Faith-based Reflections on American Life William J. Byron,2010 *The Marriage God Wants for You* Cardinal Donald Wuerl,2015-06-01 Most people would agree that marriage today is in crisis What is usually overlooked even by those married in the Church is that God intended marriage to be a sacrament The Lord wants couples to rely on his promise to be present in their day to day lives and he wants to give them the grace to live out a covenantal love that mirrors the love of the Trinity Rather than simply a defense of marriage this book presents the good news about sacramental marriage Cardinal Donald Wuerl uses his years of pastoral experience and his gift of teaching to give hope and courage to both engaged couples and those married for many years and to anyone thinking about the meaning or vocation of marriage Features short vignettes written by married couples living out their vocation in the good and hard times Useful for marriage preparation or for any Catholic confused about the debates on marriage going on today

Hindsight Rev T Jerome Overbeck Ph D,T. Jerome Overbeck, Ph.d.,2014-08-27 People who have prepared a wedding and actually lived a marriage offered these reflections As one who accompanied many in these areas over the last thirty five years patterns emerge worth further consideration For example no couple exactly mirrors another Even the husband and wife within the same marriage who experienced the same wedding do not always see and understand the same experience the same way By comparison and contrast we can gain insight into aspects of our unique experience We can identify qualities worth developing or diminishing We can examine presuppositions and expectations and foregone conclusions which warrant

reconsideration and perhaps modification We can learn perspectives and strategies which others found helpful in their situation and try them on for size Also though it may not fit exactly someone else s reflection may trigger a little different insight into the dynamics of your relationship Almost every single contributor to this book articulated their surprise at the helpfulness of their reflecting and articulating their thoughts for themselves Offering reflections upon their experience enabled them to identify and to put words on the dynamics present in their relationship which helped or hurt over time While many of the issues and concerns surfaced during their wedding weekend and married life often they remained just below the radar of consciousness until they reflected upon them for someone else to understand including their spouse **One**
