Reflections On Slovak History:

Reflections on Slovak History Stanislav J. Kirschbaum, Anne C. R. Roman, 1987 A History of Slovakia Stanislav J. Kirschbaum, 2016-05-10 This classic book offers the most comprehensive and up to date history of Slovakia from its establishment on the Danubian Plain to the present While paying tribute to Slovakia's resilience and struggle for survival it describes contributions to European civilization in the Middle Ages the development of Slovak consciousness in response to Magyarization its struggle for autonomy in Czechoslovakia after the Treaty of Versailles its resistance as the first Slovak Republic to a Nazi controlled Europe its reaction to Communism and the path that led to the creation of the second Slovak Republic Now fully updated to the present day the book examines the vagaries of Slovak post Communist politics that led to Slovakia's membership in NATO and the European Union **Illustrated Slovak History** Anton Špiesz, Dušan Čaplovič, Ladislaus J. Bolchazy, 2006 Little contemporary scholarship on Slovak history exists in English This title fills an important gap in historiography about events throughout Central Europe over the last fourteen centuries It presents the history of Slovakia in terms of the latest scholarship and in the context of on going historical debate about Slovak history and its presentation in post socialist world Extensive footnotes by scholars 350 color illustrations Index Bibliography Foreword and Epilogue The History of the Czech Republic and Slovakia William Mahoney, 2011-02-18 This survey of Czech and Slovak history traces the development of two neighboring peoples through the creation of a common Czechoslovakian state in 1918 to the founding of the independent Czech and Slovak Republics in 1993 and beyond The History of the Czech Republic and Slovakia charts historical developments in the two nations to the opening decade of the 21st century The book begins with an overview of the geography climate people economy and government of both the Czech and Slovak republics Subsequent chapters offer a chronologically organized survey of historical events trends ideas and people Starting with the early Slavic settlements around the 5th century AD the book explores Czech and Slovak history through the Middle Ages the Renaissance and Early Modern eras the Enlightenment and the age of nationalism and revolution Chapters on the 20th century include discussion of the World Wars the interwar Czechoslovak state the Communist decades the Prague Spring and the Velvet Revolution of 1989 The story is brought up to date with insights into developments in the independent Czech and Slovak republics since 1993 Historical Dictionary of Slovakia Stanislav J. Kirschbaum, 2013-11-14 On the stroke of midnight on 1 January 2013 the inhabitants of Slovakia celebrated a major milestone in their history two decades of democratic government and personal freedom This is so far the longest period of such rule in their history This anniversary surpasses by a few months their only previous generation long experience namely in the First Czecho Slovak Republic 1918-1938 The difference of course is that the Slovaks no longer share a state with another nation but run their own affairs Slovakia is now an accepted and recognized member in the family of nations whose athletes artists and other notable personalities are acknowledged around the world It is a member of international organizations and multilateral institutions

and participates in efforts to maintain peace and enhance prosperity around the world The third edition of Historical Dictionary of Slovakia provides a thorough update of the many accomplishments that Slovakia has achieved This is done through a chronology an introductory essay and an extensive bibliography The cross referenced dictionary section has over 1000 entries on significant persons places and events political parties and institutions literature music and the arts This book is an excellent resource for students researchers and anyone wanting to know more about Slovakia The Slovak Question Michael R. Cude, 2022-06-07 The so called Slovak question asked what place Slovaks held or should have held in the former state of Czechoslovakia Formed in 1918 at the end of World War I from the remains of the Hungarian Empire and reformed after ceasing to exist during World War II the country would eventually split into the Czech Republic and Slovakia after the Velvet Divorce in 1993 In the meantime the minority Slovaks often clashed with the majority Czechs over their role in the nation The Slovak Question examines this debate from a transatlantic perspective Explored through the relationship between Slovaks Americans of Slovak heritage and United States and Czechoslovakian policymakers it shows how Slovak national activism in America helped the Slovaks establish a sense of independent identity and national political assertion after World War I It also shows how Slovak American leaders influenced US policy by conceptualizing the United States and Slovakia as natural allies due to their connections through immigration This process played a critical role in undermining attempts to establish a united Czechoslovakian identity and instead caused a divide between the two groups which was exploited by Nazi Germany and then by other actors during the Cold War and proved ultimately to be insurmountable **1948 and 1968 - Dramatic Milestones in Czech and Slovak History** Laura Cashman, 2013-09-13 This volume has been published to coincide with the anniversaries of two significant milestones in Czech and Slovak history the establishment of communist rule in 1948 and the Prague Spring of 1968 and in anticipation of the 20th anniversary of the 1989 Velvet Revolution Given the ultimate failure of the communist system these events and their legacy for Czech and Slovak society and politics merit continued study particularly given the wealth of new data made available when state and Party archives were finally opened in the 1990s The essays in this volume by witnesses historians and social scientists from the Czech Republic and Slovakia the USA UK and Australia offer a reappraisal of those turbulent events They present new and original research based on information from archives which were not opened until after 1990 and which is not yet available to audiences who do not speak Czech or Slovak This volume will therefore be of interest to both specialists and general readers who are curious to learn more about these events This book was published as a special issue of Europe Asia Studies *The Czech And Slovak Republics* Carol Leff, 2018-02-15 This clear objective introduction to the politics of Czechoslovakia and the successor Czech and Slovak Republics provides a comprehensive analysis of Czechoslovakia in the postcommunist period Carol Leff builds a framework for understanding the dynamics of the triple transition democratization marketization and a national transformation that has reconfigured the dynamic between state and nation She shows how the interaction of these three

