Writing Across Distances and Disciplines

Joyce Magnotto Neff, Carl Whithaus, 2009-03-04 *Writing Across Distances and Disciplines* addresses questions that cross borders between onsite hybrid and distributed learning environments between higher education and the workplace and between distance education and composition pedagogy. This groundbreaking volume raises critical issues, clarifies key terms, reviews history and theory, analyzes current research, reconsiders pedagogy, explores specific applications of WAC and WID in distributed environments, and considers what business and education might teach one another about writing and learning. Exploring the intersection of writing across the curriculum, composition studies, and distance learning, it provides an in-depth look at issues of importance to students, faculty, and administrators regarding the technological future of writing and learning in higher education.

Landmark Essays on Writing Program Administration Kelly Ritter, MELISSA

IANETTA, 2024-11-01 Leading with the provocative observation that writing programs administration lacks an established set of texts that provides a baseline of shared knowledge in which to root our ongoing conversations and with which to welcome newcomers, *Landmark Essays on Writing Program Administration* focuses on WPA identity to propose one such grouping of texts. This Landmark volume is the cornerstone resource for new Writing Program Administrators and graduate students seeking an ever-important overview of the literature on Writing Program Administration. Drawing broadly across scholarship in writing programs and writing centers, Ritter and Ianetta work to historicize, theorize, and problematize the ever-shifting answers offered to the question: Who or what is a WPA?

Writing Program Administration Susan H. McLeod, 2007-03-16

This reference guide provides a comprehensive review of the literature on all the issues, responsibilities, and opportunities that writing program administrators need to understand, manage, and enact, including budgets, personnel, curriculum, assessment, teacher training, and supervision, and more. *Writing Program Administration* also provides the first comprehensive history of writing program administration in U.S. higher education. *Writing Program Administration* includes a helpful glossary of terms and an annotated bibliography for further reading.

Student Writing in the Quantitative Disciplines

Patrick Bahls, 2012-01-19 Designing interesting problems and writing assignments is one of the chief tasks of all teachers, but it can be especially challenging to translate and apply learning theory, good teaching techniques, and writing assignments into STEM and other quantitative disciplines. *Student Writing in the Quantitative Disciplines* offers instructors in math-based disciplines meaningful approaches to making their coursework richer and more relevant for their students, as well as satisfying institutional imperatives for writing curricula. This important resource provides instructors with the hands-on skills needed to guide their students in writing well in quantitative courses at all levels of the college curriculum and to promote students' general cognitive and intellectual growth. Comprehensive in scope, the book includes ideas for using writing as a means of learning mathematical concepts, illustrative examples of effective writing activities and assignments in a number of different genres, assessment criteria, and effective strategies for responding to students' writing. Examples of ways to help students engage in peer review, revision, and resubmission of their written work. Those of us who spend our lives urging
