Secrets Top Horse Trainers Revealed:

Secrets of the Top Equestrian Trainers Various, 2005-10-15 *Secrets of the Top Horse Trainers Revealed* provides an invaluable insight into what motivates the world's top equestrian trainers and the philosophy behind their success. It explains broad equestrian concepts and shows how these can be applied in day to day training. Based on a series of interviews with top horse trainers each will focus on the subject's unique and particular strengths. Yogi Breisner for example is well known for his ability to inspire confidence in whoever he is helping. The main thrust of his interview will therefore reveal how he achieves this state in riders and horses. Other trainers and riders on the short list of potential interviewees include internationally renowned dressage trainers Robert Dover, Kyra Kurkland and Richard Davison. Peter Charles and Rodrigo Pessoa two of the best show jumpers in the world and David O'Connor the American three day event Olympic Gold Medallist now head of the United States Equestrian Federation. In addition to the horse trials trainers mentioned above the book will also include interviews with Henrietta Knight most respected natural horsemen in the world. This book provides a fascinating insight into what makes the top horse and rider combinations tick. **The Breeder's Gazette**, 1910 The Secrets of

Station 14 Des Turner, 2022-02-24 Briggens House near Harlow in Essex was one of the most important of the establishments requisitioned by the Special Operations Executive SOE during the Second World War. Its mission was to accomplish Winston Churchill's directive to set Europe ablaze and initially the house was used as a finishing school for the Cichociemni elite Polish saboteurs to prepare to parachute into Nazi occupied Poland. In need of false identity documents to avoid the arrest, interrogation and execution of its agents SOE gradually built up a printing department on site and Station 14 became the organisation's False Document Section. This is the true story of the house and its highly skilled wartime personnel including British officers, Polish agents and the women of the First Aid Nursing Yeomanry. For the resident staff it was a relatively safe posting but tension built as the Poles fighting their own battle for Polish independence competed for scarce resources in wartime Britain. SOE historian Des Turner uses first hand accounts, memoirs and official records to reveal long forgotten stories of tragedy, humour and frustration giving long overdue credit to the men and women of Briggens House who were prevented by the Secrets Act from ever speaking about their wartime work.
