Live, Love, Explore Leon Logothetis, 2016-12-27 Part travel memoir part self help book Live Love Explore is a guide to finding meaning and adventure in your everyday life and discovering the road you were always meant to walk By bestselling author Leon Logothetis from the Netflix Series The Kindness Diaries Leon Logothetis's life was well plotted out for him He was to do well in school go to university get a job in finance and spend the next fifty years of his life sitting behind a slab of wood watching the rain slicked streets of London from thirty floors above For a long time he followed that script until one day he finally realized he was living someone else's life a good one but not one of his own choosing So he walked out of that life and discovered the one that took him around the world Since then Leon has driven a broken down English taxicab across America offering people free rides ridden a vintage motorbike around the world relying solely on the kindness of strangers and followed a fellow traveler through India without ever knowing where he was going He has visited more than 90 countries on every continent Along the way he learned something about the human spirit and about the heart of this world He learned that he needed to shed his old ideas about who he was supposed to be in order to feel his soul rise to the surface and become the person he always longed to be The wisest words he heard and the greatest lessons he learned came from everyday people he met on his travels He became their accidental student and after years of sharing those lessons through TV shows college tours books and in the media he realized that he had also become an accidental teacher His experiences are more than a collection of stories they have become a way of life the Way of the Traveler So what is the Way of the Traveler It's a roadmap to living your best life loving with all your heart and exploring the world both the great and adventurous one waiting outside your door and the even greater more adventurous one waiting within your soul Weaving together Leon's hilarious and

heartwarming stories of his misadventures on the road with simple but profound exercises to help you uncover your true path Live Love Explore will teach you how to live fully and without regrets It s not to say that everyone who reads it will have to go to the ends of the world Because you don t have to go to Mongolia to discover the truths that lie inside No those life lessons can just as easily be learned from the people all around you the chap serving you coffee at Starbucks the woman sitting next to you on a plane your co workers family and friends There s an entire world of people willing to teach you their lessons if you re willing to learn And by opening yourself up to new adventures by recognizing that you have the freedom to choose your own road you ll find something else that has been hiding in plain sight you ll find the life of which you have always dreamed and the curiosity and courage it takes to make that life happen
