandments in Hebrew the declaration of Yahuah's unity in Hebrew Some of the most beautiful Psalms of David in Hebrew all using the English alphabet This book is unique for those who are hungry for justice and righteousness hungry for more of prophecy and the prophetic word hungry for the fear of Yahuah The Holy Spirit will use this book to speak to leadership saying This is the way walk in it Get this book and get blessed by Yahuah who made all things Get this book and get ready for the age to come and the rebuilding of the temple by 2037 if my calculations are correct Start singing the songs of Messiah in Hebrew today **The Oxford Handbook of Caribbean Religions** Michelle A. Gonzalez, Michelle Gonzalez Maldonado, 2024 The Oxford Handbook of Caribbean Religions offers a comprehensive overview of Caribbean religions The Caribbean is a microcosm of the world's religions but the small geographic space resulted in the encounter of global religions and indigenous religious practices The racial ethnic and cultural diversity of this region makes brief introductions to Caribbean religions incapable of truly addressing its complex and diverse religious landscape The Handbook also elaborates

on the diversity of the religious traditions and the national particularity of the region while also considering multiple geographic settings It mentions how often Caribbean religion is studied through the perspective of a discrete religious tradition or geographic setting

No Regrets (Music Saved My Life) Alec Music, 2025-03-17 This isn t just a story about a hip hop artist s rise from the ashes it s a raw unflinching look into the heart of darkness and the arduous climb back to the light It s a Cape Town story steeped in the vibrant energy of the city but also haunted by the shadows of poverty violence and addiction that cling to its edges It s a story of loss a story of grief a story of betrayal and a story of redemption It s a testament to the destructive power of unchecked pain and the restorative power of music family and unwavering love I have poured my soul onto these pages laying bare the deepest wounds and most painful truths It hasn t been easy reliving these experiences confronting the demons that nearly consumed me But in sharing this story I hope to reach out to those who are struggling reminding them that they are not alone There is hope No Regrets 3 There is healing There is a way out This is more than a memoir it s a lifeline a confession a testament to resilience and a celebration of the life I fought to reclaim The music the pain the love the struggle the triumph this is all woven into the fabric of this narrative presented in a way that is authentic to my experience and true to my voice I hope you feel the rhythm in the words the beat in the pain the melody of hope in the final crescendo Let the music begin My mother s death was a cataclysm It ripped a hole in my world leaving behind a void so profound that I instinctively sought solace in the most destructive ways possible The streets became my refuge or rather my prison Alcohol numbed the pain drugs offered a fleeting escape and crime well it was a twisted form of rebellion a desperate attempt to exert control over a life that felt utterly out of control My father s tireless efforts to save me from myself were met with resistance with anger with a self destructive defiance born from grief and a profound sense of loss The affair with my brother s wife Hulane was a further act of self sabotage a cruel

twist of the knife in an already bleeding heart This downward spiral continued a relentless descent into darkness a terrifying exploration of the abyss I reached a point where suicide seemed the only option the only release from the crushing weight of my pain and guilt But then something shifted Music the very thing that had always been my refuge once again offered a lifeline The collaboration with Arsenic Beats on No Regrets wasn't just about creating an E P it was about confronting my demons laying bare my struggles and processing my grief through rhythm and rhyme The songs became a cathartic release a conduit for my pain a powerful expression of my struggle for redemption This memoir delves into the depths of that struggle tracing my journey from the depths of despair to a place of unexpected peace and profound love It is a story of pain and resilience of darkness and light of loss and love ultimately a song of hope in the face of unimaginable adversity My story is not unique It's a reflection of the struggles faced by so many in communities grappling with poverty violence and addiction It is my hope that by sharing my journey others will find strength inspiration and perhaps even a glimmer of hope amidst their own struggles This is my truth my confession and my testament to the enduring power of the human spirit **The Man in**

Song John M. Alexander, 2018-04-10 There have been many books written about Johnny Cash but The Man in Song is the first to examine Cash's incredible life through the lens of the songs he wrote and recorded Music journalist and historian John Alexander has drawn on decades of studying Cash's music and life from his difficult depression era Arkansas childhood through his death in 2003 to tell a life story through songs familiar and obscure In discovering why Cash wrote a given song or chose to record it Alexander introduces readers anew to a man whose primary consideration of any song was the difference music makes in people's lives and not whether the song would become a hit The hits came of course Johnny Cash sold more than fifty million albums in forty years and he holds the distinction of being the only performer inducted into the Rock and Roll Hall of Fame the Country Music Hall of Fame the Songwriters Hall of Fame and the Gospel Music Hall of Fame The Man in Song connects treasured songs to an incredible life It explores the intertwined experience and creativity of childhood trauma It rifles through the discography of a life Cash's work with the Tennessee Two at Sam Phillips's Sun Studios the unique concept albums Cash recorded for Columbia Records the spiritual songs the albums recorded live at prisons songs about the love of his life June Carter Cash songs about murder and death and addiction songs about rambles and even silly songs Appropriate for both serious country and folk music enthusiasts and those just learning about this musical legend The Man in Song will appeal to a fan base spanning generations Here is a biography for those who first heard I Walk the Line in 1956 a younger generation who discovered Cash through songs like his cover of Trent Reznor's Hurt and everyone in between