transformational agendas has shaped Czechoslovakia's development ultimately culminating in the paradoxical disintegration of a state that most of its citizens wished to preserve. The book offers a valuable case study of a country coming back to Europe but it also provides an opportunity for analyzing the influence of communism on what had been a significant interwar European state. The book's strong comparative element will make it invaluable as well for those seeking to understand contemporary Central and Eastern Europe. **Beyond Violence** Anna Cichopek-Gajraj, 2014-06-19 A unique perspective that goes beyond violence to compare the daily experiences of Holocaust survivors returning to Poland and Slovakia.

Handbook of Polish, Czech, and Slovak Holocaust Fiction Elisa-Maria Hiemer, Jiří Holý, Agata Firlej, Hana Nichtburgerová, 2021-06-21 The Handbook of Polish Czech and Slovak Holocaust Fiction aims to increase the visibility and show the versatility of works from East Central European countries. It is the first encyclopedic work to bridge the gap between the literary production of countries that are considered to be main sites of the Holocaust and their recognition in international academic and public discourse. It contains over 100 entries offering not only facts about the content and motifs but also pointing out the characteristic fictional features of each work and its meaning for academic discourse and wider reception in the country of origin and abroad. The publication will appeal to the academic and broader public interested in the representation of the Holocaust, anti-Semitism and World War II in literature and the arts. Besides prose it also considers poetry and theatrical plays from 1943 through 2018. An introduction to the historical events and cultural developments in Poland, Czechoslovakia, Czech and Slovak Republic and their impact on the artistic output helps to contextualise the motif changes and fictional strategies that authors have been applying for decades. The publication is the result of long-term scholarly cooperation of specialists from four countries and several dozen academic centres. **Czechoslovakia 1918-88**

H. Gordon Skilling, 1991-08-05 The book examines the history of Czechoslovakia in the seventy years since its founding by T. G. Masaryk. It analyses the profound changes which took place during the First Republic, the Nazi occupation, postwar liberation and communist rule, including both the Stalinist years, the Prague Spring of 1968 and the subsequent period of normalization to 1988. **Central and South-Eastern Europe 2004** Europa Publications, 2003 Comprises a general survey of the region, country surveys, political profiles of the region and information on international and regional organizations and research institutes. **The Ghosts of Europe** Anna Porter, 2011-01-18 In 1989 Adam Michnik said that Central Europe came as a messenger not only of freedom and tolerance but also of hatred and intolerance. It is here in Central Europe that the last two wars began. Nearing the twentieth anniversary of Communism's collapse, acclaimed author Anna Porter traveled to Poland, the Czech Republic, Slovakia and Hungary to discover whether and how democracy has taken root in these former Iron Curtain countries. The former borderlands of the long defunct Hapsburg Empire and the more recently dispersed Soviet Empire have attempted to invent their own forms of democracy and capitalism. However, disturbing signs of old attitudes have returned, bringing into question Central Europe's ability to reform its elites and to effectively control public demonstrations.

of hatred the rise of racial tensions and the emergence of fascist parties Porter interviewed the young and the old the winners and the losers in this grand European transformation Porter walks Wenceslas Square with those who suffered the violence of the state police and helped to organize the 89 revolution She meets with revolutionary leaders such as Vclav Havel and Adam Michnik as well as custodians of the new regimes among them Radek Sikorski Michael Koc b and Ferenc Gyurcs ny She takes us to Poland s Institute of National Remembrance and Budapest s House of Terror Museum fascinating if controversial attempts to reckon with dark periods of history She interviews the wealthiest man in Hungary the general who ordered martial law in Poland attends an ultraright rally and visits a Gypsy village where a newly burgeoning yet all too familiar racism has destroyed a family Gradually a portrait emerges of a Europe struggling under the weight of history and memory its peoples divided over half forgotten events old ethnic rivalries borders drawn and redrawn ghosts that had lurked unacknowledged under Communism s force fed stories of peaceful coexistence and a common front toward the Western enemy Now Central European rhetoric veers between historical reckoning revisionism and the politics of retribution Penetrating fascinating and powerfully observed *The Ghosts of Europe* illuminates themes of tyranny nationalism racism and denial in nations with a tumultuous history and a future very much in the balance

