**Reflections: The Perfect Time Volume 1** Zara Matthan,2013-07 Reflections The Perfect Time This book is a compilation of devotionals It is the first book of a series examining certain spiritual topics of interest to the authors Some of the authors kept their legal names and some elected to use fictitious names Even though the topics of meditation are written based on lay persons level of comprehension of God s word those topics are nevertheless quite profound in their significance as they appeal to and stimulate the interest of serious readers of God s word to reflect on the times in which they now live challenging times as they relate to matters of the spirit It is the sincere wishes and prayers of the authors of this book that each devotional read in a prayerful spirit will raise the consciousness of the reader concerning these times of interesting changes May they be blessed with what matters most as they move forward in their spiritual journey May they be filled with compassionate giving hearts that are willing to put others first to elevate rather than degrade to give the respect that others deserve instead of demanding it for themselves at every cost it takes a spirit of humility to accept this A life of victory is promised to those who keep their hands in God s hand as they grow daily in His word May the blood of Jesus covers all and keep them sheltered under that covenant till He comes again
