Rediscovering New Testament Prayer:

Rediscovering New Testament Prayer John Koenig, 2004-04-09 John Koenig presents a rich variety of prayer practices that reflect the real prayer experience of Christ and his followers Recapturing the earliest believers extraordinary encounters with the Holy Koenig offers prayer as instruction for the mind renewal of the spirit and help in effecting positive change in one s life Rediscovering New Testament prayer John Koenig, 1992 **Seeking the Favor of God: The origins of penitential prayer in Second Temple Judaism** Mark J. Boda, Daniel K. Falk, Rodney Alan Werline, 2006 Paperback edition available from the Society of Biblical Literature www.sbl-site.org *Whenever They Prayed* Rodney A. Werline, 2021-10-11 In *Whenever They Prayed* Dimensions of New Testament Prayer Rodney A Werline shifts the scholarly approach to New Testament prayer from source and genre analyses to seeing prayer as a cultural practice bringing new dimensions of the prayers to light Assisted by ritual theorists such as Catherine Bell Pierre Bourdieu Talal Assad and Roy Rappaport Werline illuminates the genius of the New Testament authors and the members of their communities Through years of embodied practice these authors and members acquired an aptitude that humans uniquely possess the ability through ritual practice to navigate and maintain their relationships with one another and together with their God Werline especially focuses on how their actions brought cultural memory to life assisted in receiving revelations protected them from demonic powers and established and fulfilled their obligations to one another and to that God The full import of these observations however is not possible without placing the prayers within their Second Temple Jewish context Jewish prayers outside the New Testament should not function as mere background but as evidence of a grand cultural enterprise taking place in which members of the early church actively participated *Embodying Forgiveness* L. Gregory Jones, 1995-08-31 In an engaging and interesting style that draws on a wide variety of literature as well as on Scripture and theological texts Jones shows how the practices of Christian forgiveness are richer and more comprehensive than often thought Prayer in the Bible Carlo Perez, Alexander Quiros-Castillo, Tom Martin, 2009 Paul's Emotional Regime Ian Y. S. Jew, 2020-10-15 In his letters Paul speaks often of his emotions and also promotes certain feelings while banishing others This indicates that for Paul emotion is vital However in New Testament studies the study of emotions is still nascent current research in the social sciences highlights its cognitive and social dimensions Ian Y S Jew combines rigorous social scientific analysis and exegetical enquiry to argue that emotions are intrinsic to the formation of the Pauline communities as they encode belief structures and influence patterns of social experience By taking joy in Philippians and grief in 1 Thessalonians as representative emotions and contrasting Paul s approach with that of his Stoic contemporaries Jew demonstrates that authorized feelings have socially integrating and differentiating functions by reinforcing the shared theological realities upon which emotional norms are based group belonging is bolstered Simultaneously authorized emotions fortify the theological boundaries between Christians and others which strengthens group solidarity in the Church by accentuating its members insider status Using this framework

heuristically Jew explores how the interplay of symbolic ritual and social elements within Paul's eschatological worldview reinforces emotional norms and demonstrates that attention to emotion can only deepen our understanding of the social formation of the early believers

Prayer in John's Farewell Discourse Scott Adams, 2020-03-12 It was reported that a doctoral student at Princeton once asked Albert Einstein What is there left in the world for original dissertation research He replied by saying Find out about prayer Somebody must find out about prayer Since Einstein's day a great deal has been written on the topic of prayer in general However relatively little has been written about prayer in John's Farewell Discourse in particular Therefore this analysis not only seeks to understand the relationship between Johannine and Jewish Greco Roman and Christian prayer traditions but also seeks to discern the unique function

and application of prayer as it is prescribed in the Farewell Discourse Early Jewish Prayers in Greek Pieter W. van der Horst, Judith. H. Newman, 2008-12-10 During the past few decades a great amount of scholarly work has been done on the various prayer cultures of antiquity both Graeco Roman and Jewish and Christian In Jewish studies this burgeoning research on ancient prayer has been stimulated particularly by the many new prayer texts found at Qumran which have shed new light on several long standing problems The present volume intends to make a new contribution to the ongoing scholarly debate on ancient Jewish prayer texts by focusing on a limited set of prayer texts scil a small number of those that have been preserved only in Greek Jewish prayers in Greek tend to be undervalued which is regrettable because these prayers shed light on sometimes striking aspects of early Jewish spirituality in the centuries around the turn of the era In this volume twelve such prayers have been collected translated and provided with an extensive historical and philological commentary They have been preserved on papyrus on stone and as part of Christian church orders into which some of them have been incorporated in a christianized form For that reason these prayers are of great interest to scholars of both early Judaism and ancient Christianity **Biblical Foundations of Spirituality** Barbara E. Rowe, 2017-01-26 Biblical Foundations of Spirituality invites readers to touch a finger to the flame of the Bible by offering guidance on what how and why to read Scripture as a source of spiritual nourishment The second edition builds on Barbara Rowe's acclaimed book with two new chapters by Laurie Brink and John R Barker introducing key theological concepts and exploring how biblical spirituality was first experienced and expressed in early Christian communities The book begins by exploring the many meanings of the word spirituality then leads readers through the Bible from Genesis to Revelation to develop a biblically based spirituality that can serve as a compass in the challenges of life Updated to reference the latest scholarship this book helps make the Bible more accessible and shows how it can be relevant to life today The book stresses the spiritual dimension of biblical figures search for God and shows how their insights about God from successes to dead ends can reflect our contemporary searching and struggles Biblical Foundations of Spirituality reveals the spiritual wisdom of the Bible connecting it with everyday life and spirituality With a chronology reflection questions a glossary and updated notes and bibliography as well as two new chapters the second edition of Biblical Foundations of Spirituality is ideal for classroom parish or individual reading