Morality of the Past from the Present Perspective Vasil Gluchman, 2009-03-26 The monograph is divided into four parts The work starts with Preface in which Vasil Gluchman presents socio political socio cultural and ideological context of the first half of the twentieth century and the situation in Slovakia and Central Europe in this historical period placing this monograph and the works of individual contributors into the context of the given era The first part deals with philosophical and ethical issues arising from the examination of morality at the end of the 19th century and the beginning of the 20th century This part creates the methodological starting point for the examinations presented in the next three parts of the monograph The second part focuses on the development of philosophical and ethical reflection of morality in Slovakia in the given era The third part examines socio political and professional ethical aspects of the development and functioning of morality in Slovakia in the first half of the 20th century Reflections of morality in Slovakia in the Slovak literature of the first half of the 20th century are the object of interest in the fourth part of the monograph

A History of Slovak Economic Thought Julius Horváth, 2021-12-29 Slovakia has a rich and complex history but until now there has not been a comprehensive analysis of the nation s economic thought This volume expertly fills this gap and traces the development of Slovak economic thought from the sixteenth century to the present day Identifying key themes moments and thinkers the chapters in this work consider the evolution of Slovak economic ideas and explores the nation s place alongside other schools of thought Significant coverage is given to the economists Gregorius Berzeviczy and Imrich Karva as well as landmark periods such as the creation of Czechoslovakia the World Wars the Socialist regime and post Communist Slovakia This book is of interest to advanced students and researchers of the history of economic thought economic history and political economy as well as

those with a specific interest in the history of Slovakia

Home and the World in Slovak Writing Katarina

Gephardt, Charles Sabatos, Ivana Taranenková, 2025-03-04 Literatures of small nations represent a minuscule portion of the global literary marketplace where books written in English outnumber translated works The struggle for visibility in relation to dominant languages and cultures is not new in Slovakia a nation of five million whose literary history has been shaped by the influence of more widely spoken languages including Hungarian Czech and Russian Home and the World in Slovak Writing brings Slovak literature out of this isolation to tell the story of how a nation's literature can survive and thrive despite a small domestic audience and relatively limited circulation in English translation The book demonstrates how historic events such as the post Stalin Thaw the Prague Spring and the Velvet Revolution moulded the Slovak canon and situates contemporary Slovak literature in broader regional and global contexts Through case studies of the transformations and adaptations of Slovak literature contributors examine the changing social roles of writers the tensions between tradition and innovation and the dynamic interactions between influences from the outside world and domestic sources of inspiration Home and the World in Slovak Writing maps the relationship between geopolitical destiny and literary production at a critical moment As relations between the East and the West are destabilized by war the question of cultural identity has again become a matter of national survival in Central Europe

Defining the Sovereign Community Nadya Nedelsky, 2012-02-28

Though they shared a state for most of the twentieth century when the Czechs and Slovaks split in 1993 they founded their new states on different definitions of sovereignty The Czech Constitution employs a civic model founding the state in the name of the citizens of the Czech Republic while the Slovak Constitution uses the more exclusive ethnic model and speaks in the voice of the Slovak Nation Defining the Sovereign Community asks two central questions First why did the two states define sovereignty so differently Second what impact have these choices had on individual and minority rights and participation in the two states Nadya Nedelsky examines how the Czechs and Slovaks understood nationhood over the course of a century and a half and finds that their views have been remarkably resilient over time These enduring perspectives on nationhood shaped how the two states defined sovereignty after the Velvet Revolution which in turn strongly affected the status of the Hungarian minority in Slovakia and the Roma minority in the Czech Republic Neither state has secured civic equality but the nature of the discrimination against minorities differs Using the civic definition of sovereignty offers stronger support for civil and minority rights than an ethnic model does Nedelsky's conclusions challenge much analysis of the region which tends to explain ethnic politics by focusing on postcommunist factors especially the role of opportunistic political leaders Defining the Sovereign Community instead examines the undervalued historical roots of political culture and the role of current constitutional definitions of sovereignty Looking ahead Nedelsky offers crucial evidence that nationalism may remain strong in Slovakia and the Czech Republic even in the face of democratization and EU integration and is an important threat to both

