Rediscoveries II:

Rediscoveries II David Madden, Peggy Bach, 1988 Two Rediscovered Works of Ancient Christian Literature: Gregory of Nyssa and Macarius Werner Jaeger, 2023-11-13 More Book Lust Nancy Pearl, 2009-09-29 Whether you're searching for the perfect read for yourself or for a friend More Book Lust offer eclectic recommendations unlike those in any other reading guide available In this followup to the bestselling Book Lust popular librarian Nancy Pearl offers a fresh collection of 1 000 reading recommendations in more than 120 thematic intelligent and wholly entertaining reading lists For the friend wanting to leave her job Living Your Dream offers good armchair dreaming books about people who have left stodgy jobs to do what they love Are you a budding chef Fiction For Foodies includes books that sneak in a recipe or two along with a tantalizing plot For the James Bond wannabe Crime is a Globetrotter features crime novels set in various locations around the world such as Tibet Sweden and Sicily In the book's introduction Pearl jokes If we were at a twelve step meeting together I would have to stand up and say Hi I'm Nancy P and I'm a readaholic Booklist magazine plays off this obsession while echoing a sentiment of Nancy Pearl's fans everywhere A self confessed readaholic Pearl lets us benefit from her addiction May she never seek recovery Indeed **A Primer of the Novel** David Madden, Charles Bane, Sean M. Flory, 2006-06-22 When the first edition of David Madden's A Primer of the Novel For Readers and Writers was published more than twenty five years ago there were no other books of its kind available Since then many authors and editors have produced works that attempt the same comprehensive coverage of the genre However these works tend to be either written solely for writers or solely for readers More often than not those written for readers tend to be aimed at advanced students or critics of the novel In this revised edition David Madden Charles Bane and Sean Flory have produced an updated work that is intended for a general readership including writers teachers and students who are just being introduced to the genre This unique handbook provides a definition and history of the novel a description of early narratives and a discussion of critical approaches to this literary form A Primer of the Novel also identifies terms definitions commentary and examples in the form of quotations for almost 50 types of novels and 15 artistic techniques A chronology of narrative in general and of the novel in particular from 850 B C to the present is also included along with indexes to authors titles novel types and techniques as well as a selective bibliography of criticism Although all novel types present in the first edition are still represented many have become more clearly defined This revised edition also cites several types of novels that did not appear in the first edition such as the graphic novel and the novel of Magical Realism As well as keeping all of the original examples from representative texts the authors have added new examples of more recent works While this book was conceived for a general audience it will be a valuable resource for students teachers and libraries It may be used in any English literature courses at any level including graduate and is suited for creative writing courses as well With its clear and immediately accessible features this handbo

Old Masters Worldwide Susanna Avery-Quash, Barbara Pezzini, 2020-10-15 As a result of the Napoleonic wars vast

numbers of Old Master paintings were released on to the market from public and private collections across continental Europe The knock on effect was the growth of the market for Old Masters from the 1790s up to the early 1930s when the Great Depression put an end to its expansion This book explores the global movement of Old Master paintings and investigates some of the changes in the art market that took place as a result of this new interest Arguably the most important phenomenon was the diminishing of the traditional figure of the art agent and the rise of more visible increasingly professional dealerships firms such as Colnaghi and Agnew s in Britain Goupil in France and Knoedler in the USA came into existence Old Masters Worldwide explores the ways in which the pioneering practices of such businesses contributed to shape a changing market

Lost Legion Rediscovered Donald O'Reilly, 2014-07-19 In AD383 according to Bishop Eucherius of Lyon flooding caused part of the bank of the River Rhone to collapse revealing a massed grave of thousands of bodies Eucherius identified these as a legion recruited for the Roman army from the Christians of the Theban district in Egypt whom he claimed had been massacred nearly a century previously near the modern village of St Maurice en Valais in southwestern Switzerland for refusing to obey orders they considered immoral This incident asserted by Eucherius as matter of fact is unrecorded elsewhere Even the existence of this Theban legion is unclear