Liturgical Time and Space Anscar J. Chupungco, 2000 The final volume in the Handbook for Liturgical Studies series Volume V Liturgical Time and Space contains the concluding material for an integral study of the liturgy It opens with a preliminary notion of time and space before discussing in detail three types of liturgical celebrations on which time and space have a direct and particular bearing The first of these is the Liturgy of the Hours This topic is developed in the light of the early Christian tradition until the fourth century and its subsequent forms in both East and West The second is the Liturgical Year traditionally called the anni circulas The development of the Liturgical Year during the first four centuries is reviewed This is followed by a detailed study of the Byzantine Roman and non Roman Western tradition It concludes with the theology

and spirituality of the Liturgical Year wherein the mystery of Christ as a saving event is made present in time so that the faithful may lay hold of it through the Word and the sacraments The theology of liturgical space is drawn from the mutual interaction between the assembled community which gives meaning to the place of assembly and the place itself which upholds and signifies community Articles and their contributors in Part I Liturgy of the Hours are Liturgy of the Hours in the First Four Centuries by Ruben Leikam OSB Liturgy of the Hours in the East by Robert Taft SJ Liturgy of the Hours in the Roman Rite by Ruben Leikam OSB Liturgy of the Hours in the Non Roman West by Ruben Leikam OSB and Theology of the Liturgy of the Hours by Robert Taft SJ Articles and their contributors in Part II The Liturgical Year are The Liturgical Year in the East by Matias Auge CMF The Liturgical Year in the East by Elena Velkova Velkovska The Liturgical Year in the Roman Rite by Matias Auge CMF The Liturgical Year in the Non Roman West by Gabriel Ramis The Cult of Mary in East and West by Ignacio Calabuig OSM The Cult of Saints in East and West by Philippe Rouillard OSB and Theology of the Liturgical Year by Matias Auge CMF Articles and their contributors in Part III Liturgical Space are Dedication of the Church in East and West by Ignacio Calabuig OSM Liturgical Architecture in East and West by Crispino Valenziano and Theology of Liturgical Space by Cettina Militello Anscar J Chupungco OSB is the director of the Paul VI Institute of Liturgy in the Philippines and professor of liturgical inculturation at the Pontifical Liturgical Institute in Rome Among his publications are Liturgies of the Future The Process and Methods of Inculturation and Liturgical Inculturation Sacraments Religiosity and Catechesis published by The Liturgical Press Handbook for Liturgical Studies, Volume V Anscar J. Werline, 2007-05-21 Werline encourages us to look at prayer in the following way to attempt to understand how prayers are tied to particular cultural and social settings Prayers are part of and expressions of a collection of cultural ideas that have been arranged within a system that seems coherent and obvious to those writings the biblical texts Prayers participate in and express a person's worldview Werline shows the ways that though many biblical prayers are familiar to us biblical texts and contemporary readers come from different worlds The Hebrew Bible and the New Testament contain many prayers Large volumes have been written on prayer within a single book or within the writings of one author like Paul or an individual prayer such as the Lord's Prayer Werline does not examine every prayer in the Bible or even write exhaustively on a single prayer He has highlighted a few significant features of each prayer and some of the prayers vividly exhibit the influence of a particular society's vision For example he examines the prayers of 1 and 2 Kings and 1 and 2 Chronicles because of the ways they are tightly tied to the authors' views of history The writers' interpretation of history profoundly influenced significant portions of the Bible as well as the literature of early Judaism **New SCM Dictionary of Christian Spirituality** Philip Sheldrake, 2013-05-20 This dictionary attempts to give direct access to the development of Christian Spirituality It is a series of pieces written by experts to provide instant accurate and thought provoking information of high scholarship Engaging the Powers Walter Wink, 2017-10-15 In this brilliant culmination of his seminal Powers Trilogy now reissued in a twenty fifth anniversary edition Walter Wink explores the problem of evil today and how it relates to the New Testament concept of principalities and powers He asks the question How can we oppose evil without creating new evils and being made evil ourselves Winner of the Pax Christi Award the Academy of Parish Clergy Book of the Year and the Midwest Book Achievement Award for Best Religious Book **They Cried to the Lord** Patrick D. Miller, 1994 Both compellingly and clearly Patrick D Miller introduces biblical prayer in all its varied forms and from different angles the prayers of Israel's neighbors the names of God in prayer prayers for help the response of God praise the prayers of women confession and penitence prayers for others blessing and curse and Jesus and Paul at prayer The perspective throughout is that of faith and its relation to prayer and theology The result is a book of importance for church members students scholars and others
