A Theological Journey Ghislain Lafont, 2007 From the earliest proclamation of the Gospel to the present Benedictine theologian Gillian Lamont traces the development of the Christian faith. In *A Theological Journey* now available in this superb translation by John Burkhard OFM Conv. Matthew's Account of the Massacre of the Innocents in Light of its Reception History Sung J. Cho, 2021-10-21 Sung Cho addresses the seeming contradiction of Herod the Great's massacre in Matthew 2 16 18 questioning why such a

tragedy had to occur why it was included in the good news of Jesus and what connection it has to ancient prophecies In creating a reception history of the Massacre of the Innocents Cho progresses through two millennia worth of interpretation and depiction to highlight key works for discussion Beginning with a close reading of Matthew 2 16 18 Cho moves to analyse depictions of the tragedy in the Early Patristic Tradition from the sixth century to the early modern period and thus to the present day complete with an examination of visual interpretations of the massacre Cho s examination provides a positive step to understanding the depths of human suffering with the help of many diverse perspectives

Reclaiming Divine Wrath Stephen Butler Murray, 2011-09-02 Following the 9 11 terrorist attacks in the United States there was prolific misuse and abuse of the concept of divine wrath in church pulpits In pursuit of a faithful understanding of what he calls a lost doctrine the author of this study investigates the substantial history of how the wrath of God has been interpreted in Christian theology and preaching Starting with the Hebrew and Christian Scriptures and moving historically through Christianity s most important theologians and societal changes several models of divine wrath are identified The author argues for the reclamation of a theological paradigm of divine wrath that approaches God s love and God s wrath as intrinsically enjoined in a dynamic tension Without such a commitment to this paradigm this important biblical aspect of God is in danger of suffering two possible outcomes Firstly it may suffer rejection through conscious avoidance of the narrow misinterpretations of divine wrath that dominate contemporary theology and preaching Secondly irresponsible applications of divine wrath may occur when we neglect to engage and understand the wrath of God as inseparable from God s justice and love in Christian theology and proclamation

Bodo Nischan They address what historians of the Early Modern period have recently come to define as the pre eminent issue in the history of the Reformation as they turn their emphases from the earlier part of the 16th century to the relatively neglected latter half of the century By the time of his death Bodo Nischan had distinguished himself as a significant contributor to this central problem of confessionalization The concept involves the practice of confession building which in relation to that of social disciplining promoted interrelated processes contributing decisively to the formation of confessional churches greater social cohesion and the emergence of the Early Modern absolute state Many religious practices earlier considered as adiaphora indifferent matters now became treated as marks of demarcation between the emerging Protestant confessional churches and at the same time politicized as the early modern state sought to impose greater social control Through the analysis of such liturgical ritual and ceremonial practices Nischan helped show the way towards a better understanding of the Reformation s engagement with the people These are the themes treated in this volume
