The Philosophical Breakfast Club Laura J. Snyder, 2012-01-17 A fascinating book about the way four geniuses at Cambridge University revolutionized modern science Newsweek The Philosophical Breakfast Club recounts the life and work of four men who met as students at Cambridge University Charles Babbage John Herschel William Whewell and Richard Jones Recognizing that they shared a love of science as well as good food and drink they began to meet on Sunday mornings to talk about the state of science in Britain and the world at large Inspired by the great 17th century scientific reformer and political figure Francis Bacon another former student of Cambridge the Philosophical Breakfast Club plotted to bring about a new scientific revolution And to a remarkable extent they succeeded even in ways they never intended Historian of science and philosopher Laura J Snyder exposes the political passions religious impulses friendships rivalries and love of knowledge and power that drove these extraordinary men Whewell who not only invented the word scientist but also founded the fields of crystallography mathematical economics and the science of tides Babbage a mathematical genius who invented the modern computer Herschel who mapped the skies of the Southern Hemisphere and contributed to the invention of photography and Jones a curate who shaped the science of economics were at the vanguard of the modernization of science This absorbing narrative of people science and ideas chronicles the intellectual revolution inaugurated by these men one that continues to mold our understanding of the world around us and of our place within it Drawing upon the voluminous correspondence between the four men over the fifty years of their work Laura J Snyder shows how friendship worked to spur the men on to greater accomplishments and how it enabled them to transform science and help create the modern world The lives and

works of these men come across as fit for Masterpiece Theatre Wall Street Journal Snyder succeeds famously in evoking the excitement variety and wide open sense of possibility of the scientific life in 19th century Britain splendidly evoked in this engaging book American Scientist This fine book is as wide ranging and anecdotal as excited and exciting as those long ago Sunday morning conversations at Cambridge The Philosophical Breakfast Club forms a natural successor to Jenny Uglow's The Lunar Men and Richard Holmes's The Age of Wonder Washington Post **A Humble Companion** Laurie

Millstone of Doubt Erica Vetsch, 2022-09-20 Regency London's detective duo is back on a new case and this one is going to be a killer Caught in the explosion of the Hammersmith Mill in London Bow Street Runner Daniel Swann rushes to help any survivors only to find the mill's owner dead of an apparent gunshot Even though the owner's daughter Agatha Montgomery mourns his death it seems there are more than a few people with motive for murder But Daniel can't take this investigation slow and steady Instead he must dig through all the suspects as quickly as he can because the clock is ticking until his mysterious patronage and his job as a runner comes to an abrupt and painful end It seems to Daniel that like his earthly father his heavenly Father has abandoned him to the fates Lady Juliette Thorndike is Agatha's bosom friend and has the inside knowledge of the wealthy London ton to be invaluable to Daniel She should be in a perfect position to help with the case Still her instructor in the art of spy craft orders her to stay out of the investigation But circumstances intervene

dropping her into the middle of the deadly pursuit When a dreadful accident ends in another death on the mill floor Daniel discovers a connection to his murder case and to his own secret past Now he and Juliette are in a race to find the killer before his time runs out Erica Vetsch once again weaves a classic tale of how the old affects the new An artfully told story that will have you wondering at the outcome until the final pages are read Ruth Logan Herne USA TODAY best selling author

The Home Companion ,1854 **London: An Illustrated Literary Companion** Rosemary Gray,2017-01-26 London An Illustrated Literary Companion compiled by Rosemary Gray captures the varying moods of the great city over recent centuries through diary entries with quotations poems essays and extracts from great works written in its honour It is beautifully illustrated with drawings and engravings from distinguished artists including Gustave Doré George Cruikshank James McNeill Whistler and Hugh Thomson and contains contemporary prints and photographs Designed to appeal to the booklover the Macmillan Collector's Library is a series of beautiful gift editions of much loved classic titles Macmillan Collector's Library are books to love and treasure **The Tutor's Daughter** Julie Klassen,2013-01-01 Award Winning Regency Romance from Bestselling Author Julie Klassen Emma Smallwood determined to help her widowed father regain his spirits when his academy fails agrees to travel with him to the distant Cornwall coast to the cliff top manor of a baronet and his four sons But after they arrive and begin teaching the younger boys mysterious things begin to happen and danger mounts Who does Emma hear playing the pianoforte only to find the music room empty Who sneaks into her room at night Who rips a page from her journal only to return it with a chilling illustration The baronet's older sons Phillip and Henry wrestle with problems and secrets of their own They both remember Emma Smallwood from their days at her father's academy She had been an awkward studious girl But now one of them finds himself unexpectedly drawn to her When the suspicious acts escalate can the clever tutor's daughter figure out which brother to blame and which brother to trust with her heart *From Traditional Attire to Modern Dress* Constanța Vintilă-Ghițulescu,2011-07-12 The essays in this volume discuss the visible elements such as clothing jewellery the opulence of the elite fashion and styles but they also inform the reader about the manner in which these were connected to political and social developments The articles in this volume highlight important themes regarding the history of textiles the shifting of trading and manufacturing centres the professionalization of the various fields in the history of fashion and the connection with the introduction and proliferation of steam powered machines and later of electrical equipment Clothes and garments are also part of the social and political transformations brought about by the multiple modernisations of the various Balkan societies Fabrics colours threads barrels and buttons lace and jewellery are marvellous documents that bring to life details of the remote worlds of our ancestors helping us understand the complex meanings of sartorial appearances The Balkans and the Orient are regions that offer promising avenues of multidisciplinary research concerning clothes and fashion as indicators of social status and political change **Jane Austen's Sanditon** Arthur M. Axelrad,2010 When Jane Austen died in 1817 she left behind 120 pages of

manuscript that would eventually be published as *Sanditon*. Praised by some critics and condemned by others, this final effort by the great English writer has for the most part been overlooked in favor of the novels that were published during her lifetime and shortly after her death. For the first time, an entire book is devoted to examining this fragment to establish it as Jane Austen's potential masterpiece. With a new setting and a greater range of characters than found in earlier works, this novel, composed during the last months of her short life, if completed, would at the same time have continued her series of magnificent novels and created new possibilities for novels to come.

The Apothecary's Daughter Julie

Klassen, 2009-01-01 Lillian Haswell, brilliant daughter of the local apothecary, yearns for more adventure and experience than life in her father's shop and their small village provides. She also longs to know the truth behind her mother's disappearance, which villagers whisper about but her father refuses to discuss. Opportunity comes when a distant aunt offers to educate her as a lady in London. Exposed to fashionable society and romance, as well as clues about her mother, Lilly is torn when she is summoned back to her ailing father's bedside. Women are forbidden to work as apothecaries, so to save the family legacy, Lilly will have to make it appear as if her father is still making all the diagnoses and decisions. But the suspicious eyes of a scholarly physician and a competing apothecary are upon her. As they vie for village prominence, three men also vie for Lilly's heart.
