Gangsterismo Jack Colhoun, 2013-04-01 Gangsterismo is an extraordinary accomplishment the most comprehensive history yet of the clash of epic forces over several decades in Cuba It is a chronicle that touches upon deep and ongoing themes in the history of the Americas and more specifically of the United States government Cuba before and after the revolution and the criminal networks known as the Mafia The result of 18 years research at national archives and presidential libraries in Kansas Maryland Texas and Massachusetts here is the story of the making and unmaking of a gangster state in Cuba In the early 1930s mobster Meyer Lansky sowed the seeds of gangsterismo when he won Cuban strongman Fulgencio Batista s support for a mutually beneficial arrangement the North American Mafia were to share the profits from a future colony of casinos hotels and nightclubs with Batista his inner circle and senior Cuban Army and police officers In return Cuban authorities allowed the Mafia to operate its establishments without interference Over the next twenty five years a gangster state took root in Cuba as Batista other corrupt Cuban politicians and senior Cuban army and police officers got rich All was going swimmingly until a handful of revolutionaries upended the neat arrangement and the CIA Cuban counterrevolutionaries and the Mafia joined forces to attempt the overthrow of Castro Gangsterismo is unique in the literature on Cuba and establishes for the first time the integral extensive role of mobsters in the Cuban exile movement The narrative unfolds against a broader historical backdrop of which it was a part the confrontation between the United States and the Cuban revolution which turned Cuba into one of the most perilous battlegrounds of the Cold War The anti communist hysteria generated by the Cold War frequently unhinged the policy judgments of US government officials in many areas but nowhere so completely as in our relations with Cuba This conclusion is inescapable as Gangsterismo brilliantly unravels the bizarre tale of the Mafia army the Kennedy brothers recruited in their manic determination to rid Cuba of Castro that vexing seemingly indomitable Communist Martin J Sherwin co winner of the Pulitzer Prize together with Kai Bird for *American Prometheus The Triumph and Tragedy of J Robert Oppenheimer* What is shocking is not what is new but how much that is old already on the record in presidential and other archives CIA and FBI files memoirs and histories in Jack Colhoun s Gangsterismo Drawing on the National Security Archives papers and books public and private he damningly documents the pathetic incompetent and sometimes comic but always inappropriate and anti democratic attempts by the CIA and or its confederates working in tandem with members of the mob to assassinate Castro

and overthrow the Cuban revolution Victor S Navasky publisher emeritus The Nation professor Columbia University Graduate School of Journalism **Gangsterismo** is an invaluable addition to our background knowledge about that small island nation that has incurred so much devotion and ire from U S Americans Books about Cuba abound but this one lays bare an often forgotten pre revolutionary history of U S based organized crime and subsequent hidden U S government covert action Colhoun has done his homework This is a must read Margaret Randall author of *To Change the World My Years in Cuba* Few aspects of Cuba U S relations have so doggedly resisted serious inquiry as the subject of organized crime in Cuba Much of what we know has reached us by way of popular culture principally through film and fiction to which the subject of the underworld in the tropics so aptly lends itself Colhoun represents a breakthrough serious scholarship on a serious subject He casts light upon one of the darkest recesses of a dark history calling attention to the convergence of interests between the underworld of criminal activity and nether world of covert operations and reveals in the process that film and fiction have actually only scratched the surface of a sordid story Louis A Prez Jr editor *Cuba Journal* professor of history University of North Carolina at Chapel Hill

**Lethality in Combat** Doctor Tom Lewis,2012-02-01 *Lethality in Combat* shines a blazing light on the three most controversial aspects of military combat the necessity of killing the taking or not of prisoners and the targeting of civilians This book argues that when a nation state sends its soldiers to fight the state must accept the full implications of this uncomfortable as they may be Drawing on seven conflicts the Boer War World Wars I and II and the wars in Korea Vietnam the Falklands and Iraq the author considers these ethical issues