Genres Rediscovered Anna Maria Wasył, 2011 A reader of the *epyllion* by Dracontius the elegy by Maximianus and the epigram by Luxorius should not expect that these works and these new embodiments of the old genres will be wholly identical with their archetypes Were it so it would mean that we read but second rate versifiers indeed We may expect rather that thanks to the reading of Dracontius s *epyllion* Maximianus s elegy and Luxorius s epigram our understanding of these very genres may become fuller and deeper than if it was narrowed only to the study of the classical phase of the Roman literature Therefore I have decided to employ in the title of my book the expression genres rediscovered I have found it fair to emphasize that the poets whose works have been studied here merit appreciation for their creativity and indeed courage in reusing and reinterpreting the classical and truly classic literary heritage In addition I have found it similarly fair to stress that for the students of Latin literature the borderline between the classical and the post classical is and should be flexible It is not my intention of course to imply that aesthetic and poetological differences should be ignored or blurred Quite the reverse these differences are profound and multidimensional and as such must be properly understood and explained The main issue is the fact that studies of Latin literature or rather of literature in general and especially generic studies require a proper i e diachronic perspective A description of a certain genre based merely on its most important or generally known representative representatives will always risk becoming incomplete and limited In genology one must be utterly prudent in defining the main and the marginal the relevant and the negligible In this sense an insight into a few genres practiced by some classical and classic Roman poets from the perspective of their post classical followers may be also for a genologist an intriguing rediscovery

Southern Writers Joseph M. Flora, Amber Vogel, 2006-06-21 This new edition of Southern Writers assumes its distinguished

predecessor's place as the essential reference on literary artists of the American South. Broadly expanded and thoroughly revised, it boasts 604 entries, nearly double the earlier edition's, written by 264 scholars. For every figure, major and minor, from the venerable and canonical to the fresh and innovative, a biographical sketch and chronological list of published works provide comprehensive, concise, up-to-date information. Here, in one convenient source, are the South's novelists and short story writers, poets and dramatists, memoirists and essayists, journalists, scholars, and biographers from the colonial period to the twenty-first century. What constitutes a southern writer is always a matter for debate. Editors Joseph M. Flora and Amber Vogel have used a generous definition that turns on having a significant connection to the region in either a personal or literary sense. New to this volume are younger writers who have emerged in the quarter century since the dictionary's original publication, as well as older talents previously unknown or unacknowledged. For almost every writer found in the previous edition, a new biography has been commissioned. Drawn from the very best minds on southern literature and covering the full spectrum of its practitioners, *Southern Writers* is an indispensable reference book for anyone intrigued by the subject.

Seneca the Elder and His Rediscovered ›Historiae ab initio bellorum civilium‹ Maria Chiara Scappaticcio, 2020-06-08. The refreshed insights into early imperial Roman historiography this book offers are linked to a recent discovery. In the spring of 2014, the binders of the archive of Robert Marichal were dusted off by the ERC-funded project PLATINUM (ERC StG 2014 n. 636983) in response to Tiziano Dorandi's recollections of a series of unpublished notes on Latin texts on papyrus. Among these was an in-progress edition of the Latin rolls from Herculaneum, together with Marichal's intuition that one of them had to be ascribed to a certain Annaeus Seneca. PLATINUM followed the unpublished intuition by Robert Marichal as one path of investigation in its own research and work. Working on the Latin P Herc 1067 led to confirm Marichal's intuitions and to go beyond it. P Herc 1067 is the only extant direct witness to Seneca the Elder's *Historiae*. Bringing a new and important chapter of Latin literature arising out of a charred papyrus is significant. The present volume is made up of two complementary sections, each of which contains seven contributions. They are in close dialogue with each other, as looking at the same literary matter from several points of view yields undeniable advantages and represents an innovative and fruitful step in Latin literary criticism. These two sections express the two different but interlinked axes along which the contributions were developed. On one side, the focus is on the starting point of the debate, namely the discovery of the papyrus roll transmitting the *Historiae* of Seneca the Elder, and how such a discovery can be integrated with prior knowledge about this historiographical work. On the other side, there is a broader view on early imperial Roman historiography to which the new perspectives opened by the rediscovery of Seneca the Elder's *Historiae* greatly contribute.

