Launching the War on Poverty Michael L. Gillette,2010-07-09 Head Start Job Corps Foster Grandparents College Work Study VISTA Community Action and the Legal Services Corporation are familiar programs but their tumultuous beginning has been largely forgotten Conceived amid the daring idealism of the 1960s these programs originated as weapons in Lyndon Johnson s War on Poverty an offensive spearheaded by a controversial new government agency Within months the Office of Economic Opportunity created an array of unconventional initiatives that empowered the poor challenged the established order and ultimately transformed the nation s attitudes toward poverty In *Launching the War on Poverty* historian Michael L. Gillette weaves together oral history interviews with the architects of the Great Society s boldest experiment Forty nine former poverty warriors including Sargent Shriver Adam Yarmolinsky and Lawrence F O'Brien recount this inside story of unprecedented governmental innovation The interviews capture the excitement and heady optimism of Americans in the 1960s along with their conflicts and disillusionment This new edition of *Launching the War on Poverty* adds the voice of Lyndon Johnson to the story with excerpts from his recently released White House telephone conversations In these colorful and brutally candid conversations LBJ exercises his full arsenal of presidential powers political leverage and legendary persuasiveness to win one of his most difficult legislative battles The second edition also documents how the OEO s offspring survived their volatile origins to become broadly supported features of domestic policy *Freedom and Indigenous*

Constitutionalism John Borrows,2016-01-01 John Borrows uses Ojibwe law stories and principles to suggest alternative ways in which Indigenous peoples can work to enhance freedom **Settlement Houses Under Siege** Michael Fabricant,Robert

Fisher,2002 This book focuses on the externally driven difficulties of service workers and agencies in shaping services such as the consequences of recent conservative social policies on agency life and the way in which the present political environment influences services through privatization **Global Migration, Social Change, and Cultural**

Transformation E. Elliott,J. Payne,P. Ploesch,2007-11-26 The essays in this collection work toward a larger goal of separating globalization from strictly economic considerations The authors instead look at globalization as a force that produces profound social and cultural consequences including migration struggles for social change and the transformations of aesthetic practices *Learning Civil Societies* Penelope Cheryl Gurstein,2007-01-01 This collection explores the

theoretical underpinnings of democratic planning and governance in relation to civil society formation and social learning

Empowerment Aaron Schutz, 2019-05-23 This book provides an interdisciplinary examination of the multiple meanings of empowerment Rather than seeking to define and critique this term it draws out a range of different meanings exploring diverse possibilities for action and engagement We must carefully examine the possibilities and limits of the approaches to empowerment we choose Efforts focused on building individual skills and capacities for example may overlook opportunities for supporting more collective community based forms of social action In concise chapters the book maps out a range of ways that people can be empowered along different continuums of power moving from more familiar forms of teaching and counselling to less common and more radical strategies for fostering solidarity and civil resistance This will be of great interest to advanced students and scholars in a wide variety of fields particularly social work public health sociology education and international development as an introductory yet comprehensive study of the nuances of empowerment

Community Organization and Development Steve Clarke, 2017-03-23 This book traces the development of community development organization as it evolved separately in Britain and the United States and how the social and political situations in each country determined the various shapes and

directions it took In presenting a comprehensive history of the subject Community Organization and Development draws on local and international factors that have helped to shape its application and fortunes across varied settings Recent economic and social pressures the changing demographics of developed economies and the rise of social and cultural diversity all contribute to the need for a comprehensive model that can be deployed to effect the necessary social changes required for sustained change with stability The history of this intervention technique throws up many examples from which insight can be gained for the present time and Wales is used as an example of how national policy and local development could be combined for maximum effect Community development should become reliable and quantifiable and the comprehensive model developed here demonstrates how and when it should be deployed

Social Work, Social Justice & Human Rights Colleen Lundy,2011-01-01 The second edition of this popular social work practice text more fully addresses the connection between social justice and human rights

Activism and Social Change Eric Shragge,2013-05-14 Drawing on over thirty years of experience in community development practice Eric Shragge offers a unique historical perspective on activism linking various forms of local organizing to the broader goal of fundamental social change This new edition places contemporary community organizing in a post 9 11 context and includes a discussion of national and international organizing efforts in the Middle East in the Occupy movement in European resistance to austerity measures and in recent student protests in Quebec A new chapter length case study covering Shragge s long term involvement with the Immigrant Workers Centre in Montreal offers one of the few English language discussions of community organizing in Quebec Activism and Social Change is an excellent core or supplementary text in courses on social movements community organizing or community development
