Reflective Analysis Of Student Work Improving Teaching Through Collaboration:

Reflective Analysis of Student Work Norene J. Bella, 2004-01-07 Any school wishing to maximize conditions for their staff to grow professionally from within will want to acquire and incorporate the suggestions in this book. Arthur L. Costa, Emeritus Professor of Education, California State University, Sacramento. Improve the quality of your instruction through this innovative form of professional development. In an era of structured trainings and top-down mandates, this visionary guide offers a new approach solidly founded on research which empowers teachers to take charge of the learning process. It encourages a shift from isolation to collaboration, from imparting to participating, and from content-focused to process-oriented learning in order to simultaneously boost student achievement and teacher's professional development. Bringing the focus back to teaching students how to learn, the author promotes a process of teamwork and modeling that challenges educators to reflect on their curriculum, instruction, and assessment techniques to collaboratively work to improve them. Highlights include: Ideas on how to powerfully engage students by becoming a co-learner and facilitator in the classroom; Tips for analyzing student work with the help of co-workers and how to incorporate these findings into the lesson plan cycle; Adaptable schedules for sessions that last one-half hour to several hours, perfect for time-strapped teachers; Calendar of collaborative professional development activities to last the entire school year. Looking Together at Student Work, Third Edition Tina Blythe, David Allen, Barbara Schieffelin Powell, 2015-04-17 This bestseller provides teachers and administrators with strategies for examining and discussing student work such as essays, math problems, projects, artwork, and more. New for the Third Edition: The Microlab Protocol, a relatively quick and easy way to introduce groups to protocol-guided conversation; a new case focused on understanding the Common Core and more detailed notes and strategies for facilitators. Tina Blythe develops and facilitates online professional development courses for Harvard Project Zero and consults for schools, districts, and organizations both nationally and internationally. David Allen is an assistant professor at the College of Staten Island, City University of New York. Barbara Schieffelin Powell is a national and international educational consultant in curriculum development, teacher education, and evaluation. **Promoting Reflective Thinking in Teachers** Germaine L. Taggart, Alfred P. Wilson, 2005-05-11 Praise for Second Edition: This book is very thorough in presenting the purpose and accompanying strategies for instilling reflective practices in educators. I believe the reflective thoughts and questions posed throughout are beneficial for teachers. Karen Harvey, Induction Program Coordinator, Santa Clarita Valley Beginning Teacher Support and Assessment, BTSA. Praise for First Edition: Offers practitioners and preservice teachers the opportunity to individualize their professional development on the use of reflective thinking to best meet their needs. Judy Nixon, Teacher Education, Fort Hays State University. Create meaningful, fulfilling, and successful professional development training for your teachers. This expanded version of the original bestseller integrates the latest research and technology with tried and true methods for boosting practitioners' reflective thinking skills. The tasks and tools provided have been specifically designed for
