Charlesworth, 2006 The recovery of 800 documents in the eleven caves on the northwest shores of the Dead Sea is one of the most sensational archeological discoveries in the Holy Land to date These three volumes the very best of critical scholarship demonstrate in detail how the scrolls have revolutionized our knowledge of the text of the Bible the character of Second Temple Judaism and the Jewish beginnings of Christianity Biblical Interpretation in Early Christian Gospels Volume 1 Thomas Hatina, 2006-06-23 This collection of essays is the second volume in a projected series of five volumes that gather together recent research by leading scholars on the narrative function of embedded Jewish scripture texts quotations or allusions in early Christian Gospels While the contributors employ a diverse range of methods their research is directed towards considering the function of embedded scripture texts in the context of the Gospels as self contained narratives written and read heard in their early Christian settings The essays are arranged according to their appropriate