Central and South-Eastern Europe 2003 Europa Publications, 2002 An in depth survey of the region

presenting the latest economic and political developments It includes expert comment on issues of regional importance up to date statistics a directory of institutes and companies and political profiles *Oral History and the Holocaust in Slovakia* Monika Vrzgulová, 2024-12-18 Nearly thirty years ago Monika Vrzgulová took part in the very first oral history research project aimed at Holocaust survivors in Slovakia That project transformed her professional as well as her personal life The Holocaust as a scholarly subject and the oral history method have stayed with her to this day This book summarizes her findings and the experience she has acquired researching Holocaust memory combining memory studies oral history autoethnography and reflexive writing methods It presents data from two international research projects which took part in Slovakia too and are available to experts and the public online The insights gained from this research are contextualised with the social situation in a country that is trying to come to terms with its past after the fall of Communism **Slovakia in History** Mikuláš Teich, Dušan Kováč, Martin D. Brown, 2011-02-03 Until the dissolution of Czechoslovakia Slovakia's identity seemed inextricably linked with that of the former state This book explores the key moments and themes in the history of Slovakia from the Duchy of Nitra's ninth century origins to the establishment of independent Slovakia at midnight 1992 3 Leading scholars chart the gradual ethnic awakening of the Slovaks during the Reformation and Counter Reformation and examine how Slovak national identity took shape with the codification of standard literary Slovak in 1843 and the subsequent development of the Slovak national movement They show how after a thousand years of Magyar Slovak coexistence Slovakia became part of the new Czechoslovak state from 1918 39 and shed new light on its role as a Nazi client state as well as on the postwar developments leading up to full statehood in the aftermath of the collapse of communism in 1989 There is no comparable book in English on the subject

Reflections On Slovak History Introduction

In this digital age, the convenience of accessing information at our fingertips has become a necessity. Whether its research papers, eBooks, or user manuals, PDF files have become the preferred format for sharing and reading documents. However, the cost associated with purchasing PDF files can sometimes be a barrier for many individuals and organizations. Thankfully, there are numerous websites and platforms that allow users to download free PDF files legally. In this article, we will explore some of the best platforms to download free PDFs. One of the most popular platforms to download free PDF files is Project Gutenberg. This online library offers over 60,000 free eBooks that are in the public domain. From classic literature to historical documents, Project Gutenberg provides a wide range of PDF files that can be downloaded and enjoyed on various devices. The website is user-friendly and allows users to search for specific titles or browse through different categories. Another reliable platform for downloading Reflections On Slovak History free PDF files is Open Library. With its vast collection of over 1 million eBooks, Open Library has something for every reader. The website offers a seamless experience by providing options to borrow or download PDF files. Users simply need to create a free account to access this treasure trove of knowledge. Open Library also allows users to contribute by uploading and sharing their own PDF files, making it a collaborative platform for book enthusiasts. For those interested in academic resources, there are websites dedicated to providing free PDFs of research papers and scientific articles. One such website is Academia.edu, which allows researchers and scholars to share their work with a global audience. Users can download PDF files of research papers, theses, and dissertations covering a wide range of subjects. Academia.edu also provides a platform for discussions and networking within the academic community. When it comes to downloading Reflections On Slovak History free PDF files of magazines, brochures, and catalogs, Issuu is a popular choice. This digital publishing platform hosts a vast collection of publications from around the world. Users can search for specific titles or explore various categories and genres. Issuu offers a seamless

reading experience with its user-friendly interface and allows users to download PDF files for offline reading. Apart from dedicated platforms, search engines also play a crucial role in finding free PDF files. Google, for instance, has an advanced search feature that allows users to filter results by file type. By specifying the file type as "PDF," users can find websites that offer free PDF downloads on a specific topic. While downloading Reflections On Slovak History free PDF files is convenient, its important to note that copyright laws must be respected. Always ensure that the PDF files you download are legally available for free. Many authors and publishers voluntarily provide free PDF versions of their work, but its essential to be cautious and verify the authenticity of the source before downloading Reflections On Slovak History. In conclusion, the internet offers numerous platforms and websites that allow users to download free PDF files legally. Whether its classic literature, research papers, or magazines, there is something for everyone. The platforms mentioned in this article, such as Project Gutenberg, Open Library, Academia.edu, and Issuu, provide access to a vast collection of PDF files. However, users should always be cautious and verify the legality of the source before downloading Reflections On Slovak History any PDF files. With these platforms, the world of PDF downloads is just a click away.

FAQs About Reflections On Slovak History Books

1. Where can I buy Reflections On Slovak History books? Bookstores: Physical bookstores like Barnes & Noble, Waterstones, and independent local stores. Online Retailers: Amazon, Book Depository, and various online bookstores offer a wide range of books in physical and digital formats.
