Securities Law In Perspective:

Securities Law in Perspective Harold S. Bloomenthal, 1977-01-01 *Perspectives in Company Law and Financial Regulation* Michel Tison, Hans De Wulf, Christoph Van der Elst, Reinhard Steennot, 2009-06-18 This collection of essays has been compiled in honour of Professor Eddy Wymeersch on the occasion of his retirement as professor at Ghent University His main international academic peers explore developments on the crossroads of company law and financial regulation in Europe and the United States providing a unique view on the dynamics of regulatory competition in an era of economic globalisation whether in the fields of rulemaking organising the mobility of capital or the enforcement of rules The deepening of European financial integration and the transatlantic regulatory dialogue has generated new paradigms of rule setting in a multinational framework and reinforced the need to develop adequate instruments for co operation between regulators Regulators increasingly use concepts such as equivalence or mutual recognition to regulate cross border relations

Commercial Law in a Global Context: Some Perspectives in Anglo-Japanese Law Yutaka Tajima, Fiona Macmillan, 1998-07-20 This unique work consists of a selection of key papers presented at the first Anglo Japanese Comparative Law Conference held at Jesus College Cambridge in September 1996 The conference was organised under the auspices of the Institute of Advanced Legal Studies University of London the University of Tsukuba Japan and Murdoch University in Australia The conference brought together a number of leading business lawyers from around the world who discussed the impact of globalisation on commercial law If the internalisation of trade and business has produced problems for lawyers the impact of globalisation particularly in such areas as the capital markets has proved to be even more problematic The implications for all those who operate in the commercial and financial sectors and for those who advise them of developments in the nature and character of the markets are increasingly significant The publication will be of particular interest to academics those involved in trans national business and legal practitioners **Digital Tokens: A Legal**

Perspective José Garrido, Mr. José M. Garrido, 2023-07-28 Tokens are units digitally represented in a distributed ledger or blockchain The various uses of this technology have the potential to transform a wide array of economic activities from traditional commercial transactions to sophisticated financial undertakings This paper explores the similarities and differences of tokens with traditional legal instruments in commercial law and how tokens could offer superior solutions provided that proper legal foundations are established for their operation including aspects of the law of securities and consumer protection law **Earnings Management, Fintech-Driven Incentives and Sustainable Growth** Michael I. C. Nwogugu, 2019-11-01 Traditional research about Financial Stability and Sustainable Growth typically omits Earnings Management as a broad class of misconduct Complex Systems Theory Mechanism Design Theory Public Health psychology issues and the externalities and psychological effects of Fintech Inequality Environmental Pollution Earnings Management opportunities the varieties of complex Financial Instruments Fintech Regulatory Fragmentation Regulatory Capture and real