In The Shadow Of A Monument Anthony D. Marshall, 2023-08-03 The only child of Brooke Astor the Queen of New York a powerful force who inherited the enormous Astor fortune Anthony Marshall became a decorated Marine a diplomat and US ambassador a codebreaker a covert spy with the newly formed CIA a special assistant to the U2 program during the Cold War and dedicated to the global conservation of animal and floral habitat Always interested in the arts he and his third wife co produced two Tony Award Broadway plays in the early 2000s Marshall was the stepson of Vincent Astor one of the wealthiest men in America and witnessed the life of the ultra privileged in New York City firsthand In 2006 his carefully directed life was on the verge of being destroyed by a criminal accusation from his own son Heartbroken Marshall read the formal wording of the accusation elder abuse of his mother who was then one hundred four years old What followed were years of constant tabloid sensationalism and negative press that destroyed Marshall s reputation and damaged his relationships with family and friends After a six months long trial he was sentenced to 1 3 years in a New York State prison when he was eighty nine years old Together with his beloved wife Charlene he faced what he called the greatest challenge of my life since landing his Marine platoon onto Blue Beach at Iwo Jima on D 1 These two survived this brutal attack together with their souls intact and their love stronger than ever These are his stories

*Women Warriors in Romantic Drama* Wendy C. Nielsen, 2012-12-06 *Women Warriors in Romantic Drama* examines a recurring figure that appears in French British and German drama between 1789 and 1830 the woman warrior The term itself woman warrior refers to quasi historical female soldiers or assassins Women have long contributed to military campaigns as canteen women Camp followers ranged from local citizenry to spouses and prostitutes and on occasion women assisted men in combat However the woman warrior is a romantic figure meaning a fanciful ideal despite the reality of women s participation in select scenes of the French Revolution and the Napoleonic Wars The central claim of this book is the woman warrior is a way for some women writers Olympe de Gouges Christine Westphalen Karoline von G nderode and Mary Robinson to explore the case for extending citizenship to women This project focuses primarily on theater for the reason that the stage simulates the public world that female dramatists and their warriors seek to inhabit Novels and poetry clearly belong to the realm of fiction but when audiences see women fighting onstage they confront concrete visions of impossible women I examine dramas in the context of their performance and production histories in order to answer why so many serious dramas featuring women warriors fail to find applause or fail to be staged at all Dramas about women warriors seem to sometimes contribute to the argument for female citizenship when they take the form of tragedy because the deaths of female protagonists in such plays often provoke consideration about women s place in society Consequently where we find women playing soldiers in various entertainment venues farce and satire often seem to dominate although this book points to some exceptions Censorship and audience demand for comedies made producing tragedies difficult for female playwrights who battled additional obstacles to fashioning their careers I compare male Edmund Eyre Heinrich von Kleist and female writers dramatizations of the woman

warrior This analysis shows that the difficult project of getting audiences to take women warriors seriously resembles women writers struggles to enter the ostensibly male domains of tragedy and the public sphere Published by University of Delaware Press Distributed worldwide by Rutgers University Press     Fight Sports and the Church Richard Wolff, 2021-02-26 Fighting sports may seem at odds with Christian tradition yet modern ministries have embraced them as a means for evangelism and social outreach While news media often sensationalize fighting sports churches see them as a way to appeal to male congregants presenting a peace loving yet tough model of discipleship From martial arts programs at suburban churches to urban boxing ministries geared towards at risk youth this book examines the substantial history of church sponsored training in combat sports and presents arguments by Christian ethicists about their compatibility with church teachings and settings Interviews with boxing and martial arts ministry leaders describe their programs and the relationship between fight sports and faith     **No Atheists in Foxholes** Patrick McLaughlin, 2010-04-12 Experience gripping wartime stories and honest prayers by this Camp David chaplain now serving in Iraq When words mean less and less but money talks more and more when blasphemy is a best seller and eternal war has replaced hopeful diplomacy in times like these is prayer even possible Patrick J McLaughlin thinks so McLaughlin is an active duty Navy Chaplain who has ministered to heads of state and to soldiers living and dying in the heat of Iraq No Atheists in Foxholes assembles Chaplain McLaughlin s experiences and prayers from e mails private notes and personal conversations that take us real time into realms of duty and spirit from the quiet darkness of his infant son s New England bedroom on September 11 2001 to the bomshelled medical tents and blistered Army Humvees of Anbar Province Chaplain McLaughlin believes that prayer is not only possible but critical We must all learn to pray for peace he says and then become an answer to that prayer
