Rimbaud Complete Arthur Rimbaud, 2003-01-14 Enduring icon of creativity authenticity and rebellion and the subject of numerous new biographies Arthur Rimbaud is one of the most repeatedly scrutinized literary figures of the last half century Yet almost thirty years have elapsed without a major new translation of his writings Remedying this state of affairs is Rimbaud Complete the first and only truly complete edition of Rimbaud's work in English translated edited and introduced by Wyatt Mason Mason draws on a century of Rimbaud scholarship to choreograph a superbly clear-eyed presentation of the poet's works He arranges Rimbaud's writing chronologically based on the latest manuscript evidence so readers can experience the famously teenaged poet's rapid evolution from the lyricism of *Sensation* to the groundbreaking early modernism of *A Season in Hell* In fifty pages of previously untranslated material including award-winning early verses all the fragmentary poems a fascinating early draft of *A Season in Hell* a school notebook and multiple manuscript versions of the important poem *O saisons châteaux* Rimbaud Complete displays facets of the poet unknown to American readers And in his Introduction Mason revisits the Rimbaud myth addresses the state of disarray in which the poet left his work and illuminates the intricacies of the translator's art Mason has harnessed the precision and power of the poet's rapidly changing voice from the delicate music of a poem such as *Crows* to the mature dissonance of the *Illuminations* Rimbaud Complete unveils this essential poet for a new generation of readers

French VII Bibliography, 1999 Books for College Libraries: Language and literature, 1975 *Biography and the Question of Literature in France* Ann Jefferson, 2007-01-04 This book takes a fresh look at the relations between literature and biography by tracing the history of their connections through three hundred years of French literature The starting point for this history is the eighteenth century when the term biography first entered the French language and when the word literature began to acquire its modern sense of writing marked by an aesthetic character Arguing that the idea of literature is inherently open to revision and contestation Ann Jefferson examines the way in which biographically orientated texts have been engaged in questioning and revising definitions of literature At the same time she tracks the evolving forms of biographical writing in French culture and proposes a reappraisal of biography in terms not only of its forms but also of its functions Although Ann Jefferson's book has powerful theoretical implications for both biography and the literary it is first and foremost a history offering a comprehensive new account of the development of French literature through this dual focus on the question of literature and on the relations between literature and biography It offers original readings of major authors and texts in the light of these concerns beginning with Rousseau and ending with life writing contemporary authors such as Pierre Michon and Jacques Roubaud Other authors discussed include Mme de Staël Victor Hugo Sainte Beuve Barbey d'Aureville Baudelaire Nerval Mallarmé Schwob Proust Gide Leiris Sartre Genet Barthes and Roger Laporte
