*Reflection* Milt Lemke Jr., 2005-05-27 Through the years I've learned much from my Poetry Mentors who are many and a few I've mentioned in this book They taught me by example that yes I too can be a Poet I too can be a member of this extraordinary extended family A good dose of courage and risk taking is what's needed to achieve some sort of compromising end Frankly I've learned little of this art from text books and class rooms It's The Masters the elder Poets who are my text book and class room teaching me the refinement process of honing and polishing Whatever course my poetry and prose might take My Tutors assure me it's a well worth the journey down every path and side path Visiting every side show I visit and eventually discovering my style I consider my poems and prose as my children Like their parent I want them to do their best I've nurtured them loved them and cared for them I've held on to them long enough It's time they go out on their own You may be disappointed if you fail but you are doomed if you don't try Beverly Sills Milt Lemke Jr