The Work of William Eastlake W. C. Bamberger, 1993-01-01. A complete bibliographical coverage of all the author's works, plus a comprehensive list of secondary sources and reviews.

India Rediscovered Mahesh Vikram Singh, 2006. India Rediscovered is not just another title. India always needed to be rediscovered for the future making of the nation. It needed to

be rediscovered in the context of interplay of its inherent spirit and changing material conditions although the past It needed to be rediscovered in the cycles of rise and fall revival and rejuvenation of all its civilizational and cultural ethos It needed to be rediscovered for a better understanding of the causes of a number of misgivings and misconceptions with a view to find a more positive and rational path of its rebuilding and finally it needed to be rediscovered to listen to the call of the age Salient Features The book falls in the line of some exceptional writings on India s past to its present in a surveying manner and style Analyses the direction of Indian history on the basis of the inter relationship of spirit and matter with regard to general will of the people Evaluates the progress of civilization and culture state and society in India in terms of maximum and total efficiency during different eras of Indian history which is altogether a new vision of looking at India s past Very well studded with references and an exhaustive theme index at the end for the benefit of readers and researchers with a view to open new vistas of research in the field and hence a big contribution to the knowledge **The Revelation**

Rediscovered John Caldwell Calhoun Clarke,1904 **David Madden** Randy Hendricks,James A. Perkins,2006 For four decades Knoxville Tennessee native David Madden has been writing compelling bestsellers such as Bijou and The Suicide s Wife as well as highly respected literary novels such as Sharpshooter David Madden A Writer for All Genres is the first full length critical work devoted to the whole of Madden s oeuvre and collectively the essays make the case that the attention paid to Madden s novels has overshadowed his innovative work as a critic poet short story writer and dramatist Madden is indeed a writer for all genres poetry fiction drama and criticism David Madden A Writer for all Genres will introduce a new generation of readers to an important and multitalented writer and begin a well deserved serious discussion of his place in the American literary tradition **XXIII DAE High Energy Physics Symposium** Prafulla Kumar Behera,Vipin

Bhatnagar,Prashant Shukla,Rahul Sinha,2021-05-18 This volume presents the peer reviewed proceedings of the XXIII DAE BRNS High Energy Physics Symposium 2018 which was held at the Indian Institute of Technology Madras India on 10 15 December 2018 Gathering selected contributions the book highlights the latest developments and research trends in physics detectors and instrumentation relevant to all branches of particle physics astroparticle physics and closely related fields The major topics covered include Standard Model physics beyond Standard Model physics neutrino physics cosmology formal theory heavy ion physics quantum chromodynamics QCD particle detectors and future experiments Given the range of topics discussed the book will be useful for beginners as well as advanced researchers in the field **The Man Who**

Rediscovered God Martin Luther,2021-01-08 Martin Luther The Man Who Rediscovered God Complete Works by Martin Luther Theological Works Sermons Hymns The Ninety five Theses The Bondage of the Will A Treatise on Christian Liberty Prayers Hymns Letters and many more Martin Luther s theology is based on the Bible and not on dogmas Referring to Paul s Epistle to the Romans he claims that salvation is given through God s grace and not through deeds It was adopted by Lutheran Churches and also by the other Reformed Churches in principle Martin Luther was German theologian professor

pastor and church reformer Luther began the Protestant Reformation with the publication of his Ninety Five Theses on October 31 1517 In this publication he attacked the Church's sale of indulgences He advocated a theology that rested on God's gracious activity in Jesus Christ rather than in human works Nearly all Protestants trace their history back to Luther in one way or another Luther's relationship to philosophy is complex and should not be judged only by his famous statement that reason is the devil's whore *Eisenstein Rediscovered* Ian Christie, Professor Richard Taylor, Richard Taylor, 2005-06-28 Offers important new perspectives for reinterpreting Russian culture of the Soviet period presenting an unparalleled diversity of views and methodologies together with two newly discovered texts by Eisenstein International Who's Who in Poetry 2004 Europa Publications, 2003 Provides up to date profiles on the careers of leading and emerging poets

