

A small blue boat is positioned in the lower center of the frame, floating on a calm body of water. The water's surface is perfectly still, creating a clear reflection of the boat and the sky above. The sky is a vibrant mix of purple, pink, and orange, with scattered white clouds. The overall mood is peaceful and contemplative.

Reflected Glory:

The Masters Speak Seymour B. Ginsburg, Madhava Ashish, 2010-03-30 If you want to pursue in a Western way the path that we follow here at Mirtola you need to study and work with the Gurdjieffian teaching Thus did the guru Madhava Ashish at their first meeting invite American businessman Sy Ginsburg on a spiritual journey that would last 19 years until the guru's death and include both annual visits to Sri Madhava Ashish's Mirtola ashram near Almora in India's Himalayan foothills and a lengthy correspondence Along the way the entrepreneur author would not only be caught up in the teachings of G I Gurdjieff but also in the search for the elusive unitive vision the world viewed from the perspective of the greater Self and not the personality In this remarkable spiritual document the reader shares the search increasingly catching glimpses of the unitive vision as the book draws toward a close that is also an opening out into the vaster dimensions of the human mind
