**Reflections of God's Work** Paul McLean, 2010-08-23 This work by Paul McLean is a deep weekly devotional that is both introspective and interactive It is a weekly study as opposed to a daily reading in order to involve the reader on a more contemplative journey into focused biblical issues By use of a weekly instead of a daily study this devotional allows an opportunity to go deeper with God by narrowing the reader's focus on particular biblical principles that impact his or her personal sphere McLean vigorously maintains that Bible study deep personal analysis and prayer are

critical anchors in weathering any of life's storms while at the same time producing Christian growth and maturity. They are also the pillars from which growth, life balance and fulfillment are achieved. This book is interactive through the use of journaling thoughts, impressions and messages received through connecting with God's word, Bible, during the week. Essentially, the reader evaluates his or her life by answering in journalistic form pointed and personal life questions. McLean believes that prayer and contemplative study play critical roles in the process of hearing from God. This devotional can also be used as a study guide for group sharing and personal growth. Each chapter touches on insights and personal experiences McLean has encountered in his work as a probation officer and from his involvement in prison ministry. He discovered that by witnessing the transforming power of Jesus Christ in the lives of criminal offenders, he was changed and shaped by God for a higher purpose.

**Moon in the Darkness** Doug Tweed, 2015-07-30 Doug Tweed uses *Moon in the Darkness*, a poem inspired by his dramatic encounter with God, as the launching pad for reflections on how the kingdom of God can be revealed through the life of a disciple, the church, family, prayer, revival and intimacy with the Holy Spirit. Because each reflection includes multiple Scripture references, they can be used as tools for both personal spiritual growth and small group Bible study and discussion.

**Memories of God** Roberta C. Bondi, 1995 Reminiscent of the writings of Augustine, Teresa and Thomas Merton, this volume is a book of honest pain and honest joy in the presence of God.

**Reflections** Yosaris Rodriguez, 2023-02-09 *Reflections: Conversations with God* is a book geared towards my journey of getting to know Jesus Christ. I started sharing quotes that I deemed as God's words to me on social media, and a friend of mine asked me to think of a hashtag so that I would not lose those quotes. His exact words: "Trust me, you will use these one day." The book starts with a spoken word poem called *Reflections*. The poem reflects on my journey growing up; this sets the tone of the emotional journey we must sometimes face in life. Behind every inspiring quote, a life-changing experience occurs. You will notice I do not use chapters; I use dates and quotes. I did this purposely so that I can make this personal and connecting. I am a true believer that God speaks to us in many different ways if we are ready to listen.

He will give you the answers you seek In this book I also included pictures that help explain the story I am telling I pray this book not only encourages you but expands your mind to believe in His everlasting love **Journey into God** Mark G. Boyer,2022-01-28 This is a book about spirituality more specifically the spiritual journey Before beginning any journey or trip spiritual or otherwise we experience a state of order Then comes the call to journey to travel to take a trip to walk to pilgrimage to hit the road etc The call to begin a journey may come from an urge within us it may be an invitation from a spouse or a friend to fly somewhere it may be as simple as taking the dog for a walk in the neighborhood even taking different streets The call disrupts our ordered lives We prepare for our excursion We enter into the stage of chaos when we take the journey also we enter into the process of transformation By the time we get home we will be transformed These are the steps of the spiritual journey into God order hearing the call to journey answering the call with preparation entering the chaos of the journey and being and coming home transformed Ninety seven reflections are presented in this book in seven chapters devoted to journey road path route highway gateway walk way and more **Reflections on the Word** Ken Gire,1998 If you really want to hear what God is saying to you first you have to slow down That is what Reflections on the Word by acclaimed writer Ken Gire is designed to help you do To create pauses for reflection like park benches that allow you to stop and sit and reflect on your spiritual journey To check the map And your bearings And to make any adjustments in your course Each reflection begins with a Scripture reading It s followed by a meditation that offers insight into the passage written either by Ken Gire or other spiritual guides from around the world and across the centuries including Dietrich Bonhoeffer Catherine Marshall Oswald Chambers and Edith Schaeffer The closing prayer is intended only to start you praying in hopes that the Holy Spirit will bring other things to mind other vistas He would have you see other paths He would have you take other precipices He would have you avoid This is a companion book to two others in this new series by Ken Gire that emphasize the centuries old tradition of reflective living The Reflective Life a spiritual primer and Reflections on Your Life a journal **Celebrating the Wrath of God** Jim McGuiggan,2001-09-18 Is There a Purpose to Suffering And Loss We only have to live to see or experience how agonizing life can be We are surrounded by child abuse and neglect starving families premature deaths of those we love natural disasters and global disease How could a God worthy of respect and worship allow such a world to exist There are no simple answers But there is hope For claims author Jim McGuiggan suffering may in fact be the last thing we expect an expression of God s wrath which in turn is nothing other than his relentless loving pursuit of us If this is true then suffering is a vital part of God s work to redeem his creation Give this claim a hearing and you just might see the suffering world in a new way a world shot through with glory and hope and assurance