Contemporary Southern Men Fiction Writers Rosemary M. Canfield Reisman, Suzanne Booker-Canfield, 1998 This carefully annotated bibliography lists sources of criticism for thirty nine Southern male authors each of whom has published at least one significant book of fiction between 1970 and 1994 **The Georgia Review**, 1993 *At Home Inside* Elisabeth Petry, 2009 Ann Petry 1908 1997 was a prominent writer during a period in which few black writers were published with regularity in America Her novels *The Street* *Country Place* and *The Narrows* along with a collection of short stories and various essays and works of nonfiction give voice to black experience outside of the traditional strains of poverty and black nationalism *At Home Inside* A Daughter's Tribute to Ann Petry sifts the myriad contradictions of Ann Petry's life from a daughter's vantage Ann Petry hoarded antiques but destroyed many of her journals She wrote but failing to publish for years she used her imagination to design and sew clothes to bake and to garden When fame finally came Ann Petry did not enjoy the travel it brought Though she suffered phobias and anxieties all her life she did not avoid the obligations of literary success until late in her career Ann Petry applied her formidable skills to stories she told about herself and her family and the corrections Elisabeth Petry makes to her mother's inventions will prove invaluable Talking about her life publicly Ann Petry acknowledged six different birth dates She hid her first marriage and even represented her father Peter C Lane Jr as a potential killer Mining Petry's journals Elisabeth Petry creates part biography part love letter and part sounding of her mother's genius and luminescent personality Elisabeth Petry is a freelance writer with a juris doctor from the University of Pennsylvania She lives in Middletown Connecticut and is the editor of *Can Anything Beat White A Black Family's Letters* University Press of Mississippi

prices

2101 07173 the broadcast approach in communication networks - Jun 05 2022

jan 18 2021 the broadcast approach in communication networks ali tajer avi steiner shlomo shamai shitz this paper reviews the theoretical and practical principles of the broadcast approach to communication over state dependent channels and networks in which the transmitters have access to only the probabilistic description of the time varying states

opportunistic spectrum sharing in cognitive radio networks - Dec 11 2022

this springer brief investigates spectrum sharing with limited channel feedback in various cognitive radio systems such as point to point broadcast scheduling and ad hoc networks the design aim is to optimally allocate the secondary resources to improve the throughput of secondary users while maintaining a certain quality of service for

opportunistic spectrum sharing in cognitive radio networks - Mar 02 2022

mar 18 2015 this springer brief investigates spectrum sharing with limited channel feedback in various cognitive radio systems such as point to point broadcast scheduling and ad hoc networks the design aim is to optimally allocate the secondary resources to improve the throughput of secondary users while maintaining a certain quality of service for

the broadcast approach in communication networks pmc - Feb 01 2022

jan 18 2021 other examples include opportunistic scheduling in which the transmitter adjusts encoding and transmission based on a quality of service metric that depends on the state of the channel 8 9 10 e g signal to noise ratio latency and throughput opportunistic spectrum access across time space and frequency and cognitive radio

unified analytical model for broadcast in cognitive radio ad hoc networks - Apr 15 2023

song y xie j 2014 unified analytical model for broadcast in cognitive radio ad hoc networks in broadcast design in cognitive radio ad hoc networks springerbriefs in electrical and computer engineering springer cham doi org 10 1007 978 3 319 12622 7 4 download citation ris enw bib doi doi org 10 1007 978 3 319

broadcast design in cognitive radio ad hoc networks springerbriefs - Aug 07 2022

broadcast design in cognitive radio ad hoc networks springerbriefs in electrical and computer engineering ebook song yi xie jiang amazon com au books

broadcast design in cognitive radio ad hoc networks - Jul 18 2023

jan 1 2014 by intelligently downsizing the original available channel set and designing the broadcasting sequences and broadcast scheduling schemes our proposed broadcast protocol can provide very high

qos based broadcast protocol under blind information in cognitive radio - Oct 09 2022

jan 1 2014 in this book we consider a cr ad hoc network where n sus and k pus co exist in an l times l area as shown in fig 2 1 pus are distributed within the area under the probability density qos based broadcast protocol under blind information in cognitive radio ad hoc networks springerlink

broadcast design in cognitive radio ad hoc networks - Nov 10 2022
